

# MESSAGE: The Divinity Within Us

(King's Counsel on 9-10-2017)

**Question:** Lord, what is it you want your people to know about the divinity that's within them?

## Message

This is a very important question, and it's good that you ask it. It's a really important concept that my people need to come to grips with – that I'm in them. I am in them. They are not church-going believers in Jesus of Nazareth, they are sons of the Living God who have the Spirit of God inside them. They are a new species<sup>1</sup>. Their spirit has been regenerated, and I live in them through my Spirit.

Being a new species, different to a normal human being, they have capacities far beyond their imagination. Not only do they have *dunamis*<sup>2</sup> and *exousia*<sup>3</sup> power that the New Testament talks about, but they have the full power of Heaven behind them – resident inside them. If only they knew who they were and what they contain, their lives would be totally transformed. They would operate, think and act in entirely different ways. This is why I am challenging you today to demonstrate the power of my Kingdom, because that demonstration comes from within you, from the divine nature that's within you, from my presence, from my Spirit. And I am capable of doing absolutely anything through you.

While ever you try to do things in your own strength; while ever you are focused on doing what you think I want you to do rather than being attuned to my Spirit and doing what my Spirit shows you to do, you're going to continue to struggle and be totally ineffective. Please grasp that.

I dwell in you through my Spirit, the same way as when I was on this earth as Jesus of Nazareth. I stated that I had the Spirit of my Father in me – I was in Him and He was in me. And my desire has always been to totally empower my people to do greater works than me, do greater things, to be more explosive, dynamic, spectacular. And it can be done. All that you have to do is change your theology, your philosophy and the way you think. You have the divine nature in you. Start using it in alignment with me. Allow me to train you so that you can use it.

Remember, the key is humility and the other key is submission, and the third key is trust (or 'faith' if you choose that word). Let's make major changes to this nation. Let's make major inroads into the enemy's territory. Start connecting with the divinity that's in you – the divine power and strength – and you will see major changes in your life and the life of those around you. That's the challenge.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
