

Clarity of Focus Will Carry You Through This Season

These words were spoken to Ana Werner by our King which she recorded in Charisma Magazine in an article titled “Prophetic Word: Prophetic Clarity Will Carry You Through This Season”¹:

- “Clarity of focus will carry you in this season”
- “Who are you listening to right now?”
- “Is my voice the loudest?”
- “Where are you going right now?”
- “What is the assignment I gave you for this season?”
- “Refocus and find your direction”

Putting aside the religious content of her article where she expounds on the message, these 6 statements are the crux of what we need to know from her prophetic download.

Note that these questions reinforce what we have been receiving over the past 3 years from the Spirit. That is:

1. Hearing from the Spirit on a constant basis will keep us focussed on the Kingdom initiatives and the path of our lives in this season.
2. We must be listening to the Spirit at all times to hear from heaven. The world, people and the enemy distract us from what’s really going on.
3. The Spirit’s – and therefore our King’s – ‘voice’ must become the loudest to drown out the background noise and distractions.
4. We must be aligned with heaven so that there is no need to have our direction corrected.
5. When we are fully aligned with Heaven we will always be about Father’s business and our Kingdom assignments. We will also not neglect our responsibilities.
6. Remaining focussed in The King and his Kingdom is all we need to do to keep intune with him.
