

Insight Into What's Coming

A number of prophet were told that 4 judgements are coming on the US in the form of catastrophes. Before they recover from one, the next will follow. Byron Searle received a number in October 2017. Here are some important points for us to note in Australia:

- “Strange armies that will come upon this land.”
- “Those who hide in me will be saved.”
- “My remnant will be saved.”
- “Those who repent and ‘bend the knee’ will be saved.”
- “The windows of Heaven are open to pour out mercy and grace.”
- “Those who criticize my prophets will not be ready.”
- “Even after that my church will not wake up.”
- “There will be no prosperity, happiness and false happy days of the past.”
- “My church will know strength, humbleness and prayer.”
- “Millions will perish...from all parts of the world.”
- “My remnant will walk in power never seen before on the Earth.”
- “Be ready to share the gospel...the whole nation will be in fear.”
- “Many voices will speak in the last days of peace, prosperity, longevity and happiness, but they do not hear my voice. They hear the voice of a lying spirit.”
- “Many of my sons and daughters will die by the sword; churches will be utterly destroyed.”
- “I will have my remnants flee to safe zones; there mighty revivals will begin to happen.”
- “During this time my Bride becomes the brightest light.”
- “This is when I will come and gather her to myself.”
- “My Bride will be pure and without spot or wrinkle.”
- “Hear my prophets who warned you to prepare.”
- “My prophets...only know in part.”
- “Have your house in order and be prepared to love your neighbour.”

John Shorey said, “This is why we need to create the underground church”; “No one is really warning the church of what's coming”; “The church doesn’t want to hear from the watchman on the wall”; “After each judgement the church will go back to sleep”.

NOTE: Notice how their Futurist eschatology drives their theology.
