

MESSAGE: Counterfeit Prophets

(King's Counsel on 15-1-2018)

Question: A warning has gone out that you will be purging today's counterfeit prophets.¹ What is it that you want us to know about this?

Message

“There is much counterfeit amongst my people today, not just in the prophetic, but in all areas of my people. I have had to put up with the counterfeit since the dawn of time. There are those who deliberately counterfeit the things of the Spirit, the things of me, and there are those who unwittingly counterfeit. It's absolutely critical that you discern and know the difference between my voice personally and the other voices that you hear. Just as important, you must discern the prophetic voices, whether they are from me or not from me.

Now I want to make this thing clear. I have given you free will and the responsibility to govern yourself. There will always be the counterfeit – I am not eliminating the counterfeit. The counterfeit only occurs because people make choices. Your choice must be to listen to the real, those who speak for me. Just as you have to when you hear voices, when you hear something drop into your mind or your heart, you have to discern whether it's from me or not.

While ever the Enemy has not been put away, the counterfeit will always be here because his plans are to destroy. If destruction is not the main thrust, it will be to divert and to counteract, and he does that by deception and by counterfeits. For those who want to walk with me, draw close to me and love only me, I will make it very clear who the counterfeits are.

As you come together as like-minded people, totally devoted to me, I will cleanse you of the counterfeit. That will not just be by my hand, because I will begin to work with you as I am supposed to work. When you come together as like-minded people, loving only me, you will know the counterfeit when you hear it. I will give you the skill, the spiritual skill to be able to detect the counterfeit. If you fail to use that skill, the counterfeit will infiltrate and will lead you astray. This is how I am going to eliminate the counterfeit.

While ever the religious system remains, the counterfeit will always be available to rise and influence people. I am creating a remnant Bride, a loving bunch of people who are in love with me, who are one with me, who have turned their backs on the things of the world and want only me. Amongst these people, you will find the truth. Find people of this ilk, find this type of people, join them. Connect with me and be free from the counterfeits. But it's not just that easy, you must be vigilant all the time. The Enemy will look for weaknesses to bring in counterfeits to lead you astray, because when you come together, you become powerful and a threat to him, and he will work in whatever way he can to rip apart what you bring together.

My beloved, cling to me, the truth is in me. Let me teach you. Love me with your whole being. Just don't give me assent with your mind. Love me as if there is no one on earth more lovable than myself. Come into this relationship and you will find truth everywhere you go.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
