

# MESSAGE: Harbinger's Veracity

(King's Counsel on 15-1-2018)

**Question:** What is the veracity<sup>1</sup> of Jonathan Cahn's book, "The Harbinger"<sup>2</sup>, and what is its relevance for Australia, if any?

## Message

"Australia, my people, I want you to listen to me and listen clearly. I have been speaking to you through your prophets. I have installed these prophets in your nation, and these are the people you are to listen to. It's up to you to discern and work out which [ones] speak for me – who doesn't and who does. This is your responsibility. But this is how I communicate with my people: I communicate individually, personally, through my Spirit; and I speak through my prophets. Yes, and you remember what I've said in Old Testament times that I don't do anything unless I speak through my prophets.

So with regard to "The Harbinger", the book written by Jonathon Kahn, he is free to write whatever he wants to write, as any person is. But if you want to know what I have for Australia, then it's me you need to hear from. Please take note of the prophetic voices that I have installed and am installing in this nation. This is where my message comes from. I sent Samuel to the Children of Israel because I wanted them to hear what I had to say. I did the same with Elijah, Jeremiah and all the other prophets.

When I want to speak to the nation, I use my prophets, and so clean your ears, your spiritual ears. 'Floss' them and get rid of the wax that is blocking what you need to hear, because I am speaking. Pay close attention to what the prophetic voices are saying. Check them out with me and align yourself with what I am doing.

This is all I ask you to do and no more."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
