# **The full stature of Christ is about mature sonship**

It's not some airy-fairy religious term that we've heard about

**It's about  
reaching our full  
potential as  
sons, just like  
Jesus did**

That's potential and strength in  
ALL areas

OUR POTENTIAL

**We're so far from the benchmark it's ludicrous to consider ourselves mature**

This is us

# **This is why we need to exercise spiritually**

- Our spirit-man has to be in control
- Our character has to align with Jesus our prototype
- Our speech and actions have to align with Heaven

# **FOCUS ON CHANGING YOURSELF AND NOT ON OTHERS**

...unless your headship and oversight function  
requires both
