

# MESSAGE: Sonship is the Key

(Prophetic message 29-5-2018)

*While waiting on our King for him to provide the questions he wanted us to ask, this phrase was received: 'Sonship is the key'. This was the signal that a download on that topic was available. Here it is.*

“Sonship is the key. As much as my people run around to and fro, being busy, they have missed the point. I didn’t come to make them busy. I came to make changes, massive changes, changes that are actually beyond their comprehension. It’s not about the Church. It’s not about little holy huddles. It’s not about my people doing what they think pleases me. It’s about me being manifest in them and through them on the Earth. This is my ultimate goal. This has been Father’s plan since the beginning, since the mandate that we gave to Adam’s lineage was lost. It has been my heartfelt desire to retrieve that. And, of course, because we have given people free will, they have made their choices. And because we have chosen to work through them, as our representatives on this planet, my plans – well, to put it bluntly – have been in a mess for thousands of years. I am now at a point where I can clearly see that there are those who have set themselves aside to focus on what I want done. These are those who are listening to me, who are not willing to do anything but what I tell them to do. These have given up the world system. They are desiring for my plans to be implemented in them and through them. They are not looking for revival. They are looking for transformation: the transformation of this planet, its system, its kingdoms, its peoples, and eventually the whole of the creation.

These have set themselves aside, and have spent time lingering with me, and have heard me talk about sonship, about partnering with me, to see my will done on the Earth. They are not interested in doing what they want [to do]. Instead, they are enjoying what I have them to do, the assignments I give them, the goals I place before them. They really enthusiastically throw themselves into this. And it’s strange: it looks like they are very selfish, but like Myself when I was as a human on the Earth, I was steadfast about Father’s plans. These people have chosen that path. They have seen that I set a standard, and they are following the standard of complete devotion to me. These have allowed me to raise them up as sons, in genuine sonship. They are learning not to be religious – that is, doing the things that they think please me, or doing things out of fear in case they offend me. These, like my disciples, I call “friends”. They see me as their big brother, even though I am the King. We relate. I am their supervisor. We work as a team. And, believe it or not, change is beginning to happen. I am thoroughly pleased that we are moving in the right direction.

I have warned in the past about defiance, because there’s a defiance of my people in doing their own thing that has caused me to be delayed in fulfilling the plans that Father has given me to set in place on Earth. Watch. Keep an eye on these sons. They will show you that I am totally behind them. These men and these women will be my vanguard, of where we will move as a team in the future. Yes, as a team, a working team, a transformation team. True, we work as an army, fighting, standing against the opposition from the realm of ‘darkness’. But we are a building team. We are about building, reclaiming, transforming, restituting<sup>1</sup> what’s been lost, recovering. I am excited.

So, sonship is the key. If you haven’t asked me about sonship, if you haven’t asked me about how to become a son (and I don’t mean the fact that you have been adopted as sons) but to actually live and grow and mature as a son. [To]<sup>2</sup> take your place, just like the parable I gave that you call ‘The Prodigal Son’: you have been reinstated, once you came into my Kingdom. I have given you a signet ring. I have put the clothes of glory on you, but you have to learn to operate in that position. There’s great things ahead. Stick with me. Allow me to grow you and mature you as sons of the Most High God. The challenge is yours.”

1 – Making amends for what was taken away and restoring it to its former condition (Android English-Australian dictionary)

2 – Added to make a complex conversation sentence more understandable when read. [LDS]

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
