

Did You Know?

***A Lot of History is Hidden
from Us?***

It's not new, we're just ignorant of it

- The Roman Catholic church did it
- Communists do it
- The Chinese government does it
- Our government did it during wartime & afterwards

And...

- Academics discover things but keep them undisclosed because of their worldview or ideology
- e.g. 2myo human skeletons hidden in the basement of the British Museum

ПОЛИТИЧЕСКАЯ СИМВОЛИКА ТРЕТЬЕЙ РЕСПУБЛИКИ: В ПОИСКАХ ИДЕНТИЧНОСТИ THE POLITICAL SYMBOLISM OF THE THIRD REPUBLIC: IN QUEST FOR IDENTITY

THE POLITICAL SYMBOLISM OF THE THIRD REPUBLIC: IN QUEST FOR IDENTITY Armenia gained independence in a complex political and ideological context. In the 1990s, the officially adopted political discourses on national identity were introduced, along with a system of symbols for their representation (coat-of-arms, flag, anthem, etc.). New interpretations of history, new narratives and cults of heroes and martyrs were created or re-created. This process was accompanied by a very strong political and ideological competition between the three main discourses, interpreting in different...

Ancient Egyptian Presence In Australia

“This tablet was indeed an ancient treaty establishing terms and conditions formalising an Egyptian settlement and involvement in Original land and affairs”

Ancient Hieroglyphics Near Gosford

“The three hundred hieroglyphs, which many claim to be of ancient Egyptian authorship, found in the bush near Kariong [near Gosford] is without doubt the most controversial site in this country.”

Australia's Stonehenge

“The current archaeological stock-take includes knowledge of where the mounds, surrounding grounds and many of the smaller and larger rocks now stand, lay or are stacked, the map of the 184 Standing Stones, name of each rock and the translation, and most importantly, the Dance of the Stone Arrangements”

Global Israel

This video documents from historical records what the ten tribes of Israel were called elsewhere, where they migrated to and when.
