

# Now Is the Time for Acceleration

We are in a time of acceleration in the Kingdom. We must hear in the spirit and hear clearly so we can move forward and keep pace with our King's plans. There will be many unusual changes, but we must keep our cool and flow with the Spirit.<sup>1</sup> It's no time for cogitating.

Candice Smithyman received this prophetic download<sup>2</sup> which she believes are a word for the global ekklesia. Here are the important points.

- *"Now is the time for acceleration. Things will move quickly in the earth for kingdom acceleration. This is not a time to be lazy. If you are tired, find rest in your souls with Me as you walk circumspect."*
- *"The path to take is right in front of you, straight and narrow, straight ahead."*
- *"Put out your hand. I am putting things in your hand now on this path. Receive these gifts. Receive the favor, I am giving you favor with people and resources to help you move forward. These blessings will fall on you, receive them and use them, but move quickly. It is a time to accelerate now and not wait. Keep yourself moving."*
- *"I will give you the strength to walk at this pace."*

A "straight ahead" path in the unknown is determined by asking yourself the following question: "Am I obeying God here and operating in character and honour?" If you can answer yes, then the path you are on is straight.
