

Kingdom Freedom Includes Not Having To Do What Everyone Else Does

In my prophetic journal of the 3rd September 2018, I was instructed not to copy what Christians do. I was told not to copy their church-type activities such as prayer and fasting. In place of these I was given something else to comply with.

I was also told not to allow church-goers to cause me condemnation because I don't do what they do or I don't follow their invitations to be involved in what they believe is are important spiritual activities.

So, more freedom for me in the Kingdom. Freedom comes from knowing, not just who you are, but being told directly by father what he requires of us. There's no personal pressure or peer pressure to adhere to what others think or do.

Very, very liberating.
