

MESSAGE: Australia, Seriously

(Prophetic messages 22-9-2018)

Lord, we have received two serious prophetic messages for Australia¹ by email this month. What is it that you want to say to us regarding these?

Message #1

“My children, do not fear. Focus on me. Always focus on me. Do not look at your surroundings, do not look at your circumstances, do not look at the machinations of society, of the world. Always look to me. I’ll say it again: Always look to me. That means you take your eyes off everything else. True, there is life that you need to live, but the cares and concerns of your nation and of your own personal lives will find their resolution in me. Remember, it’s all about me, not about you. And it’s definitely not about nationalism.

You are a new creation. You are new creatures, new species. You belong to the Kingdom of Heaven. You are citizens of the Kingdom of God. This is your right and true allegiance. You do live in the natural in Australia, but your primary identification is citizenship in Heaven. You must understand your identity as sons of the Most High God, living on Earth to implement and carry out the plans from ages past for this planet, for the nations and for the cities.

I am moving. I am moving in different ways, because I move in waves. I am constant, but the way I operate varies from season to season, and those changes, those new seasons, vary in length. Do not look dispensational-wise at blocks of time. Focus on me and flow with me.

I will take you into new seasons on a constant basis. Each time I take my people into a new season, they go through a time of testing, to prepare them for it, to filter out those who aren’t ready, and to escalate the growth and development of those who are. This is why it’s essential at this time in history to be fully aligned with me, fully surrendered to me, fully focused on what I’m doing.

You still have to live your lives. It’s not about being monastic and coming out of the world system, because I want you there in the world, because as my lighthouses, I need you to shine the light of my Kingdom into people’s lives so that cities and nations change.

Steady yourself. There are dark days ahead, but there is glory ahead. I am raising up a band of brothers, a band of sisters, a band of my people, my children, who are going to make such an impact in this nation that will stun onlookers. They will say, "We thought Christians were weak, wishy-washy. But look, we were wrong". These warriors of mine will not be those who regard themselves as warriors, but those who go through my training school and become spiritual warriors. They focus on me, their Commander-in-Chief. They are totally dedicated to me. They have readied themselves, they have been refined, and they will make an impact.

Do not look around you and say, "I want to be part of that. Why aren’t I involved?", because I’ve been calling you. Search your hearts. Where is your allegiance? Is it to me, or is it to your employer, is to your life, is it even to your church? Your allegiance has to be to me. I have come and I have brought my Kingdom, and I rule and reign through you, but that rulership does not impact you unless you align with me, unless you submit to my rulership.

If you want to be involved, you need to change your attitude, change your heart, have your mind changed so that the most important thing in your very existence is me. Your waking thought must be, "What are we going to do today?" Your final thought going to sleep at night should be, "We had a great day. I’m excited about what we’re going to do tomorrow. Let me rest. Let me recuperate so I can give fully everything that’s in me to what we’re doing tomorrow".

I have been calling you, Australia, I have been calling you to myself. I have plans and I have purposes, and these supersede any other purpose or plan that you have or your national leaders have, because I'm in charge. You say, "Well, why haven't we seen changes in our nation that are in alignment with who you are?" The answer is: I am working through my people. When they align with me, things happen. The more of you in your nation that totally align with me – and by that I mean you want to do what I want to do, not what you want to do, and you're prepared to give up anything that's in the way to implement and carry out my plans – the more you will see change. So start today. Dedicate yourself to being totally committed to me and my plans.

This nation has been called to do great things, to be great, but until my people align with me, that greatness cannot manifest. I am not going to do everything by myself. You know that I can send angelic forces and carry out everything that I want. But, I have placed humanity on this planet to be in charge and to be my representatives here, and I will work through you. That is the way I've set things up. You must understand that.

Cease praying and forcing me in your weakness to do everything for you. Find out from me what it is that you need to do from me, and go about your business and do it. When there is enough weight of numbers of my people doing this, you will start to see changes.

To help you, I will send moves of my Spirit to wake you up, to empower you, to change you, to release new knowledge, to change directions. But unless you're aligned with me, you won't be able to flow with those. Keep your 'ears to the ground', as it were. Listen for the slightest change in where I'm going. Listen for the quiet voice that I speak to you with. You'll need to stop and listen.

Be part of my move in this nation. Be part of my workers. Cease your enthusiasm about being spiritual warriors as you shake your fists at the enemy and as you jump and down and are excited. My army knows who they are, and they are quiet and they are powerful. They do not need to be revved up, they do not need to display who they are, but they know, and I know. And at the right time and in the right place, they will manifest whatever it is that's required of them, through my Spirit interacting with their spirit, and you will see them.

Yes, there have been two serious messages, but the key is to listen to me. What am I saying to you individually, because each one of you has been placed here on Earth for a purpose. Not only do you have a destiny, but you have ongoing assignments, and all these little assignments from every single person build up to an impact in the nation.

Don't think light of the small things I ask you to do, because they do have impact. Cooking for the family, supporting your neighbour who is in financial difficulty, baking a cake for somebody who is in an emotional state of unrest – simple things like that impact this nation. Cease focusing on your big rallies and your prayer movements that are trying to twist my arm. I want you to get involved in your society, but be involved how I show you. Spread my love. Touch people's lives. Impact them with the power of the Kingdom, and you'll see change.

This is an exciting time, Australia. Work with me, not against me. Because, if you don't work with me, you are actually working against me – you know that. All your good intentions, all your good ideas work against me, unless they come from me and you are working with me.

Join my team, join the move. Flow with my Spirit and see this nation change.”

Message #2

“Have you thought about the things that are in those messages? They are serious, serious in the fact that they are impacting.

If you just focus on being a Christian and not on what I'm doing in your nation, you will miss my move. Yes, things are on the move. Things are rolling along as I planned them, and I need you to join me. Don't sit back in the comfort of your lounge and contemplate your church activities and your involvement there. Don't sit in your 'worry chair' and concern yourself with the way the nation is heading. Instead, stand up

and join me in my move in this great nation. You'll need to hear from me. You'll need to talk with me and allow me to communicate with you constantly, because it's imperative that you move and do and say what I want you to say when the message comes.

It's not good enough to go to church on Sunday and to pray for your nation. Being in my Kingdom is about being a son, in spiritual communication with me through my Spirit. You must get that.

Join my team. Stand up and commit yourself. I'm waiting.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
