

The Expansion of the Kingdom Today

The messianic reference in Isaiah indicates that the Kingdom of Messiah (our King) will increase:

Isaiah 9:6-7 (AMP) – *For to us a Child shall be born, to us a Son shall be given; and the government shall be upon His shoulder, and His name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. There shall be no end to the increase of His government and of peace, [He shall rule] on the throne of David and over his kingdom, to establish it and to uphold it with justice and righteousness from that time forward and forevermore. The zeal of the LORD of hosts will accomplish this.*

The interpretation of the vision in Daniel¹ states that the Kingdom is the stone taken from the mountain of God. It was to rise during the time of the listed kingdoms, the last of which was the Roman empire. This is exactly when Jesus came to reinstate his Kingdom on Earth.

His Kingdom was meant to expand, but the established church turned it into a religion and the advancement basically diminished to a trickle in the 2,000 since its inauguration.

It's now on Heaven's agenda for that advancement to take up its potential and achieve its objectives through Father's sons.
