

A Starting Point for Your Kingdom Life

We often start our Kingdom journey from our Christian background and it's mindset.

BIG MISTAKE!

We get excited about the Kingdom expanding over the whole Earth,¹ so we 'dive in' and begin to make changes everywhere.

BIG MISTAKE!

“Those who co-work with the Lord in advancing his Kingdom must first experience and enjoy it in their own lives. To put it another way, if the gospel of the Kingdom isn't transforming you, how can you expect it to transform anyone else?”²

You see, the Kingdom expansion is about Heaven transforming the planet (terra-forming in) by first changing the people in it. You must be transformed by the Internal Kingdom³ in you so you can properly impact the world.
