

# A New Era in the Kingdom?

(Prophetic message 21-11-2018)

**Question:** *Lord, you have been teaching us and training us to do things differently. Are we entering into a new era<sup>1</sup> in the Kingdom?*

## Message #1

“This new season is not really new. This is a season I have been planning since before time began. I have always been in control. I have always been ordering things in this world behind the scenes. You have been unaware of what’s been going on; you’ve been living your lives and you’ve been focused on this and that, circumstances; you’re focused on politics, you’re focused on warfare, you’re focused on employment and income, and all the various issues of life. But behind that, I have been working, I have been working with my people, those who have committed themselves to me, submitted themselves to my will. I have been training them, I have been developing them, I have been instructing them and growing them and maturing them, ready for this new phase of my plan.

Yes, you have missed it – it has been hidden from you. You haven’t positioned yourself to want to move ahead with me. But now I alert you to the fact that I am moving forward. I am pacing, I have moved to a faster stride in the affairs of Earth, in the affairs of my Kingdom on the Earth. Align yourself with me and become part of what I am doing, otherwise I will leave you behind. It’s your choice. I have given you free will, autonomy, and as a follower of me, it’s your choice whether you actually follow me, step by step in partnership with me, or whether it’s just a token statement that you’re a “follower of Jesus”.

I am the King of Kings. I am the Lord of Lords. All authority in Heaven and on Earth, in the whole universe, has been given to me by Father. Don’t you understand this? If I am who I say I am, why is there not total commitment to me and my will? It is totally illogical. With your mouth you say, “I serve the Lord”, but with your heart and your actions and your speech, you serve yourself, you serve other interests.

In this phase we are moving into, that the Forerunners have been prepared for, have been experiencing and being trained for, I am looking for those who are in my Kingdom army, who are prepared to give up everything.

This will be a dangerous time, but it will be an exciting, glorious time for my people. Put aside all the issues of life. Volunteer. Stand in the ranks of those who are moving forward. And yet I know, like Gideon and the army that he was asked to prepare, to do miraculous battle for me, only a small percentage were ready. Steel yourselves, strengthen yourselves. Move into a place where you are positioned to join this band of forerunners, this band of advance guard who are moving forward.

If it takes time for you to join [in], think about what I’ve been saying. Weigh up the costs, and sometime down the track, join us – we are moving forward, we are not looking back, we are not looking at opposition, we are focused – me and my team, a ‘band of brothers’. Join us.

There will be opposition to what we will be doing, because those who have not had the revelation and the inspiration and the understanding of where we’re heading will object because it will take them out of their comfort zone, it will not fit their religious mold. But I, the King, who demonstrated to you what life on Earth for Spirit-filled sons are to be like, I demonstrated it. When I was Jesus of Nazareth, I showed you what it means to be a fully Spirit-filled, Heaven-powered human being on the Earth. Can’t you see that? Is it hidden from your eyes? Yes, I believe it is hidden. The shades are drawn over those who cannot see. They walk in a cloud, in a fog, not knowing where they’re going – they have their own directions, but the directions aren’t mine.

See to it that you align with me. Line up with my plans. Line up with my heart and my will. It will take a complete surrender to do that, and you need to get to the point where this is so for you.

My glorious Church, my Body, is maturing. Oh, it’s taken such a long time to get here, but I’m excited about where we’re going and what we will be doing. This is it, we are moving ahead into the sphere of operation that was always the right and the privilege of the Sons of the Most High God. There will be glorious times. My glory will be displayed in my people, those who follow me. They will oppose darkness; they will defeat darkness. They will impact this world even to a greater level than the first church did. They will be mistreated, they will be persecuted, they will be opposed, from the left and the right, from front and

behind. But, they will be determined because I will empower them, and their hearts are my heart, and their only desire is to see my will done and to please me, not themselves.

So the invitation is there. Join me in where I am going. Gideon went with a handful of soldiers, thinking that they were going to enter into normal warfare. But I gave them instructions which were strange, and they did what I did because I gave them the plans, and they completely routed the enemy, just a handful against a mighty army. It was miraculous because I did it, and this is what my people will be like in the coming times. I will work through them, and great and mighty deeds will be done. What seems insurmountable will be easily achieved and passed over, to move onto new territory, new assignments, new tasks.

I call you, Australia, join me. Forsake yourselves. Live your lives, but live it for me. Allow me to live it through you. Join my team. This is a cohort of mighty warriors, but they will not be warriors who think they are warriors. They will be humble, committed sons and daughters who I will work through, and they will be mighty warriors.”

“Are you learning to totally rely on me? I have been calling you to do this for quite some time. I have guaranteed to supply all your needs, but you have been focusing on your financial needs and your health needs and your employment needs and your bills. I am here to meet all your needs, to supply them for you, in every area of your life.

Think about it. In my Kingdom, two of the key characteristics are peace and rest – genuine peace and rest, not concocted ones. Peace and rest will ultimately come when you are satisfied with your life, in every area of it. When you are content, not happy, but when you are content with the way things are, you will enter more deeply into rest and peace.

Don't just quote that I am “the Prince of Peace”, learn peace. The key is for me to supply all your needs so that you can rest and be at peace. You are a new species, but you are still a human being. You need your human and your spiritual needs met. When these are all met, you are content, and you can move easily into rest and peace.

I have guaranteed to meet all your needs if you seek my Kingdom first and foremost, and if you desire to walk in righteousness. So I can very easily meet all your needs: emotional, mental, physical, spiritual, financial, relational, health and love needs. Draw those from me. Get close to me. Draw from me. It will take time as you have been already trained by life to draw from other people, from things and from money. Learn to draw from me.

As we move into this new era of the Kingdom, the way the Kingdom is operating on the face of the Earth, you will need to be at rest and be at peace. I will not be able to work through you to the full capacity that I want to without that. Peace and rest are vital. Why? Because there will be turmoil and extreme opposition for where I am taking you. You will not be able to cope with this resiliently unless I am everything to you.

While ever you chase after your needs elsewhere in life, you will be distracted from the task at hand. You will not be able to move forward with me and my plans because you will default to the way you normally meet your needs, which means you will chase after things and you will not be focused on me.

This new season that we're in, a long-term season, will crescendo to something that is bigger and bigger and bigger. [But unless]<sup>2</sup> you can learn to totally trust me, rely on me, align with me and enter into my peace and my rest, you will find that where I am taking you will be all too hard.

So I lay that down before you ‘on the table’. You need to pick it up and move with it.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia
