

Not Just Another Faith System

I teach what I've been given from revelation and downloads. That means it shouldn't be minimised or explained away. Neither should it be said that I set the 'bar' too high – Heaven always defines the standard.

So, don't get comfortable. There's still a great deal in our understanding that needs reprogramming and there's 'tons' that we don't know about life in the Kingdom.

Here's a 'hard' message to help the process of reprogramming our thinking. It concerns the season in the Kingdom timeline on Earth that we are moving into. This part of the processes of the restoration of the Kingdom of God on Earth which was basically lost some 2,000 years ago right after it was introduced by Jesus.

The background is this: Since our release from the bondage of Catholicism and Orthodoxy with the Protestant Reformation, many normal features of the Kingdom have been reinstated as we became ready. These include the following.

- The imperative of knowing what God has to say, not men.
- The centrality of living in the presence of God.
- Life in the Spirit.
- The empowerment of the Spirit.
- The gifts of the Spirit.
- All the ascension gifts – Apostles, prophets, teachers, pastors & evangelists.
- The good news (gospel) of the Kingdom of God.
- Loving, intimate relationships with the Trinity.
- The Bridal paradigm.
- The bonding of loving, like-minded believers into family – The true ekklesia (Kingdom communities, house churches, micro churches, hubs & outposts)
- The community of saints as an organism (Body) rather than an organisation.

The remainder of this document announces this new Kingdom period and consists of an initial revelation which I received, and corroborated by additional revelations, including revelations given to others.

Graham Cooke wrote this statement:

“In our spiritual journey, there is a point where we move from faith to knowledge. I no longer believe that Jesus Christ is Lord; I know that Jesus Christ is Lord. At that time, we don't have to try any more. We just know that Jesus is Lord”¹

This understanding is fine – up to a point. It fails at the point where we cease being a believer (i.e. a Christian) and we start learning to be a Kingdom son with all its responsibilities and privileges. Knowing isn't enough because that may not last when the pressure is on. Why? Here's the answer I received:

Revelation #1

(I received the following download as a series of points on 10-11-2018)

If you are a follower of Jesus because you've chosen to, or because you believe in him, or you believe he was an historic person, or you have accepted his sacrifice because you want your sins forgiven, then basically you are no different to any other faith/religion. Sure you adhere to Jesus instead of some other would-be god,

1 – Graham Cooke (2015) “Living in Dependency & Wonder” Brilliant Booke House [e-book] p:38

but your reason for believing is no different - it's been your choice.

But, in reality, Heaven, the Kingdom and the spirit realm should be realities to you and essential components of your life. You interact with these constantly, not on an occasional basis. Your life, like Jesus', consists of: relating to Father; living in the Kingdom; and being about his business as you go one daily assignments. Spiritual communication with the Trinity should be commonplace like human conversation, not something that happens every so often, rarely or never.

We are either in the Kingdom of Heaven here on Earth, or we are only believing it because it's our current theological understanding. To move from faith and knowledge into reality you need to have been touched by the King and changed so radically that you are not the same person. It must not have been an emotional conversion and a knowledge journey that you've been on. It has to be concrete.

You must know you are a new species beyond a shadow of a doubt because you operate and live as such. This reality should not be head knowledge which you believe but don't experience. True, we do have knowledge, but life in the Kingdom is experiential knowledge.

Our busyness, our health issues and our problems can so absorb our thoughts that the Kingdom is only what we think about in the time we set aside each day to meditate on it or only when we meet on Sunday. Human life should continue, but it must not engulf Kingdom life. Professional Christians, missionaries and those with a Christian occupation will find their Kingdom life swallowed up by their daily activities. Even our good works can overshadow who we are and cause us to live as a nice person, one that the world likes.

You see, when we really and truly come into the Kingdom that Jesus instigated, we're not in any religion. Instead, we live in reality and by trust, not Christian faith. Sure, faith has a part to play, but our experiences of interacting with heaven, angels, etc., leads us to trust the one who is our 'Head'. There's no second-guessing that we are where we think we are - we know it without a shadow of a doubt. In times of trouble, uncertainty will be less of a problem because our experience will be that we know who we trust because we have a real relationship with him and he's shown himself to be fully trustworthy.

We need to prepare for what we have been warned is coming. The most important preparation we can make is to become genuine. Yes, genuine. Jesus never came to start a religion, but to return us to where Adam was before The Fall. So while we're in religion, we're not genuine.

When the rubber hits the road we must know, that we know, that we know, that we are living as Father's sons. If not, we will be tossed around by our thoughts, distracted by other people's ideas and even enamoured by other religions.

Persecution will sort us all out.

Christian apologetics will be ineffectual in the big scheme of things from now on. Compare the following quote with what Christian theological ideas are like in defining faith:

“In the Islamic tradition, the case for God’s existence is solid in terms of its rational foundations as well as the purpose, meaning, comfort, and guidance that it gives to our lives. The Quran inspires conviction by appealing to the aspects of the inner life of human beings, namely, to the heart and the mind. Intuition and experience work in tandem with logic and reason to arrive at a state of certainty in faith.”²

Even compelling people using the argument that Jesus is the only way to God³ will have very little power of persuasion. Demonstrating the Kingdom as Jesus did will be the norm.⁴

Revelation #2

(I received the following as a download of points on 10-11-2018)

"One of the Kingdom's purposes is to give the people of Earth a taste of what Heaven's benefits are like."⁵

Revelation #3

(This was received by a member of CCOP's Prophetic Council on 15-11-2018)

After viewing of an audio-visual item they were shown by the Spirit to watch, the following was communicated to them as they mediated on what they had seen:⁶

"What's wrong with my children? Why aren't they looking to copy my Son [Jesus]? I have provided everything for them. There is nothing more they need to do what he did."⁷

Revelation #4

(CCOP Prophetic Message of 21-11-2018)

"This 'new season' is not really new. This is a season I have been planning since before time began. I have always been in control. I have always been ordering things in this world behind the scenes. You have been unaware of what's been going on; you've been living your lives and you've been focused on this and that, circumstances; you're focused on politics, you're focused on warfare, you're focused on employment and income, and all the various issues of life. But behind that, I have been working, I have been working with my people, those who have committed themselves to me, submitted themselves to my will. I have been training them, I have been developing them, I have been instructing them and growing them and maturing them, ready for this new phase of my plan.

Yes, you have missed it - it has been hidden from you. You haven't positioned yourself to want to move ahead with me. But now I alert you to the fact that I am moving forward. I am pacing, I have moved to a faster stride in the affairs of Earth, in the affairs of my Kingdom on the Earth. Align yourself with me and become part of what I am doing, otherwise I will leave you behind. It's your choice. I have given you free will, autonomy, and as a follower of me, it's your choice whether you actually follow me, step by step in partnership with me, or whether it's just a token statement that you're a "follower of Jesus".

I am the King of Kings. I am the Lord of Lords. All authority in Heaven and on Earth, in the whole universe, has been given to me by Father. Don't you understand this? If I am who I say I am, why is there not total commitment to me and my will? It is totally illogical. With your mouth you say, "I serve the Lord", but with your heart and your actions and your speech, you serve yourself, you serve other interests.

In this phase we are moving into, that the Forerunners have been prepared for, have been experiencing and being trained for, I am looking for those who are in my Kingdom army, who are prepared to give up everything.

This will be a dangerous time, but it will be an exciting, glorious time for my people. Put aside all the issues of life. Volunteer. Stand in the ranks of those who are moving forward. And yet I know, like Gideon and the army that he was asked to prepare, to do miraculous battle for me, only a small percentage were ready. Steel yourselves, strengthen yourselves. Move into a place where you are positioned to join this band of forerunners, this band of advance guard who are moving forward.

If it takes time for you to join [in], think about what I've been saying. Weigh up the costs, and sometime

down the track, join us - we are moving forward, we are not looking back, we are not looking at opposition, we are focused - me and my team, a 'band of brothers'. Join us.

There will be opposition to what we will be doing, because those who have not had the revelation and the inspiration and the understanding of where we're heading will object because it will take them out of their comfort zone, it will not fit their religious mold. But I, the King, who demonstrated to you what life on Earth for Spirit-filled sons are to be like, I demonstrated it. When I was Jesus of Nazareth, I showed you what it means to be a fully Spirit-filled, Heaven-powered human being on the Earth. Can't you see that? Is it hidden from your eyes? Yes, I believe it is hidden. The shades are drawn over those who cannot see. They walk in a cloud, in a fog, not knowing where they're going - they have their own directions, but the directions aren't Mine.

See to it that you align with me. Line up with my plans. Line up with my heart and my will. It will take a complete surrender to do that, and you need to get to the point where this is so for you.

My glorious Church, my Body, is maturing. Oh, it's taken such a long time to get here, but I'm excited about where we're going and what we will be doing. This is it, we are moving ahead into the sphere of operation that was always the right and the privilege of the Sons of the Most High God. There will be glorious times. My glory will be displayed in my people, those who follow me. They will oppose darkness; they will defeat darkness. They will impact this world even to a greater level than the first church did. They will be mistreated, they will be persecuted, they will be opposed, from the left and the right, from front and behind. But, they will be determined because I will empower them, and their hearts are my heart, and their only desire is to see my will done and to please me, not themselves.

So the invitation is there. Join me in where I am going. Gideon went with a handful of soldiers, thinking that they were going to enter into normal warfare. But I gave them instructions which were strange, and they did what I did because I gave them the plans, and they completely routed the enemy, just a handful against a mighty army. It was miraculous because I did it, and this is what my people will be like in the coming times. I will work through them, and great and mighty deeds will be done. What seems insurmountable will be easily achieved and passed over, to move onto new territory, new assignments, new tasks.

I call you, Australia, join me. Forsake yourselves. Live your lives, but live it for me. Allow me to live it through you. Join my team. This is a cohort of mighty warriors, but they will not be warriors who think they are warriors. They will be humble, committed sons and daughters who I will work through, and they will be mighty warriors."⁸

The new season of the Kingdom manifesting in the world is powered by the Internal Kingdom, not powered by people's desire and energy. Anything that originates outside of the Kingdom is works of the flesh, even good works. Counterfeits come from the mind and the soul, so absolute submission to the Kingdom within us is vital.

Revelation #5

(A segment of CCOP Prophetic Message for 19-10-2018)

"Cease your striving to do things for me. The Kingdom will manifest through you as I manifest in you. This is the internal Kingdom.⁹ See to it that the internal Kingdom grows and develops and becomes the powerhouse for each of you. You will not be able to impact this nation fully, you will not be able to have an impact on culture to the extent that you want, until you develop that internal Kingdom as the source of your Kingdom life.

9 – See "Understanding the Internal Kingdom"

canberraforerunners.org/wp-content/uploads/2018/10/Understanding-the-Internal-Kingdom.pdf

It's not really a big task for you to do, but it will be difficult because you have been doing things for me, instead of me doing things through you.

Take heart, all is not lost! Everything you have done has not been a failure or wasted. It has been part of your growth and development. So focus now on me, and the internal Kingdom will begin to manifest itself as you surrender and as you allow me to transform you.¹⁰ Like a butterfly that must come through the pain and difficulty of exiting a chrysalis, you must go through that pain of the destruction of 'self', so that the internal Kingdom can be strong in you.

Start today. Don't dilly-dally. Don't waste time. The sooner you start on your internal Kingdom, the sooner you will be making strides ahead to impact your sphere of influence and your nation."¹¹

Are you wondering what this new season will look like? Well, it mirrors the works of Jesus in the Gospels and the accomplishments of the apostles recorded in the Book of Acts. It will go way beyond the gifts of the Spirit because Jesus the man is our prototype – the first of many.<sup>12</sup> Forerunners (pioneers of this change) have been schooled in many things relating to partnering with Heaven and what they have been trained in is quite mind-boggling. Check out this next revelation from Justin Abraham, one of those forerunners.

(**Note:** What he describes in 2012 has been confirmed by the experiences of many others since then.<sup>13</sup>)

Revelation #7

(Received by 'J' a CCOP Prophetic Council member on 10-6-2018)

"Go deeper so that you can go higher. Dig deeper and discover the hidden treasures in My presence. For they will be unveiled to you the mysteries revealed that have been hidden. The secret things will be uncovered as you spend time with Me in the secret place where you will not only find Me and hear My voice, feel My breath upon you, hear my heartbeat, but this is where you will receive the hidden treasures. This is the place of revelation. This is the place of wisdom and this is the place where you will uncover the hidden treasures that have been held in reserve for you for your discovery. For only as you partake of the depths of My Spirit will you ascend into the measureless heights of My glory. Stay confident in Me, for I am dependable."¹⁴

## **Revelation #8**

*(Received by 'J' a CCOP Prophetic Council member on 29-5-2018)*

"God has created everyone with an instinct of success and ability to make it, but only the ones who think outside the box succeed. Big ideas come from forward-thinking people who challenge the normal. Think outside the box and invent the world they see inside, rather than submitting to the limitations of current dilemmas. The limits of the possible can only be defined by going beyond them into the impossible."<sup>15</sup>

## **Revelation #9**

*(Received by 'J' a CCOP Prophetic Council member on 21-11-2017)*

"I am bringing a river of My creative glory into the Earth to reshape and change the domain of darkness and bring it into compliance with My Kingdom. You are a participator with Heaven and glory this day. Call forth according to what I have shown you for the sky isn't falling, the Kingdom is coming.

This is your authority. You are My ambassador. You are a compliance officer of Heaven come to Earth. Call for the compliance of Heaven to come to Earth. Implement by your words the template of Heaven come to Earth. Let your mouth pray. Let your words be stout with the boldness of one who knows Me. You KNOW Me. You know what I have done and you know what I am doing. You know what I am going to do, so GO AHEAD and praise Me. Go ahead and rejoice for all the Earth will rejoice by the time I am through. Be a participator in My throne this day and release (bring) Heaven to Earth in your words!"<sup>16</sup>

## **Revelation #10**

*(Received by 'J' a CCOP Prophetic Council member on 10-9-2017)*

"When you seek the Kingdom, beloved - the kingdom is seeking you. If you want something different you must do something different. My voice is speaking to you every moment of every day. Say out loud "I am ready for change - I am willing to change".

Grow in wisdom and stature in My kingdom. As you grow in wisdom and as you grow in spiritual stature before Me, even natural laws will not contain you. You will become a water walker. Even laws of matter will become irrelevant to you. Bread will multiply in your hands. Death will flee at your word - even My word in your mouth. Storms will obey you, for they are ruled at present by a lesser power than what dwells on the inside of you by My Spirit. Accept your union and communion with Me as a reality. Be one in My Spirit and walk in union with Me and no wall will contain you. No power on Earth will stand against you. Not because of who you are, but who I am on the inside of you.

Speak and release My Kingdom into your life, into your circumstances, into your situations. Speak and release Heaven in every area of your life so provision will come and find you. That is My response to your voice that is declared on Earth."<sup>17</sup>

## **Revelation #11**

*(Received by 'J' a CCOP Prophetic Council member on 2-7-2017)*

"Because I have declared over you, therefore, you have authority to declare over the Earth. Declare!! Decree the decree of Heaven over your life and the lives of others. Proclaim audaciously. Decree lavishly with expectation and knowing that surely the thing you say will come to pass and be made manifest. Declare the

declaration of Heaven, for in you, Heaven has come to Earth. You are not looking for a portal, you are the portal of Heaven."<sup>18</sup>

## **Revelation #12**

(Received by 'J' a CCOP Prophetic Council member on 13-6-2017)

"I am no longer willing in the Earth to see My people live below their privilege or their station in life. I am the KING of kings. That makes you a king. As you bow before Me and declare, "Thy kingdom come", so I authorise you to establish your own jurisdiction and rule and reign NOW over what I have placed under your hand. Take your territory beloved. Reject the anaemic, watered-down, weak theology of defeat and powerlessness. All such thinking and teaching arises from a prayer-less and faithless heart. Be not prayer-less, neither be faithless, for I am working with you both to will and to do My good pleasure. It is a new day and you can walk into, it even now, as you align yourself with Me in full measure."<sup>19</sup>

This advance in our abilities which Heaven empowers is part of Father's move towards the restoration of all things. Stirring in our spirit has been the understanding that we are to partner with Heaven to help bring about this repair. It will be culminated with "the return of the King", but it will not all be done at that time. This is because the sons of God were put in charge of this planet and that hasn't been changed. Over time, under the Lord's oversight, we will work for him to drive back the Kingdom of Darkness and reinstate the beauty of creation. This is what's ahead for us.

## **Revelation #13**

(Rhema I received back in 1983 for my family)

"Those from among you shall build the old waste places; you shall raise up the foundations of many generations; and you shall be called the Repairer of the Breach, the Restorer of Streets to Dwell In."<sup>20</sup>

## **Confirmed**

For a long time we have known that we would do greater works than Jesus did<sup>21</sup> and desired to be part of that demonstration of the Kingdom. What is written in scripture has been confirmed by the revelations I have shared – it has now becomes *rhema* to us.

Check out this video which outlines this understanding from a biblical perspective with spiritual insight:

development. Now we have permission to be part of what we've been waiting for. Now the Manifest Sons of God movement<sup>24</sup> is justified. Now, those who taught that our responsibility is to impact society (e.g. Lance Walnau<sup>25</sup> & Os Hillman<sup>26</sup>) are justified. Now, those who understand that we have a part in the restoration of all things are vindicated.

## **The Implication**

We are in a new season of the Kingdom which could be seen as a new era. This development requires us to participate with Heaven, not desire to go there when we die. During this time many will be trained to manifest Heaven on the face of the Earth as sons of God. As we do this we will display the glory that's in us for our King's honour. It is this change in our ability to manifest the Kingdom that will highlight magnificently and undeniably the difference between religion and what it means to be a follower of King Jesus as was correctly intended.

True, there will be a counterfeit of the enemy, but we must walk in faith as only faith-walkers inherit the Kingdom on Earth, here and now.

The call to be part of this move will be a gentle invitation, not a demand. This is a volunteer group that Father is looking for. He will find those with a heart's desire to 'walk on water' and who are unafraid of any opposition.

If you wish to go down this path which pioneers (forerunners) have already blazed, then all you have to do is position yourself to join in and then say, "Yes" to anything the Spirit asks you to do, say or go.

Laurence
