

# Everything Should Flow From Our Internal Kingdom

The importance of the Internal Kingdom:

1. Spiritual authority is exercised through our Internal Kingdom – We allow his authority to be used when he tells us it's right to use it.
2. The Internal Kingdom produces righteous living – We allow the King to lead us on the inside rather than sticking to rules and regulations, or 'doing our own thing'.
3. This is the reason his laws are written on our hearts – It's a metaphor for the King living in us and causing us to manifest his righteousness as we submit to him.
4. How we speak and what we talk about indicates the state of our Internal Kingdom.

So, the important question to ask yourself is this: "Is the King totally ruling and reigning in me as a son?"
