

Is it Important to Celebrate Christmas?

(Prophetic message 19-12-2018)

Question: *Lord, is it important for us to celebrate Christmas?*

Message

“That’s a great question. It goes back to another question. Why did I come? Why did Father send me to Earth in the form of Jesus of Nazareth? If you can answer that question, you can rightly understand whether it’s important to celebrate Christmas, or, if I consider it important.

Most of you will say that I came to save you from the sins and to take you to Heaven. This is far from the truth. I came for restoration. I came to reverse the effects of ‘The Fall’. I came to re-initiate, as it were, Father’s original plan for creation. This is the way things were at the beginning, with Adam and his wife, Eve (who was his Ezer), in the garden near Eden. This is the epitome of creation. ‘The Fall’ has destroyed everything, and it’s humanity’s fault. We put humanity in charge of this planet – and actually in charge of the universe, not just this planet – and through self-ignorance, they gave it away. The penalty for that was that the original creation in its purity could no longer house the world and people. So I came to cancel the effects of ‘The Fall’ by destroying the works of the enemy, and empowering the sons of God to take their rightful place, and filling them with the Spirit of the Living God, they are where Adam and Eve were originally.

We do not have a Plan B, only a Plan A – THE plan. So what should you be celebrating? You should be celebrating the fact that ‘The Fall’ has been reversed, and that you are adopted back into Father’s family where Adam was, with full power and authority. This is worth celebrating. It is not wrong to celebrate this because this is our plan for you. So celebrate the fact that you are in our family again, and that you are part of the team who will be working to restore creation back to where it was, because I left humanity in charge. We will work through humanity to see everything reversed. True, I will have my final input at the very end, but I say to you, "Rejoice", because you are part of my restoration team.

This is exciting. This is worth celebrating. This is worth being part of.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia
