

Living Out Of Woundedness

(Prophetic message 4-2-2019)

Last month when we asked the King, ‘Lord, you told us about the restoration of families, but won’t that involve the restoration of genuine masculinity and femininity?’¹ there was the sense that there would be a second message to go with the first. This came a few weeks later, and it is recorded below. Please link the content of this message with the original message.

“As I have already outlined in the past, nations will not be brought into alignment with me until families are in alignment with me. Families can’t come into alignment until husbands and wives operate as genuine men and women, according to Kingdom principles. These are the principles I set in place when I created humanity. These have been lost. Genuine masculinity and femininity, when they are exhibited and allowed to be exhibited, produce union between husbands and wives that has not been seen for a long time.

You see, both men and women have decided in their hearts, and because of the training of their culture, that they should operate, respond, relate in certain ways. Even the church system teaches ways for husbands and wives to interact. But the key for the success of marriage is for husbands and wives to relate and operate in the way they were created. That means masculinity and femininity needs to be restored.

The problem has been – and it’s quite evident – that both husbands and wives operate out of self and out of woundedness. Now, if families are to be restored, they need to be restored in my people first, and while ever my people operate out of self and out of woundedness, both of which are diametrically opposed to my Kingdom, there can be no restoration of families. Families cannot thrive while ever self and woundedness are the driving force.

Husbands must learn to operate in genuine masculinity, wives must learn to operate in genuine femininity, and of course, these need to be learnt from me because I am the Creator. Presently, husbands and wives relate to each other and interact out of a desire to have their needs met and ‘self’. They mightn’t admit it (but this is patently obvious), it’s a destroying force. My people need to get rid of ‘self’, and I don’t mean just selfishness, I mean self-orientation. While ever husbands and wives operate while thinking of themselves all the time and evaluate relationships and situations according to their desires and ‘self’, no progress can be made, because both the husband and the wife will operate in different directions.²

Remember that I taught my Kingdom is about selflessness. It’s about yielding to the other person rather than yourself. It’s about deferring to others, giving up your life for others. Self has no place in my Kingdom. Woundedness from past hurts, right back to childhood, is causing my people to react in relationships rather than responding. The soul, which is triggered by wounds, causes husbands and wives to skip operating in the spirit, so they operate out of their soul and their mind and their flesh.

My people, get yourself healed, and I mean totally healed of your woundedness, so that you can cease operating out of woundedness and hurts. My Kingdom cannot advance while my people operate this way. Self and woundedness are all features of the enemy’s kingdom, not mine. So if Kingdom citizens want to have genuine Kingdom families, then the husband and the wife need to clean themselves up with my internal work, to be healed of their wounds, their past hurts, to be retrained not to focus on self.

I cannot restore genuine masculinity and femininity if partners in a marriage will not allow their spouse to operate as I want them. Here again, self and hurts produce barriers and arguments and conflict. This must not continue. My desire is for the restoration of men, women, families and nations, but it must be on my terms. In my Kingdom, everything must submit to my terms, my plans and my principles. Anything outside of that does not belong in my Kingdom and will not prosper.

Be advised, the era that we are in at the moment requires my people to align with my Kingdom. The time for religion and the time of self-works is over. I am blessing those who operate in alignment with my

2 – This is in reference to marriages where both spouses are genuine disciples of Jesus. It is there that our King is wanting to see the synergy happen from the husband and wife being emotionally healed and operating as a team in partnership with him. This message is also important for married couples with a non-Christian spouse where there could be imbalance. Even there, his injunction is to get healed up so the marriage can work better. [LDS]

Kingdom. It's simple, align yourself with me and learn to operate with me.

Surrender to me and have me change you from the inside out so that you are healed of your wounds and refocus on operating out of the Spirit rather than yourself, and you will see things change. I know it's a hard ask, but this is the only way.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia
