

Don't Reject Sound Teaching

Ignorance & Apathy Will Destroy Liberty

The same in the Kingdom. There it's in proportion to one's desire for sound teaching rather than wanting teaching that makes you feel good

2 Timothy 4:3

Rebuke, correct, and encourage with great patience and teaching. For the time will come when people will not tolerate sound teaching and accurate instruction which challenges them and causes them to mature spiritually. But according to their own desires, they will listen to many other teachers because they have an itch to hear what they want to hear.
