

Anarchy By Stealth

(Prophetic message 24-6-2019)

Question: *Lord, you have given us the phrase, “anarchy by stealth”¹. What is it that we need to know about this topic?*

Message

“Haven’t you been observing what’s going on around you in this nation and the nations of the Western Civilization? The anarchists have been working for centuries to bring down civilization and bring in chaos. They tried many ways. They tried to destroy civilization in the French Revolution and in the Bolshevik Revolution, but because of my people spread throughout the world, they have not been able to succeed. They made inroads. They built edifices to replace genuine leadership and oversight, to free the people, but those things that they built became an edifice that crushed the people just as much.

Be warned. The enemy is looking to destroy civilization that prospers and that has my blessing. Chaos is his main catch-cry, and this is what he’s doing, but he’s doing it surreptitiously, covertly, so that people don’t know. He tried doing it openly in the past, and my people, many in the west, objected to it and resisted it, and [they]² became havens to reproduce freedom. But he is working, your enemy. He is working to bring that chaos to your nation. Anarchy³ is not just chaos.⁴ It doesn’t raise its head as chaos. It appeals to the fallen nature as freedom, as throwing off the shackles that bind people.

You only need to take a look at the women’s movement at the moment, how it was purported to be throwing off the shackles of male oppression, wife-beating and the like. But look at it now. It’s about hating everything masculine. Watch it. It will get worse. Socialism is no different. Socialism, like the Fabian Society⁵, is ‘a wolf in sheep’s clothing’⁶. Socialism is the stealth way that Communism is overtaking and infiltrating the West because it’s failed doing it overtly, and sensible nations in the West saw it for what it was and didn’t give into it. So now, socialism is bringing communism, another form of anarchy, into all the nations of the West under cover. The people are blind to what is happening.

Now, I told you that anarchy is coming in by stealth. What do you need to do? May I remind you that the most important thing is to align with me as a nation. That means my people need to align with me in their thoughts, their actions, their speech and their progress, so that the nation moves along with me. I warn you, if you remain complacent, if you remain cut off from society, and do not impact society by your very presence and by speaking up for righteousness in the ways that **I show you**⁷, anarchy will take over.

Australia, you will become subject to a system birthed from anarchy that will bring bondage to you, instead of the liberty that I have for you in the Kingdom. Hear me well and hear me good. It’s up to you, my people, to lead the charge against anarchy, against those things that are covertly coming in to destroy. So, speak against those surreptitious things that are presented as beneficial, but the end of which is destruction, because anarchy will take over [if you don’t]⁸.

Now, I need to remind you that because the church has taken on the features of society, just as families have, anarchy is sneaking in to both those areas that are precious to me. Anarchy’s prime motivation is the removal of all leadership and oversight. The pretence is to bring freedom and liberty, but as you’ve seen from history, it doesn’t. For the Christian church and Christian families to survive, genuine leadership and oversight must be in place: Not only in place, but those who are overseen must honour, esteem and not work against the leaders, the heads of families, the oversight of the *ekklesia*.

1 – ‘Out of the blue’, this phrase was dropped into the spirit of one of our team members. It made no sense in their current circumstances. [LDS]

2 – Added to make the sentence more readable [LDS]

3 – “Anarchism is an anti-authoritarian political philosophy that rejects hierarchies deemed unjust and advocates their replacement with self-managed, self-governed societies based on voluntary, cooperative institutions. ...Anarchism's central disagreement with other ideologies is that it holds the state to be undesirable, unnecessary, and harmful.” en.wikipedia.org/wiki/Anarchism

4 – Read en.wikipedia.org/wiki/Anarchism

5 – See en.wikipedia.org/wiki/Fabian_Society

6 – See en.wikipedia.org/wiki/Fabian_Society#/media/File:Fabian_Society_coat_of_arms.svg

7 – This qualification was emphasised in the message as it was being received. [LDS]

8 – Added to give the intent of the sentence [LDS]

Chaos and fear are tools of the enemy, and so is rebellion against authorized leadership in the church and in the family. Rebellion is a tool of the enemy. See to it that in your heart there is no form of rebellion, even seeds of rebellion, because the anarchy that is coming in by stealth is designed to destroy families, my *ekklesia* and this nation.

You have been warned. You must stand against this anarchy. To find out more in your own personal situations, you need to consult with me so I can illuminate you to where anarchy is hidden in the ways you think, speak and operate.

My heart is for Australia, but I have set you in charge. Humanity was given dominion over the planet, and those who are 'born from above' and come into my Kingdom have been returned to the place of oversight of nations and Earth.

Rise up and take your place. Resist anarchy in all its forms. Australia is relying on you.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
