

# More on this Current Time in the Kingdom

(May 2019)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM NOTES

### CCOP

(extract from prophetic word on the 19-5-2019)

*“Haven’t I been saying this for a long time, that everything is in your hands.<sup>2</sup> You’ve been placed in Australia through your ancestors and through my work in your predecessors and in your lives, to impact this nation. That is an understanding that you must get down, right into your foundations, so it comes from your grass-roots and becomes your mindset.*

*What do I mean? I mean you are here to impact society. Now, that’s a mega-change from what you’ve heard in the past, from teachers and from preachers. But this is the reality of the Kingdom. I came as a man, and brought the Kingdom of Heaven back to Earth where it was originally. It was in the garden near Eden, where Adam and his wife (Ezer<sup>3</sup>), were placed, but it was lost. My task in coming to Earth as a man was to reclaim what was lost, and to provide all the benefits that come from that – and that includes restoring humanity to its rightful place. Read it for yourself!<sup>4</sup> Humanity was placed on planet Earth for the purposes of overseeing it, for governing it, and that was in close community and connection with us. You could class humanity as ‘vice-regents’.*

*Now, when I brought the Kingdom back and defeated the enemy and took back the right to rule the Earth so that I became known as the King of Kings and Lord of Lords, I delegated that authority to those who believe genuinely in me. I have regenerated your spirit, through the Holy Spirit, and that’s the wonderful process that you need to connect with and move forward with. You see, it’s not about religion: Doing what man thinks will please me and honour me and serve me. No! It’s being part of our family and being about the family’s business. This is why many talk about bringing Heaven to Earth. Well, there’s no need to do that. Heaven is already here because I live within you, through my Spirit.*

*I am the King, the Celestial King. Wherever I am as the King, my Kingdom is as well. My King’s domain is in you, and its purpose is not to make you feel good and give you a ticket to Heaven, which most Christians believe. My presence within you is to empower you and to authorize you to be about our business, and that business is to continue the reclamation that I started. I reclaimed the throne. I reclaimed the position of rulership on the planet, and you as vice-regents, must carry that on. This is the way it was created in the first place. We created you to manage the planet and the affairs of Earth for us. Now that you’re connected with us, you can do that properly.*

*Now, what’s the way ahead for Australia? Well, you’re right, the election is a reprieve from the agendas of those who don’t wish the agendas and plans of Heaven to be established on the face of the Earth. The way ahead for you is to connect solidly with me, intimately and spiritually, and allow my Kingdom to advance in your life, to change you, body soul and mind, and for you to impact society around you. Remember, you were told to be salt and light, and salt and light has to be ‘out there’, not hidden away in a cupboard. Your*

4 – Psalm 8:4-6 (AMP) [NOTE – ‘elohim’ in v:5 is translated ‘god’, not ‘angels’]

*heart's desire must not only be to have an intimate loving relationship with me. But like parents who wish the best for their children, outside of the love for each other, you need to have the desire to see that what you oversee grows and develops and matures as it was supposed to. And by that, I mean your family, your life, your culture, your society, your nation, and the whole Earth.*

*When I came as a man, I came to bring restoration. I'm a God that wants to restore, I'm not interested in punishing. I'm interested in every single entity in creation reaching its full potential. That's what creators want. We're not looking for what pagan religion switched to, which was serving a potentate. No! Your family, and the way ahead for Australia, is to come into alignment with us and with our plans for the nation. I lay it before you, if my people who are the litmus test for the nation, the barometer of where the nation is heading, if they do not align and function as sons<sup>5</sup>, the victory that was achieved in the federal election will dissipate.”<sup>6</sup>*

## **Ron McGatlin**

(extract from his teaching on the 12-5-2019)

*“The big question is not, is there life after death. The great question for you and me today is this: Is there life NOW, real life, eternal life, abundant life? Yes, the true life of Christ, the resurrected life of Jesus alive within our mortal bodies by the Holy Spirit is the immortal, eternal, and abundant life now and forever.*

*The mystery of the ages now revealed is the immortal glorified Christ in you the hope of glory. The glory of God filling the earth through the resurrected Christ abiding in multitudes of Sons of God, joint heirs with Christ Jesus, ruling and reigning on Planet Earth.”<sup>7</sup>*

## **Kristy Hansen**

(notes on her prophetic dream on the 28-5-2019)

*“I was shown in a dream recently that as the waves of opposition come in, we can either run [and I saw there were many who did], or we can walk head on, and allow the waves of opposition to roll over us - I saw this in the image of us walking in water where we were out of our depth, but continued to walk in the water and when a huge wave would have engulfed us, we went under the wave, and it had no impact on us whatsoever and we had no fear. We were about our Father's business, and there was not even an after effect of the wave crashing to hinder us. Although the water appeared turbulent, we didn't feel it. BI think it all comes down to walking in obedience to what He is showing each of us. We cannot do more – or less – than that.”<sup>8</sup>*

## **Joe Joe Dawson**

(extract from a prophetic message on the 20-3-2019)

*“[T]he Lord spoke three words to me: "build", "transformation", "transition"...Whatever you are building in this season, God is going to use it, and it will bring transformation to your sphere of influence.*

*Transformational growth must come in order to prepare us for transition. Whenever God builds anything or prepares anyone, He is preparing them to be strong, because God builds for longevity. God is building foundations in this season...God is building individuals, businesses, ministries, marriages, families and organizations in order to bring transformational growth...*

5 – ‘Son’ is the status given to those Kingdom citizens who live in ‘sonship’ with Father just as his Son, Jesus, does. ‘Sonship’ is a Kingdom jargon term representing the type of strong, resilient relationship and bonding between a loving father and a doting son, in the natural. It's not based on emotional ties, but on trust, honour and esteem. This type of relationship can be entered into with Father by any person in the Kingdom, male or female, if they wish.

*'Transition' is a trendy word in the church culture today, but I really believe that God is preparing many in this season for an upcoming transition. But don't transition out of one thing into the next without clear direction from the Lord. Transition is coming to you in order to advance the Kingdom of God. If God transitions you into something new, it is to bring transformation to that area. Whenever God places us somewhere, God is strategically placing us not just for ourselves, but for everyone around us. God transitions us to bring shifts to wherever He places us.*

*This is a time to build for transformation and for transition. This is a time to build whatever God has asked you to put your hands to in this hour.”<sup>9</sup>*

## **Amanda Shiflett**

(extract from a prophetic message on the 21-5-2019)

*“The Lord said He is raising up His Ezekiel watchmen prophets in this hour!*

- *Do not despise their warnings; they are sent by the Lord to keep many from peril and destruction. They are not speaking out of harsh judgments or a hope for destruction but to warn of impending danger and as a rallying call for prayer and intercession!*
- *Do not despise their warnings, for they are not called of their own accord, nor do they choose what they see and hear; they simply do what they are called to do. They hear what others do not hear, things that are coming, things that the enemy plans to do—and they warn. They warn not to create fear, but to give you an upper hand in what is coming, to give you a chance to repent and change your mind if needed—and yes, even to give you a chance to pray and receive strategy from His Spirit on how to handle the days ahead!*
- *Do not despise their warnings, and do not think they laugh as they warn of what is to come. If they are truly sent of Him, they do not laugh, but cry, and carry the burden of the weighty things they see and know! They speak because they must, so that the blood will not be on their own head.*
- *Do not despise their warnings, but heed them ... for they can mean life or death in the months and years to come!*

*I heard the Lord say, "I have called forth My watchmen prophets in this hour, out of mercy for My house and My people ... to warn them, to keep them protected from the many things that are coming. Just as in the days of old, I have prepared a 'Goshen' for My people, if they will listen and heed My true prophets. Do not be wise in Your own eyes, or think that You know My heart in its fullness. Many things are coming that My body has not been prepared for, but I am sending forth those that will help prepare them for the days to come. If you will listen and heed the many that I am raising up with the voice of a watchman, as one crying in the wilderness, they will prepare the way of the Lord for you, and you will walk in My divine protection. Now is not a time of fear, but of faith in Your God, for I will not leave You or forsake you, but you must follow Me, and heed My voice. You must listen, and follow the instruction of My Spirit. Now is the hour to listen to My watchmen!"<sup>10</sup>*

(extract from a prophetic word on the 1-5-2019)

*“There are reservoirs that you do not know of, there are reservoirs and resources, there are deep wells of reservoir that you do not yet know of. They will bring life to the dead things that are surrounding you, to the things that you see that are dying around you... You have not tapped into the waters on this level, but I am calling you to do this now. I am calling you to tap into the deep resources that I have... You must go down deeper; you must go down deeper to receive these resources and to find this water.*

*They are resources, yes, in the natural, but they are also resources for your soul, they are refreshing waters for your soul, and they are refreshing waters for your spirit, that will cause you to go up higher. For even as you go deeper, even as you go deeper into the well, you will tap into the gushers, into the geysers, that will cause you to go higher. All you need is there in this deeper place.*

*For now is the time that you must tap into these deep reservoirs, yet they are only found within Me...Come in deeper; come in deeper to my waters, tap into to the resources and the wells I have provided. As you come in deeper in Me, you will tap into these deep wells, you will tap into these resources, these reservoirs, and they will be your supply for this next season that I have called you into.”<sup>11</sup>*

## **Wanda Alger**

(extract from a prophetic message on the 17-5-2019)

*“The church is undergoing a radical overhaul. We are in a major season of transition. The body of Christ is rising up and engaging in the culture as never before, and many are taking ownership in our mandate to steward the earth as kingdom sons and daughters. As we have been praying for God's will to be done on earth as it is in heaven, God has been preparing the way for the bride of Christ to mature and take her rightful place in earthly affairs.*

*Many prophetic voices have been calling believers to step up, speak out and become change agents in the land. The call for the church to "wake up" has been heard as sin and corruption is being exposed in both the secular and the sacred. Prayers for the nation and intercession for the church have increased as governmental and social issues are challenging conservative biblical worldviews. Collectively, we are in the birth pangs of national deliverance, and heaven is cheering us on to break the waters that will bring renewal and revival.*

*As a result, the Lord is shifting the grace on numerous leaders in the church, preparing them for roles of apostolic administration to build and establish that which has been prophesied for years...There is an attack on leadership because of where heaven is about to take us. The leadership that will be required has been undergoing a metamorphosis. God has been working behind the scenes in the lives of many believers, preparing them for the roles they will fill and the assignments they will be given.*

*For some, you have wondered what's happening. That which was familiar is now outdated, and that which was once considered easy is now laborious and tiring. This is because the grace for the past season is shifting. It has not lifted, but is being shifted. God is preparing you to receive a new grace for a new commission. You are in God's cocoon of transition, awaiting your time of release into a new role and assignment that will pale in comparison to where you've been...*

*God is calling some prophets to come off the watchtower and take your place at the city gate. That which you confronted and challenged as a voice in the wilderness must now be brought to the roundtable of discussion. You are moving from a season of dreaming into a season of creating. Your creative approaches to problems and intuitive solutions in the natural will fuel those who can bring reformation to infrastructures and organizations. Your grace to stand up to the fear of man will now shift to appealing to man for the sake of kingdom unity and alignment. The foresight and insight you gained under prophetic grace will now shift to apostolic leadership and administration, putting into action that which was given you from on high. You will know this grace is in operation when the doors are opened and invitations extended. Yes. It's God...*

*We are getting an upgrade, and we can rejoice in the changes ahead! As God's grace is poured out upon the rising ekklesia of God, we can step into our new roles and assignments with confidence and the assurance that the best is yet to come.”<sup>12</sup>*

## OPPOSITIONAL NOTES

### CCOP

(extract from prophetic word on the 19-5-2019)

*“The globalist, the elite, the socialists, and those on the Left, will not give up. Like the Taliban, they will continue, hidden, until there’s an opportunity to raise their head. It’s up to you. But like a parent who must monitor the behaviour of their children 24/7 until they become adults so that they can mold them and shape them, you must stay aligned and focused 24/7 until I tell you that the total victory on the planet has been won. It’s a big ask, but that’s what you were called to when you came into Father’s family – our family. If parents do not monitor their children, tacit approval in the child’s mind will say, “I can do this because my parents have not stopped me”, and before long it will become a behaviour pattern which parents will not be able to curtail. The same is the situation with Australia. If you do not speak up in the right way, if you do not operate through our Kingdom to impact society, society will move back to where it was going – [with the]<sup>13</sup> intention of those who are against us.*

*Remember, the enemy, your accuser in the courts of Heaven and the orchestrator of chaos and unrighteousness on the planet, has not been eliminated. You have power over him and his cohorts, so it’s up to you. I have placed you in charge because I placed humanity in charge, so do your job.*

*The way ahead for Australia is bright, but only if you accept my challenge and stick with it permanently.”<sup>14</sup>*

(extract from prophetic word on the 22-5-2019)

*“There will be resistance, resistance like you would never believe, but this is why everything must come from the Internal Kingdom. If you wish to survive – and I mean by “survival”, coming out on top in life and not being destroyed by the opposition – I must become the centre of your life. I reside within you. If you place me on the throne of your heart, and if you draw everything from me, the opposition from those who are against you and against me will just fall off you ‘like water off a duck’s back’ – it will have no impact on you. And, if you draw from the supply of Heaven, you will not go without. Many of you will lose your jobs, either forcibly or you’ll quit because of the evil that’s present where you work. That is no matter in the Kingdom. If you seek me and the things of the Kingdom so that they are your heart’s desire and the focus of your life, all your needs will be met, as I promised.*

*There is nothing to fear. Remember that I told you we are in a new era of the Kingdom.<sup>15</sup> This new era will see the rise of my glory amongst my people. Those who choose me over life and over religion will shine. My glory will be displayed on them, and they will be a beacon to the rest of the world. So have no fear. The opposition that I warned you about will now increase because of a Prime Minister who desires to do what is righteous. And, as this is in opposition to the plans of the globalists and the elite and the socialists, the attacks will come against him and against those who support him.*

*It has been said that my church, my people, will go through a period of persecution and opposition like the first church did. This is true. I have the victory. Always remember that. Make me your focus. Draw from me. Draw everything for your life from me. Make me the centre, and your life will prosper.”<sup>16</sup>*
