

Why Do You Say “Haven't You”

(Prophetic message 29-6-2019)

Question: *Lord, why do many of your messages to your people in Australia begin with you saying, “Haven't you” or “Haven't I”?*

Message

“Well, it’s pretty clear to me that my people are not focusing, they’re not cogent¹ [in their walk with me]². This is why I informed you some time ago in a vision that defiance is holding me up. I have set many things in place in the spirit realm and in the natural, but my people are not aligning with me so that the things I want to achieve in their lives, amongst them, and in the nation, cannot be achieved in the timelines that I have set. Many things have been delayed. Many things I’ve actually had to put aside because my people weren’t ready, and because they’re not ready. And, because they’re not functioning as the *ekklesia*, because they are not taking responsibility for their nation, there are some things I just haven’t been able to do. Many things I can rearrange and reorder, but like a mosaic, every piece must be in place for the big picture to be achieved. The big picture, of course, is Father’s plans for his creation.

Now, you can quote that mankind is the pinnacle of his creation, but if my people don’t understand that they are placed in a position of authority and oversight in the nation, they cannot be the pinnacle that Father created them to be. This is disappointing for us. We don’t allow that disappointment to colour our love for you – it doesn’t bring anger and hate. We continue to encourage you, draw you in, open doors for you. We continue to open your eyes, place you in experiences so that you actually wake up. But my people are not waking up. They look at what’s going on in the nation and the world, and they are drawing deeper and deeper inside themselves and their organisations.

How can my people be light and salt if they’re not out there where they can be used, out there where they can make a difference, out there in society having a positive impact for me? Now, I’ve said many times that my people are a barometer of where this nation is and where it’s heading. But this seems to make no difference. I keep using the expression, “Haven’t you” in a gentle way of saying to you, “You’re missing the mark”. Now, it’s interesting, the word used in the New Testament for ‘sin’ comes from a Greek word that means ‘missing the mark’. So, if my people in Australia are missing the mark, that needs thinking about.

Wake up, my people. Hear from me clearly. Learn to do that. You are a spirit being. The real you is a spirit, not the body and mind and soul that you constantly pamper to, pander to. There are more important things than you. There are more important things than your church organisation. I am working these days in the new era³ that I’ve set up in my Kingdom, to highlight and focus my people where it’s supposed to be: On the Kingdom that Father has set up under my oversight. This Kingdom, where I am King, is to have the most impact on the world. I work through you, and I cannot impact the world unless you are aligned with me and being about my business.

So every time you hear me say “Haven’t you”, it should be a nudge to keep your spiritual eyes and ears open, and to be about Heaven’s business and not your own. Come on Australia, we’ve got a lot of work to do. If you continue to be slack in your duty as sons of the Most High God, Australia as a nation will pay the penalty, and you will be responsible. On the other hand, if you begin to align with me at greater and greater levels, and you see that maturing as sons of the Kingdom is your most important duty after your relationship with me, then Australia will go through a metamorphosis – and by the way, it will be a change that you won’t expect. And as I usually say, it’s all up to you.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
