What
is
Salvation?

(3 - Changing Paradigms)

What have you
discovered about
salvation from
your research?

Summary So Far

- (1) Salvation in the OT is only about being saved from disaster and enemies
- (2) Punishment for sin was to bring God's curse
- (3) The OT has no specific teaching on eternal salvation (i.e. no instruction)

Summary So Far

- (4) Jewish belief in eternity today is relatively modern & not given by God
- (5) Salvation is tied to the character of God
- (6) 'Wrathful God' is usually based on OT theology

Summary So Far

(7) Legalists who focus on the Bible & the Ten Commandments use fear to coerce people into becoming a Christian

(8) Kingdom citizens living in the NC should not use fear (the enemy's tool)

Summary So Far

(9) If our theological concept of Almighty God is incorrect, so will be our understanding of salvation...and so will everything else

Summary So Far

(10) Kingdom citizens who are in an intimate relationship with the Trinity and resourced by the abundance of Heaven should have intimate knowledge of God's genuine character

Summary So Far

(11) A correct understanding of the Trinity's heart will eliminate the 'cosmic policeman' from our understanding of salvation

Summary So Far

(12) Father sees every person as his 'gem'. They are his creation and are precious to him, despite their indifference to him and even their hatred of him

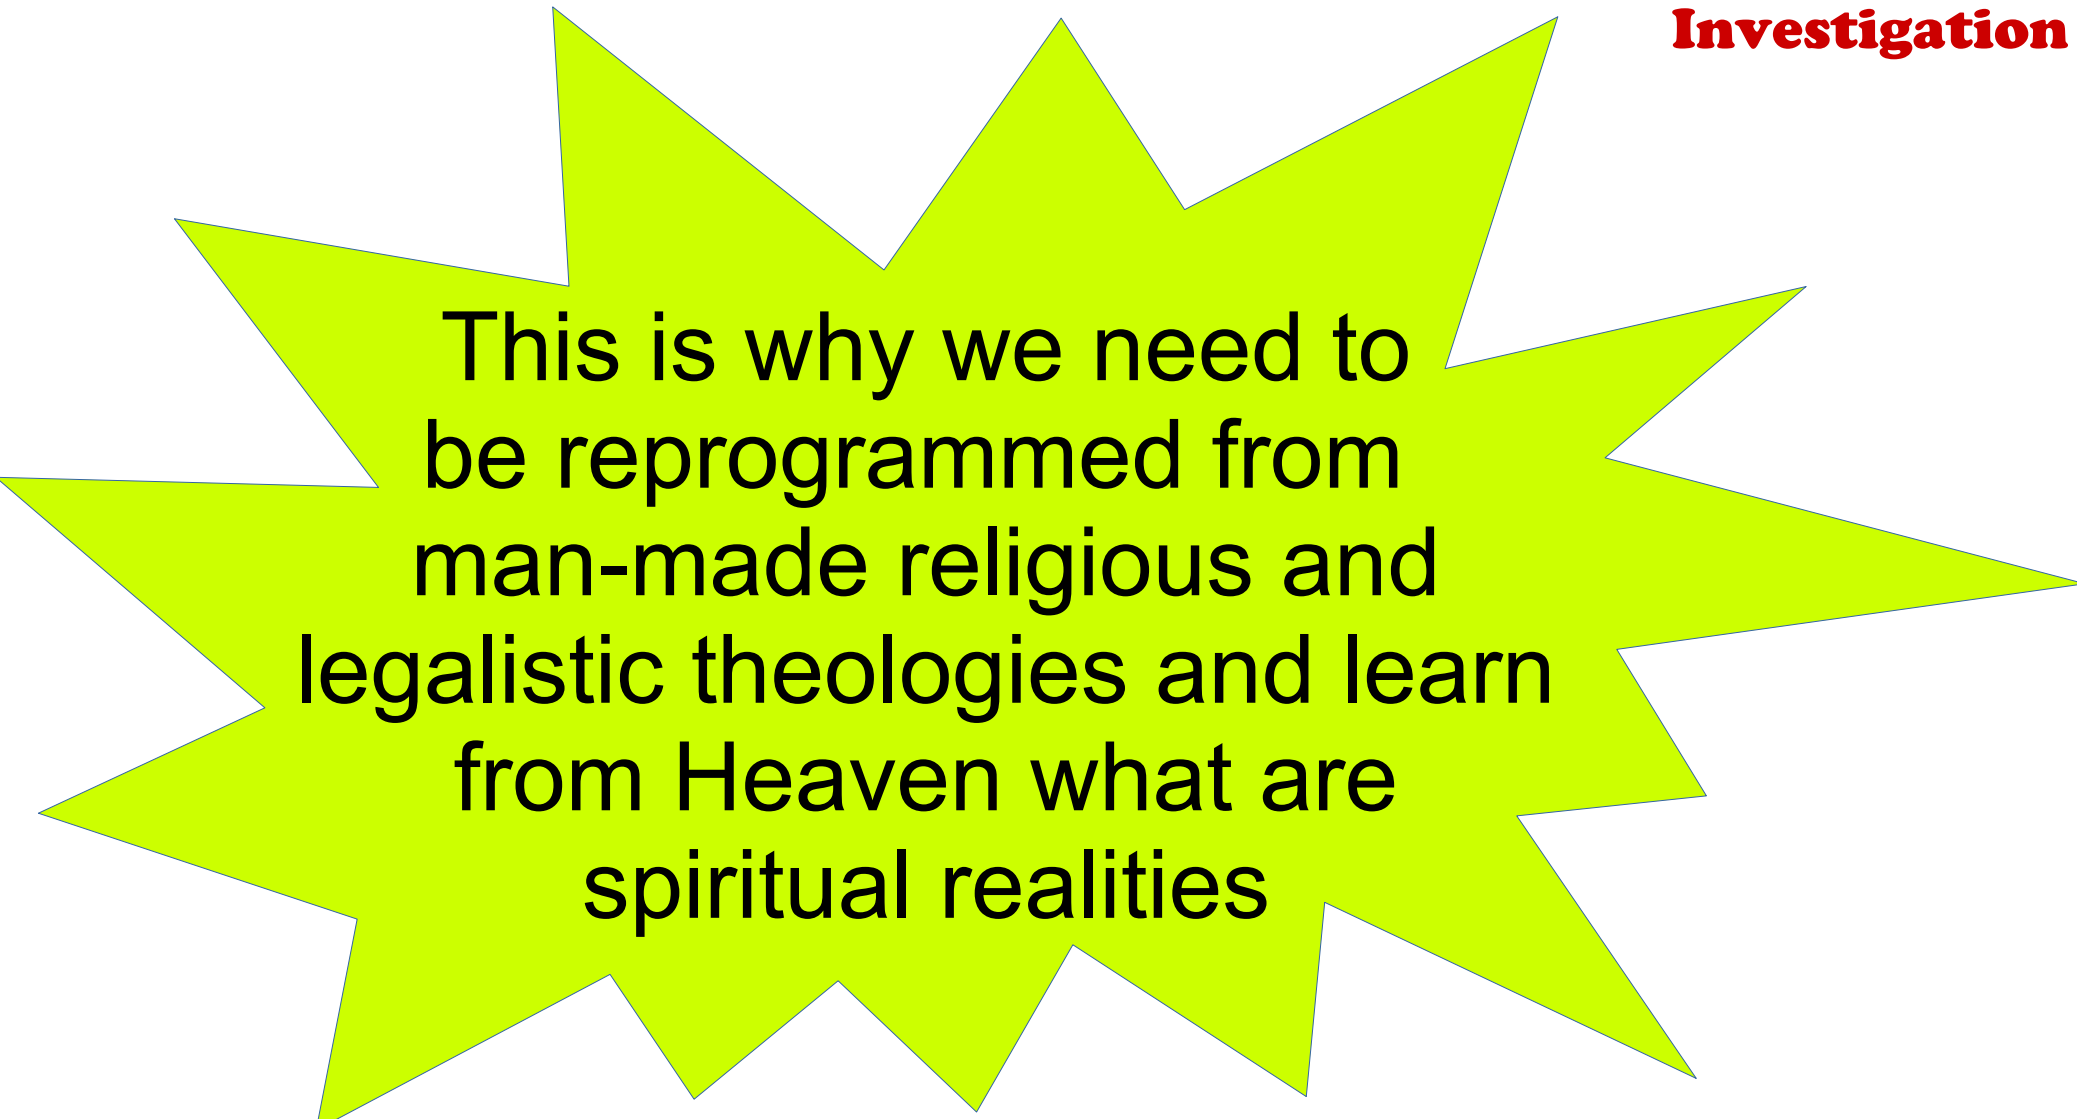

Summary So Far

(13) Religion and legalism will stop us from fully comprehending the heart of God towards all humanity.

The
correct
way to see
salvation

is
through
his
eyes

This is why we need to
be reprogrammed from
man-made religious and
legalistic theologies and learn
from Heaven what are
spiritual realities

My Journey

Investigation

- Raised in a religious Methodist home
- God was a 'cosmic policeman' just looking to whack me when I did something wrong – I modelled him after my dad and my teachers
- 'Born again' at around age 16
- Had a servile relationship with God looking after me but still wanting to punish me when I stepped out of line
- At age 33 came across loving Pentecostals

My Journey

- Baptised in the Spirit at age 33
- Still had God as a 'cosmic policeman'
- At age 52 was given Jack Frost's teaching on 'Father's Heart'
- This was my breakthrough
- Baxter Kruger's perichoresis teaching opened up my understanding of the Trinity's mutual love and community

My Journey

- 'The Shack' confirmed for me the loving nature of God towards humanity
- I wanted to be part of that because of the love deficit and woundedness from the past
- Denise Jordan's 'Mother Heart of God' teaching revealed God's true nature
- I rejected completely my religious OT idea of God and sought to understand and experience the reality of it on a continual basis

My Journey

Investigation

- I developed a personal relationship with each member of the Trinity and ceased using the term 'God'
- Ten years in a creative worship team enabled me to express my love for and adoration of the Trinity
- Mike Bickle's book 'The Pleasure of Loving God' shifted my negative religious notions about pleasure to the righteous pleasure of loving the Trinity and enjoying that pleasure without any condemnation

My Journey

- In 2015 the King told me to leave the church system, start meetings in our home, develop a Kingdom Community, and he would be my teacher and my oversight
- From then onwards he has taught me about having an intimate relationship with him
- Jesus became my beloved
- He taught me also of his desire for oneness with each of his people

My understanding of the heart of the Trinity is why I can fearlessly ask Father to unravel for me what salvation really is

God's Divulges His Real Character

Then the Lord descended in the form of a pillar of cloud and stood there with him, and passed in front of him and announced the meaning of his name. “I am Jehovah, the merciful and gracious God,” he said, “slow to anger and rich in steadfast love and truth. I, Jehovah, show this steadfast love to many thousands by forgiving their sins;”
