

# More on this Current Time in the Kingdom

(July 2019)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM NOTES

### **Marsha Burns**

(Prophetic word on 8-7-2019)

*“For those who are spiritually sensitive, you know that you have broken through the spiritual environment that has kept you from moving forward. Many of you have felt stuck as though you cannot wake up from a dream. But, now is the time to not only awaken, but to move forward. I will take you on a journey that you would not even have imagined. Prepare for progression, says the Lord.”<sup>2</sup>*

(extract from his teaching on 5-7-2019)

*“Is it not becoming more and more evident that God is moving among His people in a way that establishes a new precedent? In this era of rapid modern-day communications that reaches out to all the earth, man is becoming more and more aware of movements that are taking place in the supernatural realm of God. In this, God is manifesting Himself in a far-reaching effect, more so than ever before.*

*Thus, man is having the opportunity to see the results of God’s supernatural arm, an arm extended toward His creation. Could it be that God has ever and always desired to relate to man? But man, for the most part, has rejected God’s desire with men building for themselves a great edifice to glory in?*

*These giant places and institutions, for the most part, have separated themselves from God in that He is no longer in the place of leadership over them. These edifices, in scripture are called “high places”, becoming a people who have rejected God while instituting for themselves other gods in which to do homage.*

*In this position of man’s idol worship concerning other gods, the whole world now sets in a place of judgment.<sup>3</sup> ...*

*Note that God’s judgment, with purpose, is to bring a people to the place of repentance. A repentance with man being humbled and then spiritually maturing into a place of truly knowing Him.*

*How is it that these institutions of men, that which they still call God’s church, can come to such a place as the above scripture in Ezekiel? A place wherein God’s glory has departed from because man-made institutions have ceased in allowing God His rightful place of headship...*

*[Revelation 3:14b-16] is describing a state of Godly rejection, because humanity, for the most part, has not allowed God His desired place of habitation. God’s purpose has always been, to make from out of humankind a people coming into oneness with Him, wherein He could dwell in them and they in Him.*

*In this, let us take note and learn from the mistakes and victories made by the children of Israel as their kings followed or rejected God’s leadership. God’s covenant, in place, left instructions through Moses for*

3 – Read Ezekiel the 7<sup>th</sup> chapter

*their conquest of Canaan, the Promised Land, and therein these promises also apply to the church of the living God.<sup>4</sup> ...*

*Victory was promised and assured to these children of Israel as they remained in obedience to purify the land from all abominations. Why, so God could prove Himself to these Israelites in supplying all their needs in abundance. Likewise, the body of Christ, His true church, also has an inheritance reserved for them with a like-kind requirement.<sup>5</sup> ...*

*With our bodies becoming the “temple” of God, it then becomes a requirement that we likewise cleanse ourselves, declaring a need to slay all the old inhabitants of our carnal mind, our fleshly lusts and selfish pride that God might dwell freely within our temple. These old inhabitants consist of all things used by the world to make up our carnal character and nature.*

*These manifest the product of all that comes from the natural environment and the influences generated from the fallen man (our genealogy, our education, our economical standing, our political influences, social order and our religious standings). In this, God has provided a place of victory over these carnal characteristics which were molded by the world at large...*

*The word “time” used [in 1 Peter 1:3-5] speaks of “opportune time, set time, appointed time, due time, definitive time, seasonable time, proper time for action”, all that God wants us to redeem. Knowing that God made us stewards over our irreplaceable possession called time; we are to be good stewards of our time, using it wisely, constructively, and in the worship and service of our Lord.*

*Has it not been God’s desire and purpose from the beginning for His people to dwell upon His high mountain wherein His glory might be manifest for all humanity to behold? Isaiah 40:9-11 is an invitation extended for those called ones to ascend unto this mountain of glory...*

*Herein, God has purposed to meet in man, His purposed dwelling place called a high mountain. It is upon this mountain that God extends His perpetual care to its inhabitants in all nourishing and protection, always caring for the new coming offspring.*

*In feeding His flock as spoken in the above verse, the word “feed” speaks of “to shepherd, feed, and tend; to pasture; to cause one’s herd or flock to graze. Thus, tending and caring for the flock”. Could this not be the reasoning behind the enemy of God always desiring to establish his own places of worship in the “high places”? Take note of the Apostle Paul’s declaration to the church while remembering that the church is to operate in the mind of Christ, God’s high place.<sup>6</sup> ...*

*Therefore, the carnally minded who follow the impulses of their own will, the lust and desires of their own mind and emotions of the flesh has no real place in God’s true church.*

*Returning to the ensamples of the children of Israel, we should take note that the enemies of the Israelites always established their places of idol worship in those high places. “High places” has the meaning of “a height; high place, mountain, hilltop, crest, ridge, summit, a shrine upon a lofty site”.*

*These high places were often those hilltops upon which idolaters offered sacrifices to their pagan gods. These places became a snare for the Israelites, who mixed the worship of Yahweh with the worship of idols. God is not a God who endorses mixture. As we recall the kings of Israel, it was said of many of them, “but, the high places were not removed from Israel”. Even some kings like Asa, who ruled as a king and who did “what was right in the eyes of the Lord”, yet he did not remove the high places. Because of this failure, the enemies of Israel had the freedom to play havoc among the Israelites who were having no lasting victory.*

*What about the church of our day, are there high places left standing which rob the church, individually and collectively, of a victorious life-style? Does the carnal mind have freedom to instruct, teach and to impart a fleshly environment and life-style of a self-purpose driven people? Does this not speak of idol worship in the form of the lust of the flesh, the lust of the eyes and the pride of life?*

*In the book of Revelation, it reveals for us that the carnal conditions that would exist throughout the church*

age caused them to be a loveless church, a compromising church, a corrupt church, a dead church and a lukewarm church. These all remain today, manifesting a defeated mental attitude church and except they humble themselves, repent and overcome, they will remain defeated.

For this cause God, as He did in rising in the prophets among the children of Israel, He is likewise raising up an anointed ministry today. This anointed ministry is those who have come unto Mt. Zion, the city of the living God. (Read Heb. 12:18-24). These stand before God and His throne as He sends them forth in the spirit without measure. All the high places of man's idolatry shall be destroyed, and all the mixture shall be removed as the spirit of "Babylon the Great" shall fall.

God is even now bringing forth an anointing ministry of purity, holiness and righteousness, which is flowing forth from the top of God's mountain vs man's own religious orders. Thus, God's kingdom becomes an established entity in the earth. (Read Rev. 14:1-5). Know that God's high mountain is the eternal dwelling place of the saints in glorifying God while the old things of religious corruption are passing away and all things are becoming new.<sup>7</sup>...

Therefore, all the high places of Babylon shall know destruction, all that continues to exist among and within the people of carnality. The high mountain of God shall flow forth with the water of life as God's Christ appears through His people to manifest the glory of God in all the earth. Come; let us ascend to the top of God's holy mountain as the time for God's end-time generation of overcomers has come."<sup>8</sup>

## **Duane Stewart**

(extract from his teaching on 17-7-2019)

"Remember, God's intent from the beginning as stated in Genesis 1:26-28 is, "And God said, Let Us make man in Our image, after Our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air; and over the cattle, and over all the earth, and over every creeping thing that creeps upon the earth. So, God created man in His own image, in the image of God created He him; male and female created He them. And God blessed them, and God said unto them, be fruitful and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea and over the fowl of the air, and over every living thing that moves upon the earth."

This statement of fact, God's original and eternal purpose in creating man, is that He would place a people over the works of His hands, as they multiply, replenish, and subdue the earth. They were to rule over the earth with care as they received knowledge, power and wisdom from God. This was to be accomplished in the spirit of the day as God so instructed them...

Jesus did not ever act independently of the Father. On the contrary, He understood that, because He and the Father were one, He did only what His Father showed Him. (Read John 12:49 and 14:10). As the comforter begins to speak guidance to His people, He becomes our inner guide who acts at first as the voice of "conscience." The Holy Spirit gives counsel or gives a rebuke when a vessel is in error. He also freely gives divine approval for an act of obedience that is well done...

The fruit that God is looking for in His people is a Christ likeness. In order to be productive, a branch must submit to pruning, that is, to the discipline of the father while maintaining an abiding union with the vine.

This union releases a glory as love returns to God. Love releases the comforter to become a constant living companion. The comforter, the Holy Spirit, will never fail us except when the vessel begins to reject Him. Meanwhile, while in submission, the Divine comforter and teacher will continue to enlighten us in every problem, regardless of how impossible they may seem..."<sup>9</sup>

## **Ron McGatlin**

(extract from his teaching on 25-7-2019)

*“From the glorious magnificent throne of heaven, a sound is being released from the heart of God: for those with ears to hear, a most beautiful sound of an unprecedented love call of God to all mankind, a call to fall completely in love with Him and become His Bride...*

*I believe you understand that this call is not just a call to receive Jesus as savior. It is not just a call to be born again as a babe in Christ. Certainly receiving Christ as Savior or being born again is the first call of God and must be in place to hear the call to become the Bride in mature love relationship with God...*

*A call to become the people espoused in total love in and with God in Christ by the Holy Spirit is being heard on Planet Earth. The call is bringing forth the true marriage of God and His counterpart, His beautiful Bride become the true mother of multitudes of sons and daughters transforming life on Planet Earth by His love.<sup>10</sup>*

*All form and formality of the religions of the world are passing away. All things are becoming new in the pure holy love of God ruling on earth in His people who are on earth while they are seated with Him at His throne in heaven.<sup>11</sup>*

*Heaven is becoming as one with earth and earth as one with heaven. Truly the kingdom is coming on earth as it is in heaven. Spirit is becoming natural and natural has become Spirit as truly God is all and is in all.<sup>12</sup>*

*The new earth and new heavens around earth is the Spirit reality of the LOVE of God ruling in the hearts of mankind as King Jesus with Father God is manifested into this world to the glory of all creation.<sup>13</sup> ...*

*Every living thing and every created thing on or in the earth is being set free by the blood of Jesus manifested and multiplied in the massive army of love. Almighty God is overcoming the works of darkness with the light of His all-consuming, all-powerful, and never ending love with and in His people on earth...*

*Hold on tightly to nothing else in this world but to the love of God by Spirit God. With loose hands offer up to God all that is precious to you. And with a tight grip hold onto the love of Almighty God, Father of all, and to Christ Jesus the love of your new life and husband of your soul by the Spirit of God now and forever.*

*Nothing else will release the love, power, and wisdom of God to change the world from the desperate darkness that has possessed the leadership of nations and the mountains of influence in this world.*

*Answering the love call of God is the answer for all of us and for the world in which we live. The loving leadership of all-powerful and all-wise God will guide and empower us to become the fullness of our part in conquering evil with His love in this world.<sup>14</sup>”<sup>15</sup>*

*“Well, it’s pretty clear to me that my people are not focusing, they’re not cogent<sup>16</sup> [in their walk with me]<sup>17</sup>. This is why I informed you some time ago in a vision that defiance is holding me up. I have set many things in place in the spirit realm and in the natural, but my people are not aligning with me so that the things I want to achieve in their lives, amongst them, and in the nation, cannot be achieved in the timelines that I have set. Many things have been delayed. Many things I’ve actually had to put aside because my people weren’t ready, and because they’re not ready. And, because they’re not functioning as the ekklesia, because they are not taking responsibility for their nation, there are some things I just haven’t been able to do. Many things I can rearrange and reorder;*

*but like a mosaic, every piece must be in place for the big picture to be achieved. The big picture, of course, is Father's plans for his creation.*

*Now, you can quote that mankind is the pinnacle of his creation, but if my people don't understand that they are placed in a position of authority and oversight in the nation, they cannot be the pinnacle that Father created them to be. This is disappointing for us. We don't allow that disappointment to colour our love for you – it doesn't bring anger and hate. We continue to encourage you, draw you in, open doors for you. We continue to open your eyes, place you in experiences so that you actually wake up. But my people are not waking up. They look at what's going on in the nation and the world, and they are drawing deeper and deeper inside themselves and their organisations.*

*How can my people be light and salt if they're not out there where they can be used, out there where they can make a difference, out there in society having a positive impact for me? Now, I've said many times that my people are a barometer of where this nation is and where it's heading. But this seems to make no difference. I keep using the expression, "Haven't you" in a gentle way of saying to you, "You're missing the mark". Now, it's interesting, the word used in the New Testament for 'sin' comes from a Greek word that means 'missing the mark'. So, if my people in Australia are missing the mark, that needs thinking about.*

*Wake up, my people. Hear from me clearly. Learn to do that. You are a spirit being. The real you is a spirit, not the body and mind and soul that you constantly pamper to, pander to. There are more important things than you. There are more important things than your church organisation. I am working these days in the new era<sup>18</sup> that I've set up in my Kingdom, to highlight and focus my people where it's supposed to be: On the Kingdom that Father has set up under my oversight. This Kingdom, where I am King, is to have the most impact on the world. I work through you, and I cannot impact the world unless you are aligned with me and being about my business.*

*So every time you hear me say "Haven't you", it should be a nudge to keep your spiritual eyes and ears open, and to be about Heaven's business and not your own. Come on Australia, we've got a lot of work to do. If you continue to be slack in your duty as sons of the Most High God, Australia as a nation will pay the penalty, and you will be responsible. On the other hand, if you begin to align with me at greater and greater levels, and you see that maturing as sons of the Kingdom is your most important duty after your relationship with me, then Australia will go through a metamorphosis – and by the way, it will be a change that you won't expect. And as I usually say, it's all up to you."<sup>19</sup>*

## **CCOP**

(prophetic message received on the 28-7-2019)

*"This has been a problem generation after generation for my people. They have not really grasped what I'm looking for in the Kingdom. They keep being taught they are either slaves, servants or bondservants of God. Well, this is not accurate. In the same way that religion has taught followers of me to worship me and bow to me and do great deeds for me in the church's eyes, this was incorrect. What I have been looking for is what I created humanity for: I've been looking for relationship, not servitude. This is the big difference between worshipping false gods and being in my Kingdom. There's no comparison between the two.*

*Religion teaches their followers to do what they think pleases me. I'm not interested in that. This is patently clear from my dealings with Israel. Although I said obedience is better than sacrifice,<sup>20</sup> what I was focusing on is the heart attitude of obedience, not legalistic obedience. There is a difference. My teaching to my disciples and my words to Israel through the prophets in ancient times was all about heart attitudes and a love relationship. This has not got through to my people. They are still trying to serve me by doing what they think I want. They are still serving me in ways that they think placate my anger. No! I am looking for love.*

*I have poured out my love for the world, for humanity, and I've poured out my love into my people. I am looking for a return of that love. Religion doesn't do it. Service doesn't do it. Love comes back to me through love – no other way. I have been schooling my people in the past decade about coming back into*

20 – 1 Samuel 15:22

*intimacy with me. This is what I want. We<sup>21</sup> are in unity and we are in intimacy, and my greatest desire is for intimacy with humanity. I had this before [with them]<sup>22</sup> The Fall, and it's possible to have that now because the curse of The Fall has been cancelled in the lives of those who are reborn of my Spirit.*

*Your most important function is to love me with all your being, and to be in an intimate relationship with me. Out of that love relationship we can partner together in the things of the Kingdom. While ever that relationship is not there, your activities will be in vain. By "in vain", I mean, they do not originate from me, from my relationship. Everything is supposed to come out of my relationship with you. When you relate to me in intimacy, you know my voice, and I can direct you to do the things that I want done, in the ways I want it done, and I can give you the things to say.*

*I bring this to you now as a point of correction because I can't talk to you about your sonship if you're not in right relationship with me.*

*So, your first job is to work on that intimacy and love relationship with me. I need to become your beloved, and what you do flows out of that strong love for me. This brings us to understanding sonship. Remember, sonship is the descriptive word of the relationship that Father and I have, that Father had with me when I was Jesus of Nazareth. That's what sonship is. Please don't see it as a gender thing. It's about the type of relationship a father has with a loving son.*

*When you are reborn by my Spirit, you come into the Kingdom. You come in as babes, and you have to grow and mature as a son. I did that. It took me 30 years of life in Israel before I got to the point of being released into the work I had to do for Father. In that time, he trained me. He trained me through life, he trained me through experiences, he trained me through my family, and he trained me spiritually through my relationship with him. My intimate relationship with my Father got me to the point where he was pleased with me and anointed me as a human being, to be about his business, with power and authority.*

*I couldn't step out and do what I was destined to do until I was at that point. If I had have gone off and done things on my own because I knew what I had to do, I would have been out of line. I would have been disobedient to my Father. Sonship is all about your relationship with me and with Father. I am wanting to mature you as sons, because until you are mature at a particular level, I can't release you to be effective in what I have planned for you. Sure, you can release yourself, and through my grace there will be favour and blessing on that, but your full potential, the full impact of what you are to do doesn't come until you are mature in the Kingdom as a son and I release you.*

*That's the second point of correction I need to bring.*

*So, what about 'right-hand sons'? I know this is a new concept for you, which is why I had to drop it into your spirit. You are well aware in your culture that a 'right-hand man' is the one that the boss, the supervisor relies on completely.<sup>23</sup> They are totally trustworthy. They know what to do. Their heart is for their overseer. They have basically given up all desires to do their own thing, and they just want to please and be about the business of their boss. In Australia, this is what all leaders are looking for – supporters, wholehearted supporters. There's usually one person that they can totally depend on, so that if anything happens to them, that person can continue the work, and they know it will be done, and done properly, and in the way that they want it done.*

*This is what a 'right-hand son' is: The son that is a 'right-hand man' to me. In your system, there's usually only one 'right-hand man', but in my Kingdom, I am wanting to raise up all my sons to be 'right-hand sons'. I'm looking for those who I can totally trust and rely on, who I can release in their own recognizance, to be about my business because they know my heart. They know my voice, they know my plans, and their only heart's desire is to please me by being about my business so that my plans are fulfilled in their lives and in those they impact, and also in their nation.*

*This type of son has to go through the process of maturity to becoming a mature son, and then go on to more training before they can become a 'right-hand son'. [They are]<sup>24</sup> one like I was to my Father in Israel,*

---

21 – Referring to the Trinity

22 – Added to make the sentence convey what was the intent. [LDS]

23 – In some industries in Australia they are known as a 'lead-hand' or 'leading-hand'.

24 – Added to make the sentence convey what was the intent. [LDS]

where he released me to do what I had to do for him, for the Kingdom. And through our intimacy and our spiritual connection, I was able to achieve that.

*This is a different concept to what the church teaches. The church is trying to raise up Christians: I want to raise up sons. The church is trying to raise up committed Christians: I'm wanting to raise up mature sons. The church is trying to raise up professional Christians: I want to raise up 'right-hand sons'. There's a huge difference.*

*There's much work to be done in the time that's left, before the end of this age, and I can only complete that if I have mature sons and 'right-hand sons' working with me, in alignment with me. I have chosen to work through people – I set it up that way at creation. After the 'new birth', you come back into that place where my first created beings were. My intention is to reinstate you in the mandates that I gave Adam. A 'right-hand son' is the type of person who is in the image of the original Adam.*

*So there you have it. 'Right-hand sons', that's what I want. I know not everyone will want to be a 'right-hand son'. Not many will pass through the testing and preparation for that. So whatever level you are able to reach, reach it, commit yourself wholeheartedly to it. Work on your intimate relationship with me, and things will be achieved in your nation, in your life and in the world.”<sup>25</sup>*
