

More on this Current Time in the Kingdom

(August 2019)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM NOTES

(extract from a prophetic revelation published on 6-8-2019)

“There are many forerunners and pioneers in the body of Christ who have been in such intense battles, where the fire has been so very hot. These forerunners and pioneers are "making a way", carving out the pathways that have not been walked before.

They are walking with the Lord and following the leading of the Holy Spirit to move into uncharted territories, pave pathways that are seemingly against the grain, and do what has never been done before in obedience to the Lord. They are partnering with the Spirit of God to break through hard ground, break open ancient wells, push through manmade structures at His leading and see the tidal wave of His Spirit and presence come in a new way.

*In the midst of **this new era** we have entered, these forerunners and pioneers have been facing battles on every front. The Lord kept using the word "relentless" as I sat with Him. They have been facing relentless opposition and attack, and much of their opposition has been from the words of man speaking against what God is doing in their lives, through their lives and the mandate He set upon them because it 'goes against the grain' and what is expected or defined as 'normal'. These are the ones who have remained faithful to the Lord and continue to move in obedience to what God has spoken to them...*

The Lord showed me the intense battles that these pioneers and forerunners have been facing. Recently, they have been fighting for their lives, yet they continue to put their hands to what the Lord has spoken and His assignment upon them. There has been a deep weariness, heaviness and discouragement that has come upon many in battle, but I heard the Lord say, "Forerunners and pioneers, major demonstrations of My faithfulness, on every front, are upon you!"...

*[T]he Lord is taking you deeper into the library of heaven to reveal more strategies to you for **this new era**. He is going to release to you specific wisdom on how to implement His strategies and how to steward them. The wisdom of God that He is releasing is so weighty and so precious. Be sure to treat it with care and steward it well with your obedience.”²*

"You think Me a tame God? You think My meekness and humility My only attributes? I tell you, in these days you shall see aspects of My character and My name that you have not yet seen.

"You are going to see the Man of war that I am, for I have not come to bring peace, but to bring the sword with which to rightly divide the sheep from the goats, the true from the counterfeit and the religious from the pure in heart.

"Recently I heard the Lord say, "A time of unprecedented change is before My people. A **new chapter** is before them."

I then had a vision of heavenly books being opened. These books outlined the plans the Lord had for His people. Some books were for individuals, others were for ministries. As each book was opened, I saw a page had been turned in the book. I knew it wasn't just a new day but a new season for these people. The new page was the start of a new chapter in the destiny the Lord had planned for them. A chapter had ended, and a new one was beginning.

I could also see the seeds sown into many pages leading up to this new chapter. The Lord was bringing to life the seeds that had been sown in the new chapter, and I could see the seeds begin to sprout. The new chapter was one of harvest for all that had been sown in the past.

I then heard the Lord say, "For many, this unprecedented change that is before them is the manifestation of long-awaited promises that I have given them. Many will be surprised by the way in which these promises come to life and the means through which I bring them to life.

"My breath brings life, and I am breathing on that which looks lifeless and causing it to arise and align with My Word. Now is the time where a new chapter begins for many of My people. This new chapter is an accumulation of what has been sown in the past."

The Lord went on to say, "A new chapter is before many of My people. It is a new chapter, for what is ahead is a complete shift and a **new season**. It is a new chapter, for much has been planned and much will unfold in the time ahead. It is a new chapter, for things will not be the same as they have been before.

"This new chapter aligns with the new era that has begun in the spirit. I have announced the change in season and the new chapter in the lives of My people; now I am calling them to prepare and partner with the new chapter." ⁴

The King gave her 5 strategy on how to partner with him in the new chapter:

1. Rest and recalibration
2. Renewal of hope
3. Reclaim the promises and prophesy life
4. Resist the old ways and embrace His new strategies
5. Rise up in faith and boldness and take action

1. Release of hindrances and release into the new
2. Restoration of hope, strength, joy and destiny
3. Reward for all that has been sown

Ron McGatlin

(extract from his teaching on the 1-8-2019)

“Families are beginning to be drawn to come together and be brought back into God’s true order as the basic model for all governance and production in the kingdom of God.

Adversity and lack of wellbeing are negative factors that are being used as a trigger toward changing the hearts of many people. The stress, loneliness, sadness, and confusion of disorder turns the hearts of people to seek God’s order in life. The experience of love relationships is necessary for abundant, peaceful, and meaningful life.

A mighty move and work of the Holy Spirit can, and I believe will, pour the love of God into the broken hearts and malformed lives of confused souls unattached from the mores of God’s solid foundations of life, floating about in a turbulent sea without direction with no compass to guide and no true map to follow.⁵

The love of God flowing by the Holy Spirit into broken and seeking hearts will bring God’s wisdom and power to find the way into connection with the family order of God, working through every person supplying the need and stability of family.

The greatest fruit and evidence of the fullness of the Holy Spirit in a human being is love, the tangible presence of the captivating, life-changing, all-consuming love of God...

All creation is ordered and fits together by the love and wisdom of God. All disorder and malfunction in this world stems from a lack of the manifest functioning reality of the love and wisdom of God.

Perhaps the greatest move of God is the reconnection with the family of God in heaven and on earth: the re-establishment of the loving strong families of fathers, mothers, children, and extended families of two or three generations ordered and led by the powerful reality of Holy Spirit empowering the order of love.

The Holy Spirit is pouring pure holy love of Christ Jesus upon and within His prepared people to destroy the works of the enemy and reorder the earth...

People are being drawn to connect in loving families. The diversity of gifts and callings will no longer lead to divisions within the family. Love will fit all the parts together in place to serve the body as each part is designed to do and be.

God has established patterns of life and order for all creation. God has appointed His Son Christ Jesus the King to be head of the many Sons that Jesus is bringing to glory to order the earth with the power and wisdom of the love of Father God by the Holy Spirit.⁶

The enemy of God’s people has caused the earth to be filled with the fatherless, orphans, and widows. The powerless religious systems that steered us away from the true fullness of the Holy Spirit have robbed us of the practical experience of the reality of our Father abiding in and with us through Christ Jesus by the Holy Spirit.

Where are the fathers and husbands? Where are the powerful Spirit-filled loving bulwarks of strength and guidance for our lives?...

The fierce strength and resolve of Almighty Father God imparted into fathers and husbands on earth by the fullness of the Holy Spirit flowing through the love of God into the hearts of men is the strength of family on earth.

5 – Ephesians 4:13-16

6 – Hebrews 2:10

As the husband/father is the strength of the family the wife/mother is the heart of the family. The Holy Spirit love flowing into her becomes fierce but tender nurturing and protection for the young children of the family. By the Holy Spirit Christ Jesus is firmly in position as the head of the family.

This is the basic pattern for the governance of families, tribes, and nations unto the entire world.

Without the intact Holy Spirit led and empowered family structure, there will be lack, disorder, and eventual failure of the nation. It will succumb to the counterfeit and evil patterns of the devil and his spirits of darkness.

Life led and empowered by the love of God flowing by the Holy Spirit into the hearts and lives of the people of God is the one way to continued abundant life and order in this world. This is the way of the kingdom of God on earth as it is in heaven.

The aching desire in our hearts is the call of God to come together in family order merged together with God and one another in the pure holy love of God.

Diversity is absolutely necessary for completed family function, prosperity, and survival. There must be differing gifts, callings, and functions that stem from different revealed portions of truth from God by the Holy Spirit.

It is religion and not God that demands conformity to be a part of the family.

THE ONE UNITY IS FATHER GOD IN CHRIST JESUS BY THE HOLY SPIRIT AS LORD, SAVIOR, AND KING OF ALL.

The whole of the God head: Father, Son, and Holy Spirit are as one fully active and alive in all of the family of God. Beyond that oneness, diversity of personality, gifts, and callings all working together in love is the way to the glory of the family of God on earth.

The desire in our hearts for family must first lead us to be fully and equally joined by Holy Spirit in Christ Jesus to Father God in an intimate holy love relationship. Family begins with the reality of oneness of being literally in love with God as the first and major aspect of our daily lives.

A realistic evaluation of our hearts affection is to look honestly at the time spent in our daily lives. What do we do with our time? Why do we do what we do? What gives us our good feelings within? What excites us? Where do we get a sense of wellbeing? What gives us encouragement and strength? Where does our joy come from in life? What causes us to feel at peace?

Is what we do and the reason we do it the plan and purpose of God for us? Or are inner motives connected to some sense of lack or need to be okay within us, to measure up, or to help us heal from some emotional damage or personal need?"⁷

Ron McGatlin

(extract from his teaching on the 29-8-2019)

"A major key of the kingdom of God is knowing God – intimately and personally knowing Him, communing, and communicating with Him in a deep love relationship."⁸

Beyond our natural human being, we are redeemed Spirit Beings in Christ connected to Spirit God, while at the same time we are in a natural body, and we have a human soul (mind, will, and emotions) that is being redeemed. Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul, and body be kept blameless at the manifesting of our Lord Jesus Christ."⁹

Our earthly body and soul are created to live and function on Planet Earth. We are earthlings with the abilities to do life on earth. Man was originally created with the Spirit of God abiding in our human spirit causing man to be Sons of God in the image and likeness of God in an earthly godly Body, Soul, and Spirit.

7 – "God's Kingdom Family of Diversity" www.openheaven.com/2019/08/01/open-heaven-com-digest-august-1-2019

8 – Jeremiah 24:7; Mark 12:29-30; 2 Corinthians 6:16-18

9 – 1 Thessalonian 5:23

Only man had the breath (Spirit) of God life breathed into him by God.¹⁰

Redeemed mankind is the earthly mate of heavenly Spirit God.

Mankind is the capstone of the earthly creation of God and is given the responsibility of dominion authority on Planet Earth.

Redeemed mankind on earth is as the parabolic mate or bride/wife counterpart of God. All creation is to reflect and multiply the image and glory of God on earth.

Heavenly creation on earth including mankind came out from God. It is of God, the same as Eve came out from Adam. The redeemed order or governance of creation is spoken of as New Jerusalem, mother of us all coming down from heaven. Our Father is Spirit God, and our mother is His natural creation that came out from God and manifested as natural reality.¹¹

Coming together as one with God redeemed mankind becomes the true church of the firstborn, the care taker of creation producing God's order or governance on earth – the Bride of Christ, the mother or New Jerusalem ruling city of creation on earth...

The whole of creation on earth is geared to the love and subsequently the obedience of man to God. Man's obedience, or lack of it, affects the entire world and all that is on it or in it.¹²

Very simply stated everything on earth emanates from Spirit God. All of creation function's together in God's designed dynamic order. Perfect harmony and fruitfulness exist in God's order.

Any deviation from God's designed order produces opposing responses of creation to press the order back toward perfect balance. The propensity to maintain perfect balance in the order of Creation is built into it from the beginning. It is the love of God restoring His perfect image and likeness back into place.”¹³

(a prophetic article published on the 11-9-2014 & republished on 29-8-2019)

“There is a mighty transition taking place as overcomers emerge from under the rock where they have been hidden for many years. They are coming forth as an aged eagle that hides himself in the cleft of the rock, plucking his feathers, battering his beak, awaiting new growth and youthful renewal. This emergence has a pattern – overcomers facing adversity, maintaining hope while circumstances scream “there is none!”

These men and women share common characteristics - rough edges made smooth by the abrasions of a challenged life, finding Holiness that evaded (them) for years; without spot or wrinkle - awakened to Christ in them the hope of glory, realizing that it isn't them who live, but Christ in them. Leaving legalism far behind, they are lead and moved by His Spirit only, having a Holy distaste for organized religion and the works of men.

The Body and Head are joining as the Bride is being prepared for the Bridegroom. This submissive Bride has learned “that of their own selves they can do nothing.” Dead to human ambition and the soul's control, these have learned the yielded life; perfected in their understanding of “perfect love” that eradicates fear of any person, occurrence, or situation. Their implicit trust of the Father negates the oppression of circumstance, even death – “not my will, but they will be done.”

Greatest among the traits of these emerging saints IS their understanding and application of perfect love, a love grounded so deep in trust that they never question “all things working together for their good.” Realizing they see ONLY IN PART, but serve a God who SEES ALL, avoiding human reasoning for direction or understanding. These have recognized that His life is only possible in surrendering theirs. Dead they are – dead to self, to the ways of men, and human understanding – aware of the Holy Spirit's desire to dwell in them as a power source (for them) in carrying out His purpose.

These overcomers are emerging; connections' being made as the Kingdom is forcefully advancing. These spiritually violent men and women recognize that evil and darkness invading the earth is only a sign that the light of God grows brighter within them. A new generation, a renewed generation, a new people will bring forth the new wine. The wineskin that once held them is broken, and a new structure/government/Kingdom has come – a people dead to themselves who have returned to the garden. Their fruit is evident - non-judgmental, without bias, tender, putting others ahead of self, living to serve, courageous, faithful, loyal, and steady.

OPPOSITIONAL NOTES

CCOP

(prophetic message received on the 21-8-2019)

"This is a time of great flux in the world. There are many wanting to rise up and seize control. There are many who operate in fear. There are many who just don't know who to trust or where to turn. I am the one to turn to. In this season, it will be essential that you turn to me, that you will look to me, that you rely on me. It will be essential for the safety of each individual and for each nation, and it will be a central function that you must all adopt.

I am in control. This world is now mine. I paid the price to purchase it back from the enemy. The enemy is still making noises, making trouble, but his time has not yet come. I have allowed him to continue his work so that the hearts of men can be manifested. In this season of the history of mankind on the Earth, you are entering another time of danger. I have warned you about this, to be prepared for it, so take this as good advice, as a matter of urgency. You must stick with me. You must adhere like sticky tape to paper so that we are linked together, unable to be separated.

My duty to you is that of a strong brother, one who will protect at all costs his young family members. In ancient times, this was called a 'safe city', a 'stronghold', to protect people from enemies. I am that for you. This must become a fact to you. This is not religious jargon. I'm talking about the reality of life, the reality of life and death.

Now, I have placed you on Earth, each one of you, at this time in history. You are all here for a purpose – each one of you. You were given your assignments before you came, so this is not a game to me. This is more like a chess match, where I need the pieces on the chessboard to be moved in strategic positions so that the end goal of the Kingdom can be achieved. Now, there are many of these. Each of you has your own personal chess match, where I am moving you around and placing you in positions of influence, all for the good of Father's plans for His creation. If you don't understand that this is a reality, that you are here for a purpose for my Kingdom and not for yourself, you have missed the whole point of your being. So at this time, when nations are threatening other nations, where leaders are rising up and threatening destruction to those who resist them, I must be able to use you in my Kingdom to expand it, to impact the whole Earth, despite what you see going on around you.

Do not listen to the news and see that as inevitabilities. Do not fear. Do not trust in the politicians and leaders. Trust only in me. I will show you who else you are able to trust and rely on, and whose lead in society you should be following. In the meantime, listen to me. Let me teach you. Let me expose those things in your life and in your character which are preventing you from being of the most use for my Kingdom. Grow up: Mature as sons of the Most High God. This is your status. This is your identity. This is who you really are. Nothing should trouble you. Nothing should cause you to fear; because as a son, you have an all-powerful Father, and myself as your older brother, who is able to deal with any and every situation, whatever it happens to be.

This ‘rattling of sabres’, this fear-mongering that world leaders are perpetuating and initiating, these are like chaff in the wind. Most of these are wind-bags, but because of peer pressure, because of wanting not to lose face, many will boast and will be forced to act, otherwise they lose their seat of power. This is a dangerous situation. It is unstable. Find your stability in me, and allow me to guide your life and the life of this nation down a successful, prosperous path. This can happen in an environment of threat and challenge. I demonstrated it in the past, so it is not an unknown factor that you’re trusting in.

I use the expression ‘rattling sabres’ because that’s what it is, it’s designed to scare. The purpose is to coerce people into subjection to their will. You are sons of the Most High God, this is not what you [are to]¹⁵ do. Your spiritual warfare is to resist. It doesn’t matter what it is. If it’s not from me, you are to resist it in the way I show you. Then at the appropriate time, you attack whatever it is that is opposing you, as I show you how to attack. It is essential that you understand that it has to be done my way if my plans are to succeed. Of course, these are Father’s plans, not mine. If you and I together are to achieve Father’s plans, you have to come under my oversight, my guidance as the general-in-charge, as it were.

I have the big picture. I have the end-game plan. Alignment with me and my will by your loving surrender to me will see advances in the right direction for you and for your nation. Trust me. Trust me. Learn to rest in me, and allow me to do what I need to do in you, through you and around you. When every one of Father’s sons is doing this, there is a shift in the spiritual realm, and the atmosphere changes, and things that were offensive, things that were threatening can just evaporate.

I’m looking forward to our lives together, our interactions, as we move Australia forward to reach its destiny as a nation. Enjoy me as we do this because it’s our relationship together that will see Australia change.”¹⁶

Ron McGatlin

(extract from his teaching on the 8-8-2019)

“The rampant evil and strife released upon the nations of the world through a worldwide ungodly takeover attempt to establish a ‘one world government’, will create great disorder and bring severe persecution against the people of God.

A remnant Kingdom generation will survive the cataclysmic season of disorder and apocalyptic Earth-cleansing judgments. A purified holy generation of mature Sons of God in whom Christ fully dwells will come forth to establish the fullness of the Kingdom of God on Earth as it is in Heaven. This purified Bride Company of manifested Sons of God are a true body of Christ on Earth and at the same time are seated with Christ at the throne of God.

The supernatural work of the surviving remnant Kingdom of God people has now begun amongst the Kingdom-seeking people of God.

God is bringing people together in families and tribes in purified love connections and relationships, without religious form or formal government controlled systems but governed by the one true head of all things, Christ Jesus our Lord and King.

Through these love relationships under the headship of Christ, practical systems of Kingdom life and business of production and distribution of natural and spiritual materials, goods, and services are now beginning to be established.

The visible church and ministry systems will be greatly hindered or completely shut down by the anti-Christ, anti-Kingdom godless governing authorities during this season. God’s people can live and prosper spiritually in the underground systems contained in natural business structures and activities...

First, above all else, He is bringing us to Himself in Christ by the Holy Spirit into intimate love relationship of living interaction and communion as one with Him. Barriers are being broken down and taken away that have prevented our closeness of experiencing unhindered connection and communication with Father God.

¹⁵ – Added to make the message of the sentence more understandable. [LDS]

¹⁶ – canberraforerunners.org/wp-content/uploads/2019/08/MESSAGE-Rattling-Sabres-21-8-2019.pdf

Religious barriers and secular barriers of false beliefs and unbelief are melting away in the all-consuming presence of the love of God in and with us.

Secondly, He is knitting us together in families and love connections with a diversity of other Kingdom of God people of His love and nature.

These love connections under the direction of Christ Jesus by the Holy Spirit are guiding many of us into specific places of business service to meet specific needs. God's people are growing into various levels of ownership, management, and control of natural business activity – especially in the areas of needs that may be hindered in a difficult season, areas such as communication, connections, transportation, and basic life necessities such as food, water, energy, clothing, and shelter.

During the times of a “Day of the Lord” Earth-cleansing judgment and the disordered and oppressive tribulation, the internet and other electronic type communication may not be available for the safe use of Kingdom of God people to connect and communicate.

At this present time most of our ministry and business connections and communications are done through the internet, cell phone, and other electronic systems. When an oppressive anti-Christ government is in power, access to the internet and media systems may not be available to Kingdom of God organizations and people. Even now our Kingdom websites, Facebook, email, and other electronic communications are highly monitored and sometimes subversively limited.

Vital goods and services may not be readily available. Even personal travel can become very limited and dangerous for God's Kingdom people.

These travel and electronic communication freedoms and services have been a major factor in the spreading of the gospel of the Kingdom in recent decades. It is important for all of us to do all that we can to preserve these highly effective communication tools as long as we can.

I encourage everyone to also take full advantage of the internet while it is available to get the word of the Kingdom of God to all the world.

AT THE SAME TIME I AM HEARING A WORD OF WISDOM TO TAKE NOTE AND ACTION ON THE LEADING OF GOD TO BEGIN NOW TO ESTABLISH CONNECTIONS AND KNITTING TOGETHER IN FACE-TO-FACE, PERSON-TO-PERSON, AND GROUP-TO-GROUP COMMUNICATION SYSTEMS APART FROM THE INTERNET OR BROADCAST SYSTEMS.

I encourage us all to consider other means of connecting, transporting, and communicating the gospel of the Kingdom through the personal connections and natural business systems.

We can start now to consider alternate means of transport and communication of the true news and Kingdom of God materials. Underground systems in plain sight need to be planned.

Kingdom believers need to be in strategical places to carry out production and distribution of godly Kingdom information and goods. Many of us may need to get involved in natural business systems where we can have an influence and perhaps help provide goods and services to God's people in desperate times.

When ministry and church systems are shutdown or greatly oppressed, natural business systems will remain in place in some form to produce and distribute the necessary goods and services for life. The visible religious and Christian organizations and people may be limited or excluded from participating in receiving needed goods and services.

Here are some thoughts for all of us to pray about in preparation for such a time.

Just some practical thoughts and ideas for Secret Kingdom communications and connections:

Kingdom business owners in the computer/electronics field can now produce millions of tiny drives like the current flash drives to plug into any computer. A lot of Kingdom material and news can be secretly distributed in packets of these small devices. These and other vital goods can be distributed underground by natural business traveling people, such as:

Government agents at any level and anyone else who travels about for business or any other permitted reason,

- *Government officials can be doing Kingdom ministry,*
- *Truck drivers can carry news and goods from city to city,*
- *Delivery drivers – milk or bread trucks can distribute Kingdom items,*
- *Storefront businesses can also distribute Kingdom materials,*
- *Business Gatherings can be Kingdom meetings,*
- *Develop unique code terms or language,*
- *Managers in food production and distribution can get goods to Kingdom people,*
- *Family or vacation gatherings can be Kingdom meetings,*
- *Get jobs inside the systems of oppression to help get provisions to Kingdom people,*
- *Homeless camps or health care facilities can be Kingdom refugee communities,*
- *Migrant agricultural or construction workers can be apostolic ministers,*
- *Kingdom elders/leaders can get jobs in the market place and governmental systems now to influence activity,*
- *Tourist and vacation centers can become Kingdom meeting places,*
- *Business travelers can become Kingdom gospel and news carriers,*
- *Every personal encounter with other believers is Kingdom fellowship,*
- *Funerals and marriages can become Kingdom gatherings,*
- *Alternate electrical power sources for computers and other needs.*

All of our natural life including personal life, family life, and business life are one Kingdom of God life reality. Our entire life and all of life's institutions are the Kingdom of God. All are to be under the Lord and King, Christ Jesus, the one and only Head of all things. All are to be led or governed by the love, power, and wisdom of Father God in Christ Jesus in us by the Holy Spirit.

I like to prophetically look straight through the season of the evil rampage and the catastrophic Earth-cleansing judgment events to the glorious reality of the greater fullness of the Kingdom of God manifesting on Earth.

The righteousness, peace, and joy of the Lord will cover the Earth as the Kingdom of His love which is within us flows out to fill the Earth. The people are fully healed from the trauma of the past in this season of receiving beauty for ashes in the New Jerusalem reality of God dwelling fully in and with His people.”¹⁷

Ron McGatlin

(extract from his teaching on the 22-8-2019)

“A kingdom people are arising – a people who live and walk in the Spirit – a people who commune with God daily and carry His attributes of love, wisdom, peace, and power wherever they go – a people without fear and who will not be deceived or led astray – a people holy and pure who love God above all else and seek His kingdom with their whole hearts...

We are entering a season when many will be deceived by human goodness posing as godliness. True kingdom disciples live and walk in communion with God in the Spirit and will not be deceived. True righteousness from God is imparted into us as we commune with Him. His righteousness includes heavenly wisdom, love, peace, and power – the life and attributes of Christ.

The arising deception of human good is a marriage between the political and a new brand of “spirituality” based on man’s view of good without the Spirit of God. It will have a widespread appeal and acceptance. Many will come to believe that it is indeed the kingdom that God had in mind all along. It is the fruit of the tree of knowledge (human understanding) of good and evil. Human goodness is pleasant to the eyes, good food and desirable to make us worldly wise...

Much of the world will have been torn and stressed by wars, natural disasters, and economic devastation

17 – “The Secret Hidden Kingdom” canberraforerunners.org/wp-content/uploads/2019/08/The-Secret-Hidden-Kingdom-McGatlin.pdf

and will be ready for extreme change toward a better life and will readily accept the good-sounding philosophies and changes of the new brand of political spirituality and its moral values based in human thinking enhanced by a different spirit.

The new political “spirituality” will have a focus on the well-being of the people and the planet more than empire building. The new spirituality will view God as a generic force for good that may have many names and forms among different people. Unity is attempted as all concepts and forms of God are accepted and seen as the same. Hope will be increased among many people. Peace will increase as a polarized world begins to lessen national or tribal identities and take on a more one-world identity. Economies will seek a common level of more equal distribution of resources. The new political/spiritual leaders will appear as saviors and deliverers to the masses of hurting people.

Eventually anything or anyone who walks in the Spirit and has a biblical view of God and morality will be seen as an evil elitist enemy of the new human-good system. **The one thing that will always distinguish this system from God’s kingdom is that it will never give true recognition, honor, or worship to JESUS as the Son of God.**

The political/spiritual human good is really “good and evil.” It is from the same old tree of the knowledge of good and evil. It is man seeking to rule the world with good and evil by his own understanding apart from the Spirit of God. This new age goodness that has been with us for a long time will achieve great respect as it is joined with the political governments to attempt to unify the world under one system of “human-good” rule. This will produce a season of good times, but they will be reasonably short-lived and will usher in much of the biblical prophetic events written in the Book of Revelation.

The remnant of holy men and women who live in the Spirit and walk in the Spirit of God will not be deceived. Most of the people of the western world, including the old church systems and many Christians, will be deceived by this very cunning work...

At the same time all of this is going on, an army of mostly unseen kingdom-of-God people will become more purified and fully prepared to bring forth the reality of the true kingdom of God and His righteousness to rule and reign with Christ. The supernatural works of Christ Jesus flowing through the Holy Spirit will transform the true saints of this time into mighty men of God – mature sons of God moving upon the earth with supernatural works of God bringing healing and restoration to bring forth beauty for ashes and the oil of joy for mourning.”¹⁸

Wanda Alger

(extract from a dream published on 21-8-2019)

"Several weeks ago, my husband, Bobby, who is a local community pastor, had a significant dream. He was meeting with the pastors from our city when several large angels dropped down from the rafters with a message. They looked at the gathering and told my husband, "They don't know the battle that's coming. They are unaware."

As the dream unfolded, the angels started forming smaller groups with these pastors based on their interests and relationships. It appeared their connection with one another was organic in nature, not planned or coordinated by a campaign or project. The heavenly host was drawing these pastors together for heart-to-heart connections with one another to help prepare the way.

After a while, Bobby asked the largest angel if there was anything else they had to say. The angel then said, "People must move from being consumed about their natural health to being consumed about their spiritual health." ¹⁹
