

Learning to get into ‘The Presence’

The number one thing a son has to learn is how to hear from the Spirit with their spirit. As spiritual people, this is our spiritual mode of communication in the Kingdom. The second thing to learn is how to get into the presence of the King or Father very easily. This is difficult for most newcomers who have not come from a background of spirituality.

Here’s a tip from our King to help get you started:

“You don’t have to strive to hear my voice or feel my presence. You aren’t required to do anything. No need to stress over whether you’ve heard me. All you need to do is believe I’m with you. That’s it. That’s all I require—for you to believe despite what you see or feel. To simply let go and exist in this moment with me.

Be still. Know I’m with you even if you don’t feel me. I know how to move the hearts I’ve created. You were made for my love. You were created to know my voice. You are destined to see my face. Only, don’t try to force to make it happen. Lean back into my arms, which are embracing you right now. Rest in this moment with me. I am the center of everything. I am the truth that holds it all together. I am already with you, exploding with love in the very center of your being. You don’t need to do a thing. Just be present. Just breathe.”¹

This is only the beginning.

Once you start, you have to learn to get into his presence at any time, in any place and under any circumstance. On top of that you then need to learn to stay there and then learn to drink of the Living Water and feast on the Living Bread that he supplies through Holy Spirit. Then you need to learn to host the King and live out of the Internal Kingdom so that all your needs, in every area of your life, are met from the him as he sits on the throne of your heart where you’ve allowed him to be enthroned.
