

Why Bleak Messages?

(Prophetic message 8-11-2019)

Question: *Lord, why are you giving us the same message about alignment month after month so that it sounds like a cracked record, and why are the messages that you are giving to us for Australia so bleak?*

Message

“Those are good questions, and I know they relate to your hesitance to produce and send out messages from me. But like Jeremiah and Ezekiel and all the ancient prophets, you must distribute what I give you. It’s on your shoulders. The information for Australians needs to be written down and distributed. Australia is depending on you. I realise that you’re under pressure to produce messages that are palatable, but that’s not your job, and you know it. You’ve been asking questions, relevant questions, and I’ve been giving you the answers straight from my throne. Well done. Do not give up. Do not cease. Do not allow the hard-headedness of the Australian public, and especially my people, deter you from what I’ve called you to do.

I said you would be lonely if you moved forward in this task, and you agreed. Now that’s what’s happening. At the same time, it’s been good for you, that you developed an intimate relationship with me, and that you learnt to live from the internal Kingdom, where I am meeting all your needs, and we communicate and connect with each other.

Continue on with this vital work. You are making a difference, even though it doesn’t seem like it. Remember, it’s about what happens in the spirit realm and not what happens among a few people, a few believers, in Australia who receive your messages from me. Don’t give up. This is vital.

The messages are bleak because, as my Kingdom expands and my glory is displayed through my people, the enemy will pull out all stops, and will throw everything at those people and those nations that move with me. It will be bleak. It will be more than bleak. But remember, my Kingdom will expand until the whole Earth is filled with the glory that was intended to be displayed at creation has been achieved. You’re part of that team.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
