

# More on this Current Time in the Kingdom

(November 2019)

Following on from the prophetic insight I was given concerning the current season we are in,<sup>1</sup> a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

## KINGDOM NOTES

### **Bill Burns**

(a prophetic download published on 18-11-2019)

*“The end times are upon you. Therefore, watch and pray. Remain in a position of readiness. Stay close to Me. Walk and talk with Me. I will keep you in safety if you do so. Do not allow the distractions of the world to come into your life.”<sup>2</sup>*

### **Marsha Burns**

(extract from a prophetic download published on 19-11-2019)

*“You are Mine. You belong to Me. Be filled with the knowledge of My kingdom, and let your desire to be one with Me override your flesh and worldly cravings, says the Lord. Allow eternal perspective to dominate your lifestyle.”<sup>3</sup>*

*“When you feel like you are being pulled in a dozen directions, it is time to be quiet and enter My presence, says the Lord. There is no competition, pressure or chaos in the Spirit and nothing to drag you down. In this place you can be built up and strengthened. You will find the confidence and assurance you need to move forward. Come and unite your heart with Mine.”<sup>4</sup>*

### **Graham Cooke**

(extract from his e-newsletter on the 5-11-2019)

*“Sitting in stillness and practicing gratitude is something I wish every Believer would do every day. No matter what circumstance you are facing, establishing a place of peace in your spirit and inviting the Lord into your situation is something anyone can do.*

*Not only will you see a dramatic change in your circumstances, but your response to what ever stress or trauma you are facing will begin to lead you to a place of rest and healing.*

*Rest is a gift the Father has given us. Within it, you will find answers to prayers you hadn't been able to articulate; opportunities will open up to you and any relationship that had been rough or contentious will change and become whole. Don't wait, Beloved. Make time to sit in stillness today!”*

### **Judy Jacobs**

*“You expect healing in your body from Me, but let Me do the unexpected: Let Me do creative miracles in your body!”*

*You are expecting for your children to be delivered and set free, but let Me fill them with My Holy Spirit and call them into a ministry to the nations!*

*You expect for Me to get you out of debt; but let Me do exceedingly, abundantly above what you can ask or think—even to the point of millions!*

*You expect Me to come through so you can get the apartment that you have been inquiring about. But I want you to lift your eyes in faith and believe for the home that you have been believing for. You haven't even shared that dream with anyone; no one knows but Me!"*

*Is there anything too hard for the Lord your God? I am waiting for someone who will allow Me to show Myself strong on their behalf. Let your faith soar in this season! Let Me do only what I can do.*

*Expectation is what I thrive on. I love it when My children expect the great things from Me. It is My pleasure to give you good things. Expect the unexpected to come through every avenue possible. I have told you that expectation is the key. So:*

*—Expect Me to show up in a message on your phone.*

*—Expect Me to come through a package left at your door.*

*—Expect that telephone call.*

*—Expect that promotion that will bring you to your knees in emotions.*

*—Expect the business to turn around so completely that your financial advisers go bananas with excitement and disbelief.*

*Just expect the unexpected...*

*This new level of expectation and faith is the place I desire for you always. I want to use you and your faith to change nations on My behalf. Don't just think personal things, though I want to always give you the very desires of your heart; but think bigger! I want to transform cities, regions, states, counties, countries, prime ministers, presidents, senators, congresspeople, Supreme Court justices and your life!*

*I know you are longing to see My glory as others have experienced it, but I only come to a seeking heart—especially a heart who seeks Me with all diligence. I am speaking through My prophets, My pastors, My teachers, My evangelists and My apostles. Hear the word of the Lord to prepare for the Third Great Awakening in your life!*

*I am ready to do the unbelievable, the unthinkable and the undeniable in your life, in the lives of those you love and in the body of Christ—My church! Let Me be the captain of this boat called 'life.' Let Me charter you through these chaotic waters. When you do, we will walk on the water together. Your enemy has asked for you many times, that he would sift you as wheat, but I have prayed—and am praying for you—that your faith will not fail.*

*You are an overcomer. This is the victory that overcomes the world, even your faith.*

*Faith will be the compass and the stern that will get you up and over. Never doubt My Word and My promises; they are steadfast and faithful.*

*What if you knew that you could command your blessings? What if you knew that you have My ear at all times, and you can ask what you will? What if I gave you the power and the authority to move even mountains that may be in your way? What if I decided to give you the keys of David?*

*All of these 'what ifs' are very true, My dear one! I have given all of these things to you and more. The only thing I ask is that you believe Me in faith. For if you ask anything according to My will, I hear you; and if you know that I hear you, then you have those things that you desire!*

*It's just that simple. That is why, by faith, you can expect the unexpected...*

*The things that I did for My children in the past, I stand ready to do again—but in a greater degree! Who will trust Me? Who will raise their faith level? Who will believe me?*

*I am calling you to the exceptional. I am calling you to expect the unexpected. I am calling you to believe My Word, My promises and My decrees over you. Keep your eyes on Me, and I will lead you to the place of rest, peace, prosperity and promise. Look up to the heavens; today could be the day! Expect the unexpected!"*<sup>5</sup>

## **Lana Vawser**

(extract from a prophetic article published on 16-11-2019)

*“As I have sought the Lord after these encounters and dreams I heard the Lord say “Welcome to the school of the mouth!!”*

*There is an invitation being extended by the Lord right now to enter into a time of being schooled by the Holy Spirit in the power of our words like never before...*

*I heard the Lord say “I am raising the standard in the lives of many through the revelation of My word on the words that they speak” ...*

*As I continued to seek the Lord’s heart I felt strongly this beautiful invitation to be schooled by Him which would lead to a realm of revelation of re-introduction to the power of decree and the authority and power of the Word of God, and at the same time I felt the fear of God strongly. The sense surrounded me strongly that what we are going to be entrusted with in **this new era** in this move of God there is a weighty responsibility upon us as the people of God to steward our words well.*

*The Holy Spirit spoke again:*

*“Fire is coming upon the tongue”*

*“I am bringing MAJOR deliverance to My people of WRONG declarations”*

*There is a MAJOR purification and conviction of the Holy Spirit coming into the body of Christ like we have never seen before to bring conviction and purification of words that are spoken. For the Lord is going to bring forth DEEP healing in hearts of many as they say YES to entering into the School of the Mouth with the Lord...*

*This is **the era** where fire will fall upon tongues and a commissioning will take place in greater ways of those being positioned to speak, sing and declare the word of the Lord. Many have lost their voice and this is the era where voices will be restored.*

*There is a mighty wave of His deliverance being released upon the tongue to deliver the people of God from declaring things that are not His heart, not what He is saying and not His truth that’s being spoken over themselves and others. God is dealing with lies and half truths and leading His people into a place of declaring what He is saying...*

*I heard the Lord say “Those that embrace the school of the mouth will have mouths that flow with heavenly wisdom that has never been seen before.”*

*What the Lord is going to do by His Spirit in this intense training, purifying and preparation that will take place in the “School of the Mouth” will see MAJOR revelation and impartations of wisdom being released to them and they shall open their mouths and out shall flow revelation of His wisdom and the mind of Christ that has not been seen before. The level of wisdom God is going to release will be unprecedented.*

*It’s all about yielding to the process of the Lord and training of the Lord to speak what He sees and then see the manifestation of what He speaks. For the Lord showed me that many are speaking words over their lives that are words of death, they are not words of life and there is a mighty heralding summons of the Lord to stand in **this new era** and to speak ONLY THAT which He speaks and to speak LIFE.*

*The Lord is going to demonstrate like NEVER BEFORE in **this new era** the power of words and the power of BLESSING and decreeing His Word...*

In **this “Esther”, “Joseph” and “Daniel” Era**...the Lord is going to see these ones receive the wisdom and download of blueprint strategies from heaven to answer the problems and issues that kings and leaders will need. We have seen this has already begun but it is going to increase in momentum like we have never seen before where the Church will be called on to SPEAK the wisdom of God in places of significant influence that will shift and change nations.

I heard the Lord say “In 2020 and beyond there will be mighty demonstrations of My decrees suddenly unlocking the destiny in nations in ways that have never been seen before...”

The Lord showed me that there is much ‘backbiting’ that is taking place in the body of Christ right now and there are ‘words being spoken in secret’ that is really partnering with a spirit of witchcraft and bringing curses upon fellow believers. The fire of God and His conviction is coming in greater increase to deal with the backbiting. The Lord is doing a deep work in the body of Christ to bring unity. To bring His people into a place of brotherly love and honour of one another...

The invitation is being released. Will you say yes? Invite the Holy Spirit to come and give Him permission to do whatever He has to do to purify your mouth, teach you and prepare you to partner with Him in this new decade of decree that we are about to enter into.”<sup>6</sup>

## **Lana Vawser**

(extract from a prophetic article published on 20-11-2019)

“Over the last year the Lord has been speaking to me a lot about how important it will be and is in **this new era** to be a friend of God and living in deep intimacy with Him. To be positioned close to His heart asking Him to develop in us eyes that see, ears that hear and a heart that discerns His ways.

He showed me that if we aren’t living in that place of deep intimacy, close to His heart, postured in humility to allow the Spirit of God to school us in His ways, that many would be offended in **this new era** at the way that God moves, who He uses and what it looks like...

I heard the Lord speak over the body of Christ: “Be careful not to criticize the ways I am moving in **this new era**”

When the Lord spoke this, instantly the Lord highlighted the MOUTH to me again. There was such a strong sense that surrounded me “Do not be quick to judge something as NOT God because it doesn’t fit the box or paradigm that you think it should.”

This is the ERA OF THE UNEXPECTED! This is the era where God is going to do things SO out of the box, because He is wanting to reveal His majesty, His Glory, His power. We have only just begun to see a “drop in the ocean” of what God is going to do in **this new era**. God is going to demonstrate His power, His Glory, His splendour in ways that we have never seen before, but it REQUIRES having eyes to see and ears to hear...

The Lord is inviting the body of Christ into a place of partnering with Him in the greatest move of the Spirit of God that we have ever seen in the earth, but stewarding that move and partnering with Him requires hearts that are yielded in humility and those who are friends with God and are schooled in the ways of God.

I felt the fear of God so strongly as the Lord spoke those words to me “Be careful not to criticise the new things that I am doing in **this new era**”

There is such a strong feeling in the atmosphere to “Watch your mouth” in **this new era** like never before. Do not throw around careless words especially being quick to deem something as ‘not God’ because it looks different to what you have experienced or seen before...

There is a SUMMONING from the heart of God right now into the place of intimacy, laying down opinions, preconceived ideas, judgements and expectations to ASK the Holy Spirit to reveal His truth, to reveal His ways and to lead us into ALL truth. This is the place of preparation for what is to come. This is the place of positioning to partner with God in what He is about to do. This is the place of stewarding this new move of

His Spirit and not 'standing in the way' of what God is doing...

"Then his disciples approached [Jesus] and said, "Don't you know that what you just said offended the Pharisees?"<sup>7</sup>

This is a very important warning from the Lord that all of us must take on board. We MUST be in the secret place as friends of God KNOWING HIM above ALL ELSE in **this new era** and not be found to be ones throwing stones with our words at what GOD is actually doing in the earth. Let us not be found standing in the WAY of what God is doing, rather than partnering WITH HIM in the greatest move of the Spirit of God in the earth. The move of God in **this new era** is going to expose the religious spirit unlike anything we have ever seen before.

There is a separation that is taking place in the body of Christ right now by the move of God that's beginning and it is separation that is displaying those that KNOW HIM intimately and have eyes to see and ears to hear and live grounded and founded in the Word of God and know His heart, and those who don't. This is going to become more and more apparent as we venture into **this new era**. The heart of God is that ALL would draw close and partner with Him, but it is our responsibility to be positioned in humility. In the place of humility the Spirit of God through His Word and His truth will break deception, pride and offense in **this new era** in the hearts of many AS there is a drawing close to Him and humility that takes place...

The Lord showed me streams of all denominations coming together like never before in **this new era**. It is going to take place in ways we have never seen. There is going to be MAJOR demonstrations of unity that is going to take place in this mighty move of God that will take place in the earth.

As I watched this take place I heard the sound of "murmuring" and "bickering" in the Spirit. I heard the sound of believers criticising, speaking against and whispering "We don't partner with THEM", "We do not align with THEM".

This is the time to lay down "offenses", to deal with anything in the heart that would hinder us from partnering with our brothers and sisters in Christ because of denomination differences or offenses. The streams are going to merge like never before and it is going to be under ONE thing, it will be under the NAME of Jesus Christ.

In **this new era** the STREAMS will COME TOGETHER to BUILD TOGETHER with God is building. Do not be offended at how God does this. Do not allow offense to keep you from flowing in the tidal wave of His Spirit bringing the streams together. It's time to let go and repent of pride, offense and bickering. It's time to ask the Holy Spirit to bring healing to the heart and greater revelation of the love of Jesus to embrace our brothers and sisters in Christ and stop throwing knives and stones at each other with our words. It's time to be people who walk in LOVE. Loving one another, honouring one another and laying down our lives for our friends<sup>8</sup> and considering others better than ourselves<sup>9</sup>...

The shaking in the Church, by the hand of God will bring to the surface more and more things that have stood in the way of the body of Christ walking in John 15.

God is bringing purity to the Church. God is purifying the body of Christ. The Lord is returning for a pure and spotless bride<sup>10</sup> and **this new era** the fire of God is already beginning to purify, expose, refine and purge to PREPARE us to walk in the purity and holiness that we are called to walk in, in Christ. There will be some "upturning of the tables" by the hand of God more and more in **this new era** to usher in purity in the body of Christ.

Let us be people who are living in deep in the secret place, knowing Him, seeing Him and being taught by Him and learning His ways.

Let us be found not criticising what God is doing in **this new era** if it looks completely different to what we expect. Let us be people that cry out "God make me ready! Teach me! Give me eyes that see and ears that hear to DISCERN what You are doing and partner with you even if it offends my mind."<sup>11</sup>

## **Wanda Alger**

(extract from a prophetic article published on 12-11-2019)

*“The Holy Spirit reminded me of a word I shared almost two years ago concerning the "religious spirit" and its attack on the work of the Holy Spirit in the coming days. This religious spirit will seek to denounce the work of God's Spirit by condemning anything that doesn't fit the mold of man-made expectations or religious protocols...*

*It is apparent that we need to get past human reasoning and outer appearances in order to rightly discern by the Spirit. God is moving in unfamiliar territory these days and our old mindsets and expectations need to be updated if we are to embrace the revolutionary transformation God wants to bring to our culture. Many have been praying that salvation would come to the mountains of media and entertainment and we need to be prepared for what that may look like—apart from our preconceived ideas and familiar formulas.*

*In February 2018, I wrote about an experience I had where the Lord told me, "Religion is about to become unglued!" Our garage had flooded unexpectedly, and two family Bibles got wet...*

*As I looked at these waterlogged family heirlooms, the Lord spoke to my spirit and described a similar spiritual reality that was coming to the body of Christ. A coming flood of the Holy Spirit is going to impact many religious mindsets from the past that focused solely on outward appearance rather than on the heart. This coming work of the Spirit will forever alter the appearance of kingdom realities and will cause many religious minds to become "unglued"!*

*The Bibles I held in my hands were symbols of tradition. At one time, they were highly esteemed treasures to be admired and cared for. But the unexpected flood changed their appearance—not their eternal value but their outer covering. Just like the decorative cover of the Bible, the religious spirit focuses on appearances and that which man might consider sacred. And yet when the Holy Spirit comes to flood our hearts with the manifest presence of God, we are forever changed from the inside out. The outer appearance no longer determines the value of the Word inside. The written Word becomes alive and active in our lives and we no longer live by the letter of the law, but by the Spirit! ...*

*The fact is, when the Spirit moves in our lives, things change. Things we once considered "normal" or "appropriate" now become subject to a supernatural God without limitations or fleshly boundaries. Things will look different and we can't judge by the cover anymore. This is what is taking place in our culture as the Lord is bringing salvation to many who have been walking in deep darkness. Just as Saul was transformed from a murderer of Christians to an apostle in the church, so is God redeeming many prodigals whose public transgressions are now becoming platforms for transformation. That which was once considered ungodly, heathen and even demonic is being utterly transfigured into a glorious demonstration of the kingdom.*

*Is our faith too small to imagine that such a transformation is even possible? Does our human reasoning doubt the sincerity of these new converts simply because they don't know our religious protocols or rules of the house? Perhaps it is not these prodigals who are being tested as much as the older brothers of the faith. Can we recognize a true work of the Spirit without penalizing the sinner or questioning God's mercy (see Matt 23:13)? Can we see a pure heart seeking after God, even if their methods or manners are still immature?*

*Those who walk in the Spirit must look past the packaging and consider the gift inside. God is calling many into the kingdom who do not look like us, sound like us or talk like us. They will not be conventional, traditional or even remotely religious. They will simply be sold out for Jesus. He is answering our prayers concerning the harvest! Their voice and influence will reach others whom those in the religious mountain can never touch. I pray we can look beyond our traditional comfort zones to consider the radical zeal of the Lord that refuses to be bound by protocols or restrained by religion.”<sup>12</sup>*

## **Joe Joe Dawson**

(extract from a prophetic article published on the 23-11-2019)

*"[T]he Lord spoke to me and said, "Stay the course".*

*When the Lord spoke this to me I knew exactly what it meant. Many of us look for and expect the big breakthroughs, the major shifts, the sudden miracles to come without much difficulty or process.*

*Everything worth having in life comes with opposition. Don't let the opposition throw you; stay the course. It is important for us to remember that the process that we go through in order to get to the promise is what helps us to steward and value the promise when it comes. We must be just as excited about the process as we are the promise. No process, no promise.*

*Many times, when we are waiting for breakthrough, we can feel tempted to quit or give up. However, I believe that this next season is going to be a season of fulfilled promises coming to pass. This is why we must each stay the course.*

*Keep moving forward. Don't give up. Remain faithful as you wait; your breakthrough is coming. I believe this season may not be about launching into something brand new, but about simply staying the course. God answers our faithfulness and obedience with His power.*

*Build what God has placed in your hands. God is expanding those who will stay the course and endure the process..."<sup>13</sup>*

## **Holly Watson**

(extract from a prophetic article published on 13-11-2019)

*"Holy Spirit spoke to me and said, "Momentum is building again".*

*I've sensed over the past few weeks that many people in the body of Christ have seen areas in their lives where it's seemed like their progress has stalled and their strength has weakened. There's been a complete reliance upon the Lord regarding obstacles in the roadway of their destinies, where assigned adversity has afforded the people of God new levels of faith and a new resilience for the long haul. Where many believers have found themselves growing weary with the pace of their race, I saw the Lord sending times of refreshing to restore discouragement, hope deferred and unexpected delay.*

*Holy Spirit showed me two sets of people in the body of Christ who were preparing to cross over into their new season. There was one group of people who God had opened new doors of access to because they were ready and prepared to go to next-level assignments in their authority, gifting and anointing. Then there was a second set of people who were being refined in the fire for carrying new power, new realms of glory and a greater measure of faith to heal the sick, set the captives free and walk in new dimensions of miracles, signs and wonders like never before.*

*Both groups of people endured the threshing floor of preparation for carrying the fresh oil needed at this hour. These ones paid the price, endured the cost and surrendered their all while passing through the narrow place of transition. The mountaintop has positioned you, and the valley floor has anointed you.*

*I hear the Spirit of God say, "It's not by might nor by power but by My Spirit that these ones have been raised up and brought to the forefront at this time. Make no mistake about it, I have chosen the time and the season where the momentum of their days would meet with the fruit being manifested through the fulfillment of My promises. This is not an hour to shrink back and despair. This is an hour of new power to be demonstrated through My servants, the prophets."*

*There's a convergence happening in the body of Christ at this hour where our training ground from the past has positioned us for what we were created and formed to do by the hand of God from conception. A merging of where many have been and where it's been prophesied that many are going is creating an atmosphere conducive to the winds of momentum, ushering the saints of God into higher and weightier*

realms of glory.

*I see a thrust of God-ordained promises beginning to explode in the spiritual realm to lift the saints of God into kairos moments orchestrated by the hand of the Lord...*

*We are entering realms of glory as sons and daughters of God to blow the lid off any other move of God that's come before us. The Spirit of God is roaming the earth and marking the pure in heart who are spotless and blameless in the eyes of Father.*

*While the church is being purged of perversion, sin and gross compromise, a remnant of Holy Ghost glory-carrying, authority-wielding vessels of power is beginning to emerge for such a time as this! ...”<sup>14</sup>*
