

Changing the Way We Speak in the Kingdom

It's important to be real, but convey our thoughts in a way that people will listen. One way I do this is to tell people who I'm talking to that I'm a spiritual person, not a Christian. It's not giving up "the faith" to speak like this, it's ceasing to use church jargon. If you can't change the way you speak it shows that religion is entrenched in you.

Here are some of my articles to help you change to a Kingdom way of speaking:
