

Genuine Kingdom Life

(Prophetic message 27 & 28-12-2019)

Question: *Lord, you've been teaching us that the Kingdom life is you living your life in us and through us. What is it that you want to say to your people in Australia about this topic?*

Message (part 1)

“This is exactly right. You’ve hit the nail on the head. This’s what I’ve been after. I’ve always been after this. I demonstrated it when I was on Earth by my relationship with my Father and with Holy Spirit, but it’s a facet of life in the Kingdom that has been sadly missing. Too many of my people live their own lives and don’t give me a second thought. Many others try their hardest to please me, thinking that this is the life that they should lead. But I tell you now, I tell you straight, the only life that you should be living is my life. That is, me inside of you, in concert with you, living my life through you so that the Kingdom goes out from you and impacts those around you, impacts society and ultimately impacts the world. You are not able to make a full impact, a complete impact, a strong impact on your culture unless you live my life, unless I am allowed to live my life through you. Anything else – putting it straight – is just works. Yes, works.

Now, because of grace, I accept your heart, and I bring a level of blessing to what you do. But Father has not set up my Kingdom on Earth to operate that way. It’s pretty clear, if you have come into my Kingdom, then you need to align with my Kingdom and learn to live in the Kingdom my way. If you try and live in the Kingdom your way, you’re like a fish out of water. You just don’t fit. And the abundant life that I promised escapes you all the time because the abundant life comes from my life. It doesn’t come from you looking for life in the church or in your spiritual activities. Life is only in me. Real, genuine, abundant life only is in me, and if you want that life, I have to live it from the inside of you out. For me to do that, you have to give your life to me. You have to surrender your life to me.

Now, I want to be clear. You don’t give up your life for me, not for me, you give up your life to me, and I exchange your life for my life. That life comes from our intimate relationship together, and by you allowing me to do what I want in you and through you. I have promised you ‘Living Water’. I have promised you ‘Living Bread’, and both those are to satisfy your spiritual needs. But those two things are me. I am your ‘Living Water’, and I am your ‘Living Bread’. You have to drink of me through Holy Spirit, and you have to feast on me through Holy Spirit. This is how you get strengthened and energized for each day, and how you can go through tough times, full of life, and not weighed down by circumstances because I am living life through you.

This is a paradigm shift and it has to become a revelation if you’re going to live this abundant life, this Kingdom life that I have promised. It’s there, it’s available to everyone who comes into my Kingdom. As soon as you are spiritually reborn, I am inside you, but you have to allow me to sit on the throne of your heart. You have to surrender it to me. You have to actually abdicate, because I’ve given you control of yourself. You actually have to surrender it and step down and allow me to sit on the throne of your heart. Most don’t like this because they want to do what they want to do. They feel like they are being squeezed, put in a box, and they can’t really live the life they were put on this Earth to live. Well, that is ‘dead’ wrong! You were created for me to live life through you. Adam was created like that, and you, having been born again, are in that same place where I can live my life through you. Once you taste of my abundant life which comes, as I said, through me living my life through you, you will not want to go back to your old ways.

The abundant life that I provide for you is so good, when you taste it, you will wish you had it a long time ago. So, my people, it’s all up to you. It’s all about you wanting what I have, and surrendering yourself to me so you can have it. It’s simple, but it’s like jumping in the deep end of the pool – it’s either sink or swim. It’s very scary, but once you take that leap of faith and allow me, as I train you, to live life, the Kingdom life, you will thoroughly enjoy the rest of your life.”

Message (part 2)

“That’s right, my life. It’s all about my life. You were created for me to live life through you, as I said. That’s Heaven’s life, as it manifests through me, through the power of the Holy Spirit, through you, so that you are able to touch the Earth with the Kingdom of Heaven. There’s no other way.

If you want to see changes to your nation, big changes, don’t look for revival. Revivals don’t last because people can’t maintain it. The only thing that lasts is what comes from the Spirit realm. This is why it’s so important for you to live life in the Spirit, and for me to live my life through you. In that way, you will be revived, personally, each one of you, every day, on an ongoing basis. And the more you surrender your life to me, the greater will be the manifestation of me through you.

It will be an ongoing revival in crescendo, building and building and building. So that, with so many of my people allowing me to live my life through them, the spiritual atmosphere of the nation will change because they are aligning with me and allowing the power and the life of heaven to flow through them, that massive changes will take place, and this will be an unstoppable process. Well, by “unstoppable”, I mean, while ever my people are prepared to totally surrender to me and give up their lives to me, it will build. But as I said, you all have the prerogative to say, “No”. This can happen as I take you further and deeper in my life. You still have the opportunity to say, “No”, and to stymie what I’m doing in you.

This is how the first believers and followers in me made such an impact. They were taught to allow me to live through them because they learnt from the leaders about total surrender. Not surrendering their lives for me, but to me, and allowing me to use them and to live through them so that they were able to achieve what I had for them to do. So the challenge is there, Australia. Don’t look for national revival. Start working on revival in yourselves, each one of you. Surrender to me and allow me to live my life through you so that I can revive you and then empower you so that we can move as a team towards transforming this nation.

Remember, my goal, my heart goal, Father’s goal, is for the restoration of all things. I have provided the way back into our family. I have paid the price and defeated the effects of The Fall, so that you could be spiritually reborn and be in a suitable state for me to make massive changes on the planet. Just ponder that, and make your decision to be a part of my team.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
