People ask me, "What do you see for 2020?" or mostly, "Do you think Trump is going to be reelected?!" They wait with bated breath, eager for me to say, "Yes, of course, he will win," but the truth is that every time I seek the Lord for an answer regarding the 2020 election God changes the conversation. The Lord doesn't give me an answer, instead, He asks me a question. He asks, "Lance, is the church on my side?"

When Joshua crossed over into the promised land, he was met by an angel with its sword drawn. Joshua knew instantly that this was a warrior, and he asked the angel, "Are you for us? Or are you for our enemies?" The angel answered by saying, "Neither... I have come as commander of the Lord's army."

When Jehovah engages in earthly battles of good and evil he is neither ally nor adversary, He arrives as Commander-In-Chief and wants to know of us, "Are you on the Lord's side?"

If you want to know where we are going in 2020, we need to first look at where we have been. While the people of God ask for a new word they must heed what God has already spoken. Amos 3:7 says: "The Sovereign LORD does nothing without revealing his plan to his servants the prophets." Consider what the Lord has already said:

2014 February - Kim Clement, foretelling Trump's jolting victory, declared that both parties would be shaken. Kim shouted, "Why is God doing this?" The answer from heaven was, "I am dissatisfied with what emerges from BOTH parties!" Trump was neither the darling of the Democrats or Republicans. Kim continued with this word of knowledge, "They will shout 'impeach, impeach' but this will not happen". Sound familiar?

2015 September - Kim and I were supposed to meet at Trump Towers in N.Y. but it would be on that day Kim went into the hospital. His prophetic words regarding Trump were like a baton that the Lord was looking to hand off. During that time the prophetic increased like fire and burned in my bones. Within 2 weeks of Kim's illness, I was prophesying... by the time the election was over, we impacted over 4 million people!

During that time I prophesied:

- * At a Trump rally in Georgia, "Trump is a wrecking ball to the spirit of political correctness." Suddenly TIMES, Weekly Standard, etc. all had covers of Trump on a wrecking ball.
- * Then declared, "Trump will make a declaration and he will be called a modern-day Cyrus!" (The left-wing media never forgave me and to this day Bill Maher mocks me) - but I was right!
- * Then we predicted a media illness called "Trump Derangement." Suddenly the term Trump Derangement was all over the radio.

2018 November - When midterms came, there was a surge of "red wave" prophecies. I was not among them. I said, "This President is like Lincoln presiding over a house divided." It never occurred to me

that I was prophesying the literal Senate and Congress splitting.

During these next 11 months, I plan to speak boldly because it is time for a fresh word.

What will happen in 2020?

PREDICTION #1: Expect God's wrecking ball to hit the religious spirit in the church! Even before we move into 2020 the Church finds itself in the epicenter of controversy as Christianity Today opposes President Trump, politicians and the media piously lecture Trump's Christian supporters on what a "true" Christian should be...

The left is working hard to get their liberal evangelical voices mobilized to divide Red state Christians. Where will the church stand? The Lord has been saying to me that the issue in 2020 isn't Trump, the issue will be US!

PREDICTION #2: God is not satisfied with either party, Republican or Democrat. He has a plan, and He has chosen a man... the question He asks us is, "Are you on My side?"

In 2016, I was one of the first, clearest and loudest voices to predict the rise of the Trump wrecking ball. I have determined that in 2020 I will stand on the Lord's side and that I am going to exhort as many people as possible to take their stand on the Lord's side.

- * We will be doing BOLD T.V. BROADCASTS, WEEKLY for the next 40 weeks till the election.
- * We will be doing BOLD, WEEKLY social media updates during the next election cycle.
- * We will TRAVEL INTO KEY STATES, maybe your state, and rally believers together.

We are in a battle to save America from the hands of those who would destroy it. We have moved beyond who is going to be President every four years, and now work to save the soul of America.

We are calling this campaign "As One America" and it's my vision to awaken the church to the reality that political issues are faith issues. This coming election will determine which America emerges.

We are going to need every voice, and we will need your voice.

On the front lines,
