

The Bushfires 2019/2020

(Prophetic messages on the 9th & 18th January 2020)

Question #1: *Lord, everyone has their own ideas about the extensive bushfires in the eastern states of Australia over the past six months. This country belongs to you because you are the King of the universe, so what is it that you'd like us to know about these fires?*

Message

“Cogitating on what has happened is not a useful pastime for anyone. You’ve done the right thing in coming to me to find out what needs to be known in Australia.

(1) First up, I would like to say that I’m not the cause of the bushfires. Many of my people look in the Old Testament to explain what’s happening today, but I advise them, this is an error. You are living in the New Covenant. The Old Covenant is dead, completed, finished. Under the New Covenant, there is much grace – grace is abundant.

(2) When I came to re-establish Father’s Kingdom on the Earth, it was ushered in at the right time. The New Covenant is the New Agreement that we have with humanity. The purpose of the New Covenant was to allow everyone (everyone who wants to) to come back into our family where we created humans to be. You are the pinnacle of our creation. You are a little lower than the elohim.¹ You’ve been placed in a position of honour and authority, far above the angels and other spirit beings because you were made in our image and likeness, and you are made to have relationship with us.

You must understand your status in the spirit realm because that status will allow you to operate under the power of the Holy Spirit and under my guidance, to carry out the plans of Heaven on the Earth. Your role as a son is to align with Heaven, align with us, so that you can implement our plans. This has always been your purpose in oversight of the planet. It was never to serve yourself. It was to partner with us and to have a relationship with us so you can learn how to manage the planet properly.

How does this relate to the bushfires? Well, because of The Fall (the sin of Adam), you lost your relationship with us. But it has now been restored through the work that I did on Earth, as I went about life on Earth, being focused on Father’s business, nothing else. This is your role. Once you come into our Kingdom as a son, your focus has to be our business. True, you have to live life, but that life you live with us and for us. But, every waking moment should be a desire to achieve the goals of the day that we set for you. This means that you’re supposed to impact your nation for us, and of course when Heaven touches any component or segment of the planet or life on the planet, it prospers.

Remember my touch with people? I touched them and I brought life. One of the teachings I gave was to establish the fact that I came to bring life that’s abundant, overflowing.² This is the Kingdom life. This is our life, and if you live your life for us and allow me to live my life through you, the abundance will flow. It will flow into you and out of you, and it will touch people. It will reverse The Fall, where the wonderful garden that you were created to live in was exchanged through sin, for toil, thorns, thistles and pain.

The life you have in the Kingdom is the life that you were created to have originally. That means, if there are things happening in Australia that don’t mirror my abundant life, then my life is not being released into Australia. That’s logical and quite clear. When the enemy is in charge, because my people are not exercising their responsibility as sons, he’s allowed to do whatever he wants, and he brings chaos³. He is chaos, and that chaos is designed to destroy the hope of people, to distract them from the life that they have free from us. The pain and the anguish, the stress, are all a result of his work. So it is quite clear that my people in Australia, in bulk⁴, need to align with us. Religion will not help – it will not help Australia to prosper as it should be prospering in my Kingdom.

Although I am the King of this nation, I work through my people. If they don’t take Australia for me, if

2 – John 10:10

3 – The effect of The Fall was to cede the oversight of Earth to Satan whose aim has been to destroy all the work of God in creation and planetary influence. Chaos is what we observe as a result of his efforts.

4 – i.e. “In very large numbers”

they don't influence the nation by ruling what I have [personally]⁵ given them authority over, then I can't release the abundance, the prosperity, the wonderful life that I have for the nation. Because, when we created humans, we created them to be the ones who work for us in the natural realm. Sure, we can do it all ourselves, but that's not the way we set things up. You must get that. We work through you.

So the bushfires are just another example (as is the drought), of the lack of Kingdom impact on Australia, and I lay the responsibility at the feet of my people. I know they have been hoodwinked by religion so that they think that that's the life they're supposed to live. When I demonstrated how to live, it should be clear to them. So mimic my life. Don't copy the task and the job that I had, copy my life. Learn to live how I lived: one with Father; only doing what he wanted me to do; only speaking what he wanted me to speak; allowing him to do the work through me, so that the only things that I did were him working through me.

Forget about trying to analyse about bushfires and droughts, and focus on becoming mature sons so I can use you to impact Australia. Then you'll see what I'm talking about."

Question #2: *Lord, some people are saying that the calamities we've had, such as the recent wildfires, are your retribution against Australia's declining standards and sinfulness. What is your perspective on this attitude?*

Message

"I'm glad you asked that question because it grieves me that my people are attributing this to me. This is a period of grace [you are in]⁶. I spent my life on Earth to counteract the effects of The Fall, and to give you dominion over the planet and dominion over the enemy. Grace flows today. Grace flows, not only to my people, but to the world. You know that I send the rain on the just and the unjust, and you quote that. Why is it that you live outside of the New Covenant, outside of grace? Why is it?

I want my people to partake of the fullness of the Kingdom, our Kingdom – Heaven on Earth. It's your privilege to be sons of the Most High God, and it's your responsibility to be doing our business as your prime directive every day of your life. You see, if you allow us to live our life through you rather than you being servants, God's servants, everything changes. It's a paradigm shift to move in that direction, so that your worldview changes. So you see that your task in life, your purpose in being on this planet, is to implement plans of Heaven: To see the effects of The Fall rolled back, bit by bit, so that the Kingdom fills the whole Earth, as was prophesied⁷.

You cannot do this if you still live in the Old Testament, under the way things were before I set the 'stake in the ground'⁸ and established 'ground zero'⁹ with my death, resurrection and ascension. 'Ground zero' set in motion the establishment of the Kingdom of Heaven on Earth, and you are part of it. I work through my people now. Their job is to impact the nation and to turn the nation by their impact and by their lifestyle and by their testimony, so that the nations move in one direction, Heaven's direction.

Now, as I prophesied when I was on Earth, there will be sheep nations and goat nations.¹⁰ There will be nations that flow with Heaven and those who oppose it. Your job is not to second-guess which one is which. Your job is to align yourself with us and be about our business, doing the work that we set for you to do – carrying out your assignments to the best of your abilities, under the guidance of Holy Spirit.

I told you already that it is the enemy that creates chaos. You [should]¹¹ remember this from my

experience in the boat on the lake¹²? You know that my authority as a son allowed me to speak to the chaos and pacify it. This is the right and the ability of all sons. Your job is to see that chaos diminishes, and that only happens as more and more of you work with us in alignment, allowing us to mature you and grow you as sons, so that you can actually stem the tide of the chaos and bring in Heaven on Earth.

This is not going to be an easy task because while ever you raise yourselves up, the enemy becomes infuriated, and he works harder against the nation because of you. He doesn't just work against you, he works against the nation because he knows that those who are aligned with Heaven are impacting the nation in a positive way.

So, neglect any comments by people that catastrophic natural activities are our anger against the sin of a nation. This is not reality. True, in human terms we are frustrated with the way our people are not rising up to do the tasks that they were sent to Earth to complete, but our love and our grace prohibits us from wreaking havoc. That is a tool of the enemy. That is the hallmark of the enemy. Wherever you see it, do not attribute it to us.

Wake up. Get into the reality of the Kingdom, and be about our business, and you will see your nation change.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
