

Australia's Forerunners

(Prophetic messages on the 16th & 17th February 2020)

Question: *Lord, you have told us that you have sent out your forerunners and you've advised us of some of the difficulties they've been having.¹ What is it about forerunners that you want to advise your people in Australia?*

Message #1

“Yes, I have sent them out into your midst, and it has pleased me greatly to be in a position to do that.

At this time in the new era of the Kingdom, the forerunners are at the coalface. I have trained them, and I continue to train them. I have instilled a different spirit² in them, I have schooled them in the ways of the Kingdom, and I have instructed them to pass on this information to my people. This vanguard has been doing a great job. They have put energy and effort into this [learning and information transfer]³. They have faced opposition from the enemy who sees them as a great threat, but their effectiveness is being limited by the hearts, the minds and the spiritual ears of my people. Their message is straight: “Prepare yourself for transformation”. Transformation out of who you are, to who I want you to be. Transformation out of your situations and circumstances, into those that I want you to be in. Transformation as a nation, into the nation that I want it to be.

Now, the resistance that they are receiving is two-fold. One is the resistance of their message. The second is the resistance of transformation.

Australia, listen to my forerunners. Listen to these pioneers who are travelling down paths that you haven't travelled on (the paths of growth and development) so you can become the nation and the people that I have destined you to become. Don't reject their voices. Discern them, but don't reject what comes from me. This is an important time in history. Don't miss your opportunities. Don't miss your destiny. It's all in your hands because you have autonomy to make the decisions that you want, but I do hold you accountable for not aligning with me and entering the destiny that I have for both you and your nation.

The message they bring is multi-faceted. It is a re-programming message. It's a teaching message, and it's a message to allow you to grow and mature as sons of the Most High God. There's a brick wall in front of you at the moment, as it were, that is preventing you to move forward. Harken to the voice of the forerunners. Listen. Allow my Spirit to quicken to you what they are saying. This isn't an instant solution-type message that your society is used to. This is a long-term message, a message that will bring long-term changes, growth, development and transformation.

You have to be in this for the long haul, Australia. There's no quick fixes, and there's no instant gratification. It has taken me 2,000 years to get to the point where I've been able to release these forerunners. Don't make me wait another 2,000 years to get this nation and this world into the place where I want it to be.

We have our plans, but our plans require our people to work with us. It's always been that way. We created humanity to work with us and for us. It's defiance, your defiance, that's holding us up from achieving our goals.

Why should it take millennia upon millennia since The Fall, to be in a position now where we still have a long way to go before The Restoration of All Things? Why? Because humanity has done their own thing. We placed you here to serve us. We placed you in charge of this planet, in charge of creation, for our purposes, not for your own. When you come into the Kingdom under the New Covenant, your life isn't your own, it belongs to us. When you surrender and submit yourself to us, there's a cost involved. That cost is you, and everything that is part of your personal kingdom, belong to us. Now, if you don't surrender all that, we can't work through our sons to spread the Kingdom, our Kingdom, throughout the world so that the dream that Daniel prophesied an answer to can come about.

Listen to the message of the forerunners. I'm giving them many things to say. Take it in. Mull it over in your heart and mind and in your spirit, and see what I have to say to you about it. It is critical for your future and the future of your nation.

Now, in regards to transition, there is a huge resistance to change among you. You must change. Life in the Kingdom – my Kingdom – is about maturing as a son. That means I have to mold you and shape you and teach you and train you and grow you and experience you through a multitude of processes. If you don't want to be changed, I can't make you. You have that autonomy. But you must stop resisting the transformation that I want to make in you because to transform your nation, you have to be transformed first. I am not going to transform this nation out of a move of my Spirit so that it fizzles out in the next generation. In this new era⁴ of the Kingdom I am establishing a people who will move forward and who will grow and mature and bring in more sons who will grow and mature even further than them.

It is too late for church revivals that you keep praying for. I am looking to transform nations, and that requires my people to be transformed. Don't resist what I'm doing in you. Don't resist your circumstances and situations because they're part of the training that I'm putting you through, part of the molding and shaping. Every time you resist your situations and circumstances, every time you blame these negative situations on the enemy all the time and resist, instead of managing them and looking to me and finding out from me what the purpose of them is, you are buffering what I am trying to do, making my efforts to change you into nothing. You nullify my work by your resistance to being transformed.

So there you have it. I've been saying this to Australia for quite some time now: "Align with me". Find out personally, each one of you, what I want you to do, think, say and become. Forget about corporate things. It's about your personal relationship with me, and then it becomes corporate. Your personal relationship with me and your growth and development is the number one priority that you have. When you get together in your churches, in corporate situations, this is secondary. I've always worked with individuals, and with individuals I work with groups, and with groups I work with states and districts, and with them I work with nations. But it all begins with my work inside of you and with you.

So stop giving my forerunners a hard time. They labour in vain and many instances. They are desperate to see the messages I've been giving them, the training and the teaching I've supplied, being inculcated into the people of Australia. I have given them strength to push through and continue the work that I have given them, but many are in a state of giving up. That's their choice. I strengthen them if they allow me, but I'm continuing to raise up more, to replace those who give up. [These are]⁵ those who are prepared to give me everything and see that once they come into my Kingdom, it's all about me, not about them.

So, Australia, I love you. I have plans for you, but unless you align with me, you will never achieve your destiny because my destiny isn't your desire for Australia. Your [real]⁶ destiny is what we have planned."

Message #2

"I have inoculated this nation from around the world. I have brought in my people to bring the message of the Kingdom, to raise up forerunners and to bring change to this nation. There was inertia among you, preventing me from raising up home-grown forerunners, originally. But see, now I have raised up forerunners for you. These pioneers will take you forward, provided that you listen to their message and follow their leadership. Follow where they take you.

Listen to those who have an apostolic mantle. I am speaking to my apostolic people as well. The forerunners and the apostolic will merge together like a crescendo, to build momentum in this nation.

See, I have told you beforehand what you should expect, so don't 'sit on your hands' wondering, "What am I doing? What is God doing?" I have been giving you my messages for quite some time now. Allow those messages to go deep into your spirit, and allow me to confirm them and re-program you and change your paradigms and worldviews. It's a monumental shift that has to take place in this nation, and it requires you to think 'out of the box', to allow yourself to be taken out of your comfort zone because you

are too comfortable. You are too set in your ways, and my Kingdom in this new era is moving forward like an army, step by step.

The vanguard has gone out. They are paving the way for you. Follow them. I have given them a heart for you, not a heart for themselves, but a heart for the people. I have put humility in them, and I have trained them in leadership and in wisdom, knowledge and understanding. Seek them out. These are those who you must commit yourself to lead you. Abandon anything you are doing that doesn't align with me and where I'm taking this nation, otherwise you will be held back. Like ropes that tie a boat to the wharf, you will not be able to move off into the deep waters of the Spirit.

You have been warned, warned that I am moving forward. Don't look for me in the wrong place. I'm ahead of You. I'm striding on. I have territory to take. I have a Kingdom to expand. Join me."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
