

# The Clock is Ticking

(Prophetic message on the 18<sup>th</sup> February 2020)

“The clock is ticking. Time is escaping. Many of the things that I have planned to do have slipped by. Many of the opportunities that I have given to this nation have been lost because my people were not listening to me. I’m still moving towards bringing Australia into her destiny, but because the bulk of my people are not focused on me and what I’m wanting to do, what I am wanting to achieve in this nation, many things have not been able to be achieved. While ever you focus on what you think I want – which is missing the point of your membership of our family – I cannot achieve what I want to achieve.

This is why I have sent out the forerunners to draw your attention away from your plans, onto my plans. This is why I’ve raised up apostolic people in this nation because both of them are focused on Heaven. And ‘in their bones’, deep inside them, their heart is to implement what I have planned. Their ultimate desire is to see Heaven’s plans manifested on the face of the Earth. These are the people you need to connect with. Genuine forerunners are those who have a genuine apostolic mantle. Cease chasing after names. Discern, check, assess. Look for those who are leading you down the path that I have set. This is the only way that your nation will achieve its destiny in the quickest period of time.

I have said that we have “all the time in the world” (I was referring to Australia’s ultimate destiny). In the period of time it takes for Australia to enter its destiny that we’ve planned for it, she will lose many of the benefits, many of the blessings that we have for it because my people don’t align with us. They are focused on what they want. They are focusing on what they have been told to focus on, which is why Australia has not progressed with our blessings to the extent that it could have. Remember, the barometer of this nation is calculated by the alignment of our people with us.

I have told you that the days ahead are dark, and you are hurtling headlong into that blind because you are not hearing what we have to give to you, to prepare you. All of a sudden, things will break out, things will manifest, and you will be at a loss to understand why. We have warned you. Many things ahead will not be the slow process that decay has been progressing in this nation for some time. They will be on your doorstep in ‘the blink of an eye’. Take time to consider that. We have been trying to prepare you.

Our heart for you is to protect you, but like children who don’t listen to their parents and end up in distress and in disaster, you can go your own way and reap the consequences. Our love for you has never failed, but you are in control of your destiny, Australia. My people, Australia is in your hands, and it’s your alignment with us that moves it forward into its destiny in the Kingdom. It’s the only way.

So listen to those who I’ve sent to you, those who I am raising up, those who are totally committed to us. Listen to their message. Heed what they say. Don’t be like the ancient Israelites who ignored our warnings. They did it three times, and they paid the consequences each time. We have dealt with our people (those who have assented to us) like this throughout history. Learn from history: Blessings flow with alignment. There’s no other way.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
