

# We're Back where Adam was at Creation

Jesus never came to start a new religion, but to bring us back into Father's family and to reintroduce the Kingdom back onto Earth. This is the same Kingdom that was in operation at Creation, but which was removed when Adam gave away his vice-regency to Satan, which precipitated The Fall. We are back where Adam was, but not in the garden east of Eden and not in a perfect environment as he was.

The Fall has been cancelled, but it's effects are waiting for the sons of God to manifest themselves, when they are all modelled after Jesus our prototype. Unfortunately, religion high-jacked God's plans in this matter so almost nothing has been done to restore creation since the middle of the 1<sup>st</sup> century.

"That's not biblical!" I hear some saying. True, it's not a straightforward teaching found in the Bible. It's there, but religious teaching has hidden it. The reason I can talk freely about it is that this message is being delivered to those with a mind to receive it in the form of prophetic revelations and downloads all over the world. The only way a person can find out about it is to read prophetic articles that are not normally recommended by church leaders. That's because the theology we imbibe veils us from receiving what's happening in this New Era<sup>1</sup> of the Kingdom.

For example, here's what I was given in my prophetic journal about this in 2013:

*"It is right that you want to see a complete restoration of your body to the body of Adam. No one else is thinking this way at present, but I will raise up others and spread the message across the land – across the globe. The Sons of God (My Father) must manifest themselves before I return. They must rise up in all the power and authority that I have for them. This includes operating in a mind that is controlled by me. A body that is also controlled by me."*<sup>2</sup>

It doesn't seem that this is a reality because the world is still in darkness, and "getting worse". The reason for this is that, unlike Adam in the garden, the world around us is still 'fallen'. It can't be 'fixed' (restored) until the sons of God manifest themselves *en masse* and the Restoration of All Things can be put into action.<sup>3</sup> This is our destiny, but there's too many of us caught up in religion and unable to manifest as sons are needed to for anything to happen. The remainder of us are undergoing transformation, but it will be quite some time before things start to be obvious that we are different to everyone else around us.

I will present more teaching on this as I am given the content in the future. This will be delayed until more be able to receive the details in their spirit.

Laurence
