

You Must be Prepared to Change Everything you Believe

I have taught many times that we must get rid of all religion and legalism¹ because they have no place in the spiritual Kingdom of King Jesus. This becomes quite plain the more you allow him to reprogram you as a son.

One thing I haven't made very clear in an unequivocal way is this:

You must be prepared to allow our King to change everything you believe

When you come into the Kingdom there is a price to pay,² even though entry is free. You must be prepared to give everything up³ so that you can be completely engrossed in Kingdom business. This is not church business or life business, but the tasks you are given as a son to perform. You may never be asked to give everything up, but you must be prepared in your heart to do so for anything you are asked.

Kingdom business also means thinking on the King and the Kingdom as well as learning what he teaches you. Remember, he said he'd give us the Spirit of Truth to teach us all we need to know.⁴ This Spirit (Holy Spirit) teaches us what the King wants us to know, nothing else. This is perfect knowledge because he is The Truth.⁵

In regards to knowledge, Paul wrote that we already have our King's mind which seems to infer that we already know the truth.⁶ But do we see this in the way Christians operate? NO! All the resentment, bigotry, manipulation, control, religion and legalism certainly negates Paul's statement. So was he deluded. No. Why?

Because the Spirit lives inside of us we have access to him, to the other members of the Trinity and to Heaven. This is because everything in the Kingdom is communicated to us through spirit-communication. We do have the mind of the Trinity (it's inside of us, in the Internal Kingdom), but we must access it to use it. This mind can only be accessed by our spirit because the King's mind is spirit-mind, not a natural mind.

Can you see why it appears that we don't have his mind?

It's because we don't allow our spirit to be the dominant component of our being – i.e. we don't allow our spirit to be in charge of ourselves. Instead, we allow our circumstances, mind, will, emotions, attitudes, heart, soul and flesh to fill our mind with our own thoughts. How do you think Jezebel Christians⁷ are able to exist if they have the mind of the Trinity, as Paul wrote? Because they allow the Jezebel spirit to have access to themselves rather than the Spirit of the Living God. They access this evil spirit's knowledge so they align with this spirit instead of the Spirit placed inside them. I have had very personal dealings with a Jezebel Christian and I know how they operate through access to demonic influence, without actually being possessed.

We've been admonished for quite some time now⁸ to align with Heaven (i.e. the wishes of the Trinity as it is followed in Heaven), but to do this we have to have our mind changed. This requires a purging of everything in our mind and heart that's not righteous⁹ and not in alignment with Heaven.

While ever there are components of religion and legalism in your mind, you won't be able to be

reprogrammed with Kingdom knowledge by the Spirit because these thought patterns will over-ride any attempts to be changed. This hindrance is what Paul referred to as a “veil” over the hearts and minds of those who can’t receive.¹⁰ In Paul’s writing it was the ability to receive the message of the Gospel of the Kingdom, but this type of ‘veil’ prevents people from receiving any spiritual truth. Jesus had the same issue with the Jewish leaders who had a ‘veil’ that prevented them from receiving him as their Messiah.

This ‘veil’ over the mind is the work of the religious spirit whose job is to keep people out of the Kingdom or deviated so they are ineffective for the Kingdom. This same spirit works in the minds of believers so they are unable to give up any or all of their religious teaching. As a consequence they are unable to grow and mature in their sonship, and fail to enter the destiny that they were sent here to fulfil.

The tell-tail sign of a ‘veil’ at any time is the dogmatic or bull-headed resistance to change something that is believed. That’s anything you believe.

If you believe the Spirit can give you all truth you need to listen with your spirit to Holy Spirit and allow him to teach you anything he wants.

The only way this can happen is if you surrender everything you believe to the King and say to him, “Reteach me. I only want to know what you want me to know. Please get rid of everything else.”
