

More on this Current Time in the Kingdom

(March 2020)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

“Come into the secret place where you can connect with Me spiritually. Take every opportunity to seek in earnest. Rise above your carnal nature and find the holy place where you can enter My presence and hear My voice, says the Lord. Set your heart and mind to seek and find.”²

“Right now, we are seeing the plans of the enemy at work with the coronavirus but what the enemy meant for harm, the Lord is using for good.³ The HAND OF THE LORD is bringing about a shaking in the Church. The hand of the Lord is bringing about a shaking to shake the impurity out of the Church and the place where affection and devotion to other things besides Jesus is being exposed and the heart of the Father is calling the Church into a place of beautiful, glorious, repentance.

There is a SELAH MOMENT upon the Church right now and this is a SERIOUS moment. It is a time to really be seeking the Lord and inviting the Spirit of God to examine hearts and lives in the light of His presence.⁴

Friends, things are NOT going to remain the same within the Church once this battle is over. The hand of the Lord is rearranging and He is setting the stage for a mighty move of His Spirit and the fear of the Lord being restored to the Church.

The Lord showed me that in this shaking that is taking place right now in the earth, and in the Church, with conferences being cancelled, churches having to suspend meetings or change the way things are done, the Lord out of HIS LOVE is exposing idols and one of these idols He showed me was ministry. Any areas where MINISTRY has become an idol. The fire of God is upon the Church right now and He is examining hearts and convicting hearts where ministry has become a false god and He is shaking that and exposing it, so the Church can be ALIGNED for the greatest move of the Spirit of God that we have ever seen.

This is the time where the Lord is shaking self promotion, He is shaking off pride, this is where the Lord is bringing such an intense shaking out of His love to position the body of Christ in the place of humility, to take her place in this Isaiah 60 time.

The Lord showed me that in this time there will be a divine reconnecting, realigning, restoring and healing that will take place in families. The Lord is using this time to bring healing and right positioning and alignment within families and the IMPORTANCE of family AS the Church and IN Church...

THIS is the moment to position ourselves in preparation for what is to come. This is the time where the Lord

is shaking agendas, He is shaking control, He is shaking off complacency and He is inviting His people deeper into the place of fresh surrender. This is a very important moment of REFINING and ALIGNING.

The Lord showed me that those who have eyes to see and ears to hear are going to be positioned in this time to move with Him empowered by His Spirit in this **new era** unlike anything they have ever seen before...

I heard the Lord say, "This is the mighty purging that is taking place and will continue to remove the WORLD from the Church. This is the time for My plumbline words to go forth and bring My people back to the main thing: ME!!!! I am bringing people to their end in their own means, wisdom and pride, so that in repentance they may turn and move into the time of the greatest realm of knowing Me, knowing My ways and walking in My wisdom. This shaking is bringing the Church out of man made wisdom, pride and being dazzled with themselves or their own wisdom and being positioned to see ME high and lifted up and knowing and understanding My ways."

The Lord in this time is dealing with sin, He's dealing with compromise, He's dealing with complacency and familiarity with Him, out of His love, to position the Church to move into the time of the greatest demonstration of His Majesty, His holiness and His power in the nations that is UNPRECEDENTED.

This moment right now is a moment to get ready, it's a moment to get serious and prepare...

He spoke again, "Reformation is upon the Church. Things will not stay the same, this is where everything changes. This is where I am taking man off of thrones, this is where I am dealing with pride and inviting my people into the place of humility before Me. This is the place where the Church is positioned to see Me like they have never seen Me before. Ready or not, here I come. It has arrived and I am longing for My Bride to make herself ready. I am about to step in. I am about to step in with My Glory revealed in the Church and the earth that has NEVER been seen. But up to this point the idols in the Church have had My people misaligned, so I am calling My people back to Me. Back to the first love. Back to the place of "NOTHING BUT JESUS".

I am coming! I am coming as the King of Glory! Ready or not here I come! Church, get ready! Nations are going to TREMBLE not in unholy fear, but the awe and wonder of who I am and My power being demonstrated across the earth. The shaking must come to prepare and set the stage. My people, will you be found ready? I love you My Church and I shake, correct and convict because of My love for you. Those that have eyes to see and ears to hear will SEE that this is the moment to get right with Me and allow Me to prepare and purify for the revealing of My nature and power in the earth"⁵

"I am calling you to think differently than the world thinks. I am calling you to be the opposite of the world. While the world is in chaos, I am sitting on you to bring order, excitement and new opportunities.

New ideas and creative solutions are opening to you right now. Think it not strange that this fiery trial has beset you! Instead, think of it as I think of it. It is an opportunity to show the world how different you are!

When the world goes down, My people go up.

When the world is besieged and under attack, My people have victory. All you have to do is notice the victory I am giving you! I am right now giving you opportunity to:

—Rest, when you refused to rest before.

—Be creative, when you were too busy before.

—Start that business you've dreamed of starting, but never got around to starting before.

—Help people through the solutions that only you know—the solutions I Myself have given you, but that you were too busy to implement before.

5 – "The Greatest Time Of Preparation And Purification Is Upon The Church Right Now!!!"

lanavawser.com/2020/03/20/the-greatest-time-of-preparation-and-purification-is-upon-the-church-right-now

I have given you a great gift by working this out for your good!

Even now I am working, and this brief season will be a pivotal point in your life, if you will let it be so. Think not that I have forsaken you; I will never leave you. Indeed, I have actually gone before you into this season and have prepared you in advance for what I knew you would need!

I am the God of 'always new.'

I make all things new at all times. I am right now giving you new ideas to implement, new co-missions to carry out with Me and new paths for your feet to walk!

I the Lord am excited about this season. I am overjoyed at the level of attentiveness to Me that My people are suddenly showing. With your ear turned to Me, we can get things done! Together, we can move forward and manifest the victory that My Jesus paid with His very life for you to have!

These will be the greatest days of your life if you will let them be.

I will instruct you and teach you in the way you should go. I will guide you with My eye upon you. Maintain your attention on Me, and I will lead you, for I, the general of heaven, command the army of righteous angels. Do you not think that I can lead you?

Remember that I, and only I, know the end from the beginning.

I exist in your present and in your future right now. I am God who is, and who was, and who is to come. That means that I Am now, I always have been and I already am in the 'is to come.' In other words, I exist now; I have always existed and I exist in the future already.

Future to you is defined by how many times the earth revolves around the sun. But for Me it is defined by My plans that I have written in My books about your life. I'm already in those plans and I see the beginning and the end of them, so you don't need to worry about a thing...

These are the best of days, not the worst of days. They are the beginning of days, not the end of days. Yes, I come quickly, but My kingdom is ever expanding in your life and on the earth...

Be aggressive in the building of My kingdom. Become equally aggressive in taking your rest as I tell you to as well. Use this opportunity to reach the world with My Good News, for it is a moment in which opportunities I have created shall suddenly spring forth...

You thought things would be dry and stale, but you have entered into the most fruitful season of your life. You believed doom had come, but I tell you today that opportunity has come!

Ask Me to show you every opportunity, and do not miss one," says the Lord. "Ask Me for wisdom, and I will give it. Ask Me to prosper you, and I will, for it is My good pleasure to give you the kingdom and My will prospers in My hand...

To the world, this situation spells doom, but to you, My people, it spells O-P-P-O-R-T-U-N-I-T-Y. Ask Me to show you the opportunities, and I will. Do not hesitate to move on these opportunities I will show you, and you will find Me faithful.

Open your mouth wide, and I will fill it! For I, the Lord, decree and command the blessing to you, even life forevermore!"⁶

"A chosen generation of God's people are crossing a line into the crystal clear pristine revelation and experience of oneness with God. The greater fullness of becoming as one with His personal presence is with us and within us now.

6 – "These Will Be the Greatest Days of Your Life"

<https://www.charismamag.com/blogs/prophetic-insight/44748-prophetic-word-these-will-be-the-greatest-days-of-your-life>

There is a supremely significant step ahead.

The fullness of the living reality of God's plan and purpose for mankind and Planet Earth is now one small step ahead. However, that step takes us across a line of a type of death experience into a brand new life. It is a line between life as we have known it and a life that is no longer us that lives but Christ living in us.

Beyond the line of fiery devastation is the fullness of the resurrection life of Christ abiding in His sanctified Body. A Body of faithful chosen ones connected through abiding in Christ and by Christ fully formed within by the Holy Spirit.⁷

Leadership must be first in taking the major step into the furnace of purification. Stepping across the line into fullness is like being passed through a fine filter that completely removes even the tiniest speck of impurity. It is the absolute end or death of tainted interpretations of the pure holy revelation and impartation of the life of Spirit Christ abiding within. It is the final step into fully and totally abiding in Christ. It is the end of mixtures of religious humanistic thinking mixed in with the pure holy revealed word and way of God.

In this age, the Gospel of the Kingdom is being revealed to apostolic and prophetic leadership. The intent and purpose of this revealing is to bring forth the full reality of God and His Kingdom of righteousness, peace, and joy to the glory of God. However, the tainting misconceptions of religious and secular thinking mixed in with the pure revelation is thwarting the true wisdom and power of the glorious fullness of the Kingdom of God on Earth.”⁸

“I see every living person as a gem. If you are to properly represent me, you must see every single person you come into contact with as a gem. I do not discriminate and I don't have favourites. I love my creation, every single component of it. I love all humanity, right now. Not just in the past when I died on the cross for their sins to be dealt with, right now. I love them deeply, passionately. I know you can't grasp the level of love I have for those who reject me, but you must come to an understanding of it.

Your mission is to reclaim the Earth for the Kingdom of Heaven. That requires you, at a very high level, not to discriminate against people because they don't love me or because they're not saved (using your term). This is illogical. If you represent me, then you have to have my heart towards every single person. You cannot hate anyone. You cannot wish anyone to come under what the Old Testament calls “the wrath of God”. Sure, many people are unredeemable, but that's because of their lack of acceptance of me, their hard-headedness to do their own thing, or to accuse me of the bad that's in their life. No one is irredeemable because of their past or their present.

You must exhibit my love in this area of your life. It's not good enough to be nice to those who are nice. It's not good enough to do good works to those who really appreciate it. The good works that you do must come from me and go to any person who I direct you to – any person.

If Hitler stood before you, in need, and I directed you to supply that need, your job is to do it, and do it with love and joy. Check your heart, check your attitudes. Would you be able to do that, knowing what he did, who he was? I am gracious to every single person. If their desire to do what is unrighteous⁹ or evil, [then]¹⁰ that causes them to miss out on all the blessings that I have for them. You have autonomy, you have the responsibility and the right to make your own decisions, but also to deal with the consequences.

At the cross, I brought in the New Covenant – which by the way, every single person on earth is living under; not just those who are members of my Kingdom. This is the time of grace, grace to every single person, and that grace is not meritorious. It is not based on whether they have done the right thing or come up to my standards. Grace relates to their choices and their alignment with Heaven. You must see that my love extends to every single person under the New Covenant. It's always been there, but it is now fully

extended to every single person.

Sin is dealt with, at the cross. Every single person has the right and the opportunity to accept me as their Lord and come into our family and become a citizen of Heaven. I don't reject anybody. That doesn't mean to say that you spend all your time chasing after people, evangelizing them, dragging them into the Kingdom. I'm talking about your heart and your attitudes and your mindsets.

When you truly allow my love to permeate you and flow through you, you will understand what I have just been teaching you."¹¹

OPPOSITIONAL NOTES

Ron McGatlin

(extract from a prophetic article published on 13-3-2020)

"God in His mercy has restrained the enemy from total destruction of many leaders infected with mixture. However, there has increasingly been more pure holy revelation that exposes deeper levels of mixture. Therefore more leaders are found to be in need of more moral and spiritual purification.

Often it is difficult for leaders to recognize their need and discern the mixture within themselves. Usually as long as things seem to be working well enough and there are no huge problems with the ministry or family, there is no incentive to search for a better or different way.

The way things are may have been working well enough in the past. However, in the presence of greater Kingdom revelation coming forth, the ways of the past may begin to malfunction and grave difficulties begin to arise. Unreasonable opposition and adversity may seem to come from everywhere. Rejections, accusations, misunderstandings, persecutions, betrayals, painful breakups, and more may cause severe wounding and much distress.

The severe wounds of painful rejection and loss are not for physical death but for the death of the remaining impure needs and beliefs that cause leaders to contaminate the pure holy revelation of the gospel of the Kingdom with religious and secular thinking.

Beyond the wounds for the death of these impurities is the resurrection life of Christ coming forth within the leaders to present the pure holy reality of the gospel of the Kingdom without hesitation or reservation. Complete freedom from the demands of social or cultural belief systems allows the fullness of the Kingdom to be fully demonstrated and imparted into the governance of the world.

The painful suffering is a major factor in our transformation to LOVE. The pain of suffering which seems as unjust and undeserved violence against us is really a gateway into pure holy unconditional love abiding in us and flowing through us.

I know this may sound very strange and even crazy to some readers. In our good average Christian natural life, we may even find some difficulty at times to even really love those who are our brothers and sisters in the church or our extended families. We may say that it is hard to love some of them. But when it comes to our serious enemies or rivals such as political or business competitors and the ungodly people around us, we may feel that we really cannot love some of them. What about the person who killed your mate or your children or stole your business or money by fraud. One might think, surely I could never really love that person.

Yes, there are just and right, strong and fierce actions to be taken to stop or prevent anyone or anything from killing or harming others. There are righteous actions to be taken to stop or prevent evil harm to ourselves and others. However, after an evil deed is done and prevention is no longer a possibility, love will forgive the evil done to us and heal our lives and those around us.

Through all of this, unconditional love of Christ in us is ever present and underlying all of our actions and responses. Yes, God in Christ in us loves and desires the redemption and restoration of every living soul. The painful ordeals of life when forgiven by an act of our will by the pure love within us releases an unreasonable flood of love rushing into our hearts. Yes, a flood of pure holy love that consumes our entire life and changes everything comes through the forgiveness of the most painful ordeals of our lives.

However, if when the pain comes, we resent it, we will begin to hate the person or source of the painful ordeal, and bitterness is formed within us. Death then begins to fill our lives and all around us is affected. Wars and evil strife are released into the world, and the Kingdom of Darkness rules on Earth."¹²

“My sons, those who align with Heaven, those who allow me to grow them and develop them, mature them so they can operate as sons and learn to operate as priests, and learn to operate as kings, these bring fear to the enemy. Fear in the form of, “Oh, oh. All the work that I have done in the past is about to be uprooted. I need to change and move into greater [military]¹³ offence”. This move of the enemy into being more offensive, more attacking, results in chaos increasing around the globe. His people, his pawns, will follow his leading. The planet which is still fallen and the people who are still fallen will work with the enemy. He will use them and chaos will increase.

Can you see now why I said the future will be dark. But bear this in mind, it will not be dark as preached by the Bible prophecy teachers. It will become dark as I allow it. It will become dark because of the enemy's revulsion at the fact that my sons are gaining strength to take over his territory.

Do not be surprised at what is coming. Do not be surprised that the coronavirus is causing deaths and sickness around the Earth. This is just a little taste of the things that are ahead. I have warned you about this. I gave that warning not to cause you to be anxious, but to prepare – most importantly to prepare yourself spiritually.

If you want to be successful in this coming time, you need to yield to me, completely surrender to me so I can do the work in you, in your spirit and in your mind and your soul and your body, that needs to be done so that you can rise up and take your place in my army. Those who don't take on the apprenticeship that I offer will struggle with what's ahead. Countless many will refuse to join me in what I'm doing. That is their choice. But for those who join me, the road ahead is hard, but it is full of glory.

I gave you advice to align with Heaven. This is the most critical key for your lives from now on. You can only align with Heaven and align with me when you do two things. One, completely surrender your life in its totality to me and be prepared to give up everything. Be prepared because I may not ask you to give up everything, but it's the heart attitude that I'm looking for. Secondly, you mustn't have a divided heart. A divided heart has more than one loyalty. I must be your greatest love. Your heart must be towards me only. I must become your Beloved. Your love for your family and for those things that are righteous¹⁴ to love should not impinge on your great love for me. These two keys will allow you to align with me because your heart will be mine.

Remember, I don't force you into anything. It's all about the heart, and you must surrender that to me. You must willingly want it, above all things, in the same way as young lovers give their heart to each other in the early stages of their courtship. So that is how you give your love to me. It's an all-consuming love. Life still goes on [and]¹⁵ there are other lovers that are in your life, but it is tiny compared to your love for me.

I have so much more to tell you. Listen. Open your ears. Keep them open 24/7. Allow me to speak to you at all times and in all ways, even during your night sleep. You don't have to spend time in silence for hours or in prayer and fasting to hear from me. All that you have to do is have me as your Beloved. Desire intimacy with me, to be one with me, and open your ears and learn to hear all day long. I will speak to you in many ways, until you mature, and I don't need to speak through other things such as nature, music, books, videos, the Bible, [etc.]¹⁶. When we become one, our hearts will be one, our minds will be one, and spirit-to-spirit communication will be normal.

Start now. The chaos that's ahead will need you to be totally reliant on me, out of our relationship, in the same way that a nation totally relies on their defence force to protect them from the enemy that may be attacking them. They totally surrender themselves and go about life with the defence force taking on the role of their defence. So allow me to be your defender. Allow me to prepare you for the chaos that's ahead. And by the way, you must approach this time of darkness with joy. Not joy that it's happening, because it will impact your families and your lifestyle. But, joy in knowing that the enemy is stirred up because I have stirred up my sons to begin the final march towards the spreading of my Kingdom throughout the whole

Earth. It will take quite a large amount of time for this to occur, but my joy in you will keep you stable.

If you allow negativity in any way to creep in, the enemy will use it, and you will be deviated from your tasks. My joy, joy in me, joy in where I am taking my people, will keep you more even-keeled and allow you not to stumble.

Keep listening. I have a great deal more to pass on to you when the time is right.”¹⁷
