

It is NOT Incorrect to Refer to a 'Remnant' of Believers

Back in the 1980s I lived in a small country town in NSW with my wife and family. We were running a House Church there and interacting with the Christians in our town, many of whom related to us as brothers and sisters, while others rejected us. In that area there was a Christian man, older than myself, who told those he spoke to that he belonged to a small, special group that God had created. Evangelical Christians in the town, as well as his family, regarded him as “OFF” and operating in cultish behaviour. I had no idea of what he was into because I never took the time to sit with him and discuss it.

Fast forward to 2020. Over the past 5 or more years in the training my King has been giving me, I sensed quite some time ago that in the time ahead there would only be a remnant of believers in Father’s family here on Earth. I sensed that many would ‘fall away’. Back then, I didn’t know quite why, but I spoke to others about it, however, not too many agreed with me. From their comments, they seemed to be offended that I should say such a thing. I think the reason for their apprehension was because they were expecting a worldwide revival (a teaching of Futuristic Eschatology) which would happen just before Jesus returned. A remnant didn’t fit in with this theology.

Their objections appeared to be 2-fold. (1) They were offended with me because, by inference, they might miss out on being part of that small number. (2) They felt that their ‘Christianity’ was correct and that their spirituality would not preclude them from being part of those who maintain themselves in ‘the faith’.

In more recent times, ‘remnant’ has become a message that has been spoken about by an increasing number of teachers and prophetic members of the worldwide *ekklesia*. So it’s right now that I speak about this topic and make reference to what our King has been teaching us, so we can set the term ‘remnant’ as a fact and a suitable one to use in our Kingdom vocabulary. I won’t use the Bible to justify what I’m going to disclose because in this new era of the Kingdom our responsibility is to listen to what our King is telling us. He’s the one who will lead us into all truth and his Spirit, which he has given us, will guide us into all that we need to do.

We know that when we come to speak on Kingdom matters with people, we don’t need to rehearse what we are going to say because Holy Spirit will give us the words we need. We accept this. And yet, many, many believers will not accept that we have to listen to what the Spirit has to say to them in major Kingdom and world matters. They accept that Holy Spirit will talk to them about their lives, but that’s where it ends.

Through the CCOP messages we have been receiving, our King has told us to align with him and heed what he has to say. He’s never told us we need to search the scriptures to find out what we need to know in challenging circumstances. We already have our basic teaching from scripture, so, we move forward and mature in our sonship by listening to the Trinity. These are those who are in charge of the spirit realm and the natural realm.

So what has been released from Heaven in regard to this remnant of believers?

Backtracking for a bit, in September 2010 I was given a prophetic word which included the statement: “Time to raise an army like Gideon”. For those ancient times, Gideon’s army was a tiny one to go into battle, a size that would not achieve a victory. Of the 30,000 soldiers who turned up to fight, God whittled them down to the best 300¹ and he empowered them to defeat the Midianites². He will do the same these days with his remnant.

A Gideon-like army is being created, according to a CCOP message, we were told: “And yet I know, like **Gideon** and the army that he was asked to prepare, to do miraculous battle for me, only a small percentage were ready.” Here is this statement in context as an extract from the full message.

1 – Judges 7:2-7

2 – Judges 7:9-22

“I am the King of Kings. I am the Lord of Lords. All authority in Heaven and on Earth, in the whole universe, has been given to me by Father. Don’t you understand this? If I am who I say I am, why is there not total commitment to me and my will? It is totally illogical. With your mouth you say, “I serve the Lord”, but with your heart and your actions and your speech, you serve yourself, you serve other interests.

In this phase we are moving into, that the Forerunners have been prepared for, have been experiencing and being trained for, I am looking for those who are in my Kingdom army, who are prepared to give up everything.

*This will be a dangerous time, but it will be an exciting, glorious time for my people. Put aside all the issues of life. Volunteer. Stand in the ranks of those who are moving forward. And yet I know, like **Gideon** and the army that he was asked to prepare, to do miraculous battle for me, only a small percentage were ready. Steel yourselves, strengthen yourselves. Move into a place where you are positioned to join this band of forerunners, this band of advance guard who are moving forward.*

If it takes time for you to join [in], think about what I’ve been saying. Weigh up the costs, and sometime down the track, join us – we are moving forward, we are not looking back, we are not looking at opposition, we are focused – me and my team, a ‘band of brothers’. Join us.

There will be opposition to what we will be doing, because those who have not had the revelation and the inspiration and the understanding of where we’re heading will object because it will take them out of their comfort zone, it will not fit their religious mold. But I, the King, demonstrated to you what life on Earth for Spirit-filled sons was to be like. I demonstrated it when I was Jesus of Nazareth. I showed you.”³

In March 2019 I received and recorded a message in my prophetic journal, which contained this:

*“I am working with those who will work with me, to create an ‘army’ of sons who will be about my business on Earth. No more will I contend with the rebellion of those who call me “Father”. No more will I look for those who will comply with my wishes. It’s time that these ceased. In this season I am raising up an ‘army’ of workers for my Kingdom, like I did with **Gideon**. Many will be called and will marshal to be trained, but I will sift them to find those who are appropriately fit for the task ahead...*

*I am looking for compliance. I am looking for those who will be prepared to or have already given everything up for me. These I will put my abundant life into. These sons, this small number of sons, will taste of the goodness of my Kingdom. By no means do I mean ‘small’ as in a few. By ‘small’ I mean compared to the number who consciously claim me as their God, the number is small in comparison. I want to make this clear: The number is large, but, like **Gideon’s army** the bulk of those who ‘put their hand up’ will not measure up. This is disappointing, but it is the way of humanity.”⁴*

‘Remnant’ is a word we have definitely received – unequivocally so.

Way back in 2012, Krston Couchey forecasted a remnant from what he was taught by the Spirit:

*“Father continues to speak with the witness of scripture and the Spirit concerning transition into this unfolding age. We are a people weaned from dependency upon the power of men’s wisdom and works (the power of the soul), to dependency upon and intimacy with Him in the Spirit. This transition is being seen now in the breed of leader He has prepared for this hour. Like Joshua and Caleb, only a **remnant** of the previous generation of leader will proceed into this day, but there is a new leadership emerging from unknown and hidden places well prepared and full of faith for this day.”⁵*

5 – “A New Breed of Leader” canberraforerunners.org/wp-content/uploads/2012/09/A-New-Breed-of-Leader-Couchey.pdf

Here it is from Henry Falcone in 2018:

*“Are you not my **remnant** Bride to be who love me? Are you not the ones that have given me your life as a living sacrifice?”*⁶

Ron McGatlin in 2019:

*“A **remnant** Kingdom generation will survive the cataclysmic season of disorder and apocalyptic Earth- cleansing judgments. A purified holy generation of mature Sons of God in whom Christ fully dwells will come forth to establish the fullness of the Kingdom of God on Earth as it is in Heaven. This purified Bride Company of manifested Sons of God are a true body of Christ on Earth and at the same time are seated with Christ at the throne of God. The supernatural work of the surviving **remnant** Kingdom of God people has now begun amongst the Kingdom-seeking people of God.”*⁷

What have we received directly from the Throne as messages from our King about his remnant people. This is the information that is the best – it’s primary sourced information.

I received these two references about the ‘remnant’ which I recorded in my prophetic journal:

*“Yes, it’s time for my church, my end-time Bride, to rise up and be seen. She will be a marvel. This **remnant** I have selected to be part of my plan because of their devotion and commitment to me. They have seen my plans and purposes as paramount, as more important and eternally significant than their own. They are my beloved ones who truly love me with all their hearts. There is no forkedness in them, no double-mindedness or dual allegiances. They have committed themselves for eternity to my plans and purposes. Others will join them as they align with me, but the Bride must and will rise in beauty and power in these Last Days.”*⁸

And:

*“I have given warning. I have given advice, but who listens? There are a few, a **remnant** few, who are moving with me at my command. They are listening and obeying. They are hoping against hope that others will follow them as they lead into new areas of operation. The few are brave. They are lights that cannot be dimmed. They are my end-time people of the covenant. These are they that were spoken of by the prophets of old and the prophets of today. A great and mighty people, though few in number. They are my mold, my model, because others will follow. Others will join with them in a crescendo that leads to my return.”*⁹

Through CCOP we received this:

“As you come together as like-minded people, totally devoted to me, I will cleanse you of the counterfeit. That will not just be by my hand, because I will begin to work with you as I am supposed to work. When you come together as like-minded people, loving only me, you will know the counterfeit when you hear it. I will give you the skill, the spiritual skill to be able to detect the counterfeit. If you fail to use that skill, the counterfeit will infiltrate and will lead you astray. This is how I am going to eliminate the counterfeit.

*While ever the religious system remains, the counterfeit will always be available to rise and influence people. I am creating a **remnant** Bride, a loving bunch of people who are in love with me, who are one with me, who have turned their backs on the things of the world and want only me. Amongst these people, you will find the truth. Find people of this ilk, find this type of people, join them. Connect with me and be free from the counterfeits. But it’s not just that easy, you must be vigilant all the time. The Enemy will look for weaknesses to bring in counterfeits to lead you astray, because when you come together, you become powerful and a threat to him, and he will work in whatever way he can to rip*

apart what you bring together.”¹⁰

And this:

“Don’t fear what others may say about wanting to speak to me face-to-face, and their religious ideas or their fears that will prevent them. I am looking for those who will step out in faith and who will desire this strongly. It’s all about relationship, it’s all about being intimate, because the best intimacy with somebody is face-to-face. So enjoy the fact that this is coming and relax in it, and know that it is part of my plans for my Bride. It is a privilege that they will have. These are the ones that call me Beloved, these are the ones who will put me ahead of absolutely everything else and love me.

*I am looking for more of my Bride, but many are lost sheep, who have gone after their own ways. If you desire to speak with me face-to-face, then join the Bride, the **remnant** that I am putting together for these last great events that will come upon this planet.”¹¹*

To finish off this investigation in a definitive way, this is what Jennifer LeClaire received in April 2020 (It’s an extract from a prophetic message of hers):

*“I am calling forth My **remnant**, those who will cooperate with My Spirit and with truth, those who will speak forth the words that I put in their mouth no matter who likes it and no matter who doesn't like it.*

For I have called you to gather together and to band together in small groups and even large groups. But unified groups are what I am after...

*Who will gather? Who will be part of the **remnant** that I am calling together in this hour? ...*

*I am rising. I am rising. My Spirit is rising, and I am looking for the **remnant** to rise with Me...*

*I am calling you out of your caves and out of your closets. I'm calling some of you out of your churches. I'm calling some of you out of the business world and into [My service]. I am calling the **remnant**... ”¹²*

Who this remnant is, we don’t know. Life in the future will be “darker” so it will act as a filter, sieving us so that a remnant remains. Whether this remnant are the only ones left, or whether this small band are the outstanding ones, only time will tell. There are, however, some pointers that have been revealed to us through CCOP about this:

1. We know that spiritual maturity in Kingdom matters is vital in this new era¹³ of the Kingdom. Those who refrain from maturing will not have the trust to move forward with the training required for those who become the remnant.
2. We know that from now on it’s about sonship, not church.¹⁴ Those who don’t focus entirely on the King and the Kingdom will self-alienate themselves from what Father is doing.
3. We know it’s about aligning ourselves with heaven right NOW, which requires complete abandonment of our lives to comply with. Not many will be willing to make this commitment so they can be trained to become the remnant.
4. We know that times ahead are “dark”¹⁵. We’ve already had a widespread drought, raging bushfires, damaging wind storms, damaging hail, floods and heat waves in Australia over the past 12 months. Now we have the coronavirus pandemic. Many will be traumatized by what’s coming and

give up on trusting Father and rely more on the government and on their own initiative.

I know that there's a multitude of teachers in the church who believe that what I've said about the remnant is complete heresy. Their main objection is that it's not in the Bible.¹⁶ But, the Bible isn't our source of heavenly knowledge, the Spirit is, and he's telling us that there's a remnant who will wholeheartedly commit themselves to the King's business in the days ahead. Rick Joyner's trilogy which he was told by Jesus to write down as vital information for the End Time church, during his visitations to Heaven, definitely shows a tiny vanguard of committed soldiers, not a mass of believers. Check it out for yourself, here:

CONCLUSION: There's no reason to refrain from talking about our King's plan to create a remnant Bride or a remnant army like Gideon's. This is what he's told us – that settles it. And remember, this smallish group is generated by us, because only a few (probably millions compared to billions) of us will be prepared to be totally committed when the going gets tough.
