

This is Preparation Time

(Prophetic message of the 1st April 2020)

Introduction: *While contemplating the appropriate Kingdom response to the Australian government's coronavirus mitigation measures, "This is preparation time" was received in the spirit. The following is the message that was downloaded after waiting on Holy Spirit for the statement to be expanded.*

Message #1

“My children, this is preparation time for what’s ahead of you. Don’t resist the fact that you have to stay at home and be isolated. Don’t resist the fact that you’re not in communication with your friends and your brothers and sisters in the Kingdom. Don’t be disappointed in the fact that you can’t see them face to face and converse and be encouraged. This will be the new normal in the future as I release my ‘Sentient¹ Ones’², my special ones. The world will recoil from them – not the people, but the world system will recoil – and draw back in fear, which will turn into hate.

Like my people in communist countries, you will be hounded: you will be seen as subversives that must be eliminated. They³ will forbid you to meet, and you will have to survive (which you will do victoriously by the way), in isolation. You will have to learn to communicate over distance. Sure, there’s the internet and phones at the moment, but as technological surveillance burgeons in the Western nations, those facilities will eventually be cut off from you. You will only be able to meet in secret, in the forests, in people’s homes. Church buildings will be shut down. Large gatherings will be banned. Those who speak up will be tried in the courts and imprisoned. But don’t be afraid. This type of persecution is not the end of my work in Australia. Under persecution, my people focus on me, focus on their work for the Kingdom, and they thrive as their life is in me, because reality is in the spirit realm in the Kingdom. These are the essentials, nothing else, because your life in the natural flows out from your life in the Kingdom. That’s the way it’s supposed to be, and it will become your new lifestyle in the future.

These days are preparation, they are giving you a taste of what is to come. So I give you advice now: Prepare to live a life alone with me. If you can do that now, you will have no problem living the Kingdom life in a difficult world in the future. You will have to wean yourself off all those things that support you, all those Christian things, all those church things, all those religious things that are man-made, and find everything in me. Remember, when you were spiritually reborn, you came back to the place of purity in my sight, and in reality, where Adam was originally when I created him. This is your place of union with me, of being about my business, of having my favour and my blessing upon your life as you work in the world and the Kingdom of Heaven is expanded.

Don’t see your life in the natural. Don’t see the days of your life as being about the business that everybody else does. You are consecrated, set apart. You are not the same species, spiritually, to everyone else around you. Your spiritual DNA has changed. You are a different creature, and you have to adapt to that reality. So focus on what I’m telling you personally about living during this pandemic. Learn to draw close to me. Keep your ears, your spiritual ears, open at all times, listening, waiting for me to give you instructions. As you go about your life, allow your spirit to be attuned to the wisdom, knowledge and understanding that I will impart to you, to allow you to be successful and navigate through this time.

Australia will come out the other side of this pandemic, but life will not be the same. In the same way that life after the 9/11 incident with the Twin Towers in America has never been the same, so it will be now. And with each major incident in the world that affects the world globally (affects all nations), life will change. Get used to it and adapt. I will allow you to do that successfully if you listen to me and to me only. Listen to the prophetic messages I am releasing through my trusted ones. Allow yourself to be led by genuine apostolic leaders. Break ties with anything that I show you, and make me your focus, because my life is in your Internal Kingdom. That’s where I reside through my Spirit. That’s where you need to live from.

1 – Contrary to modern useage of this word to mean ‘a living thing that is able to sense, think and feel’ the word also means: ‘**Able to consciously perceive through the use of sense faculties**’. (en.wiktionary.org/wiki/sentient)

2 – The ‘Sentient Ones’ are those our King is raising up who are highly functional using their spiritual senses rather than their natural senses. These are those who will be able to display the glory of the King and of the Kingdom inside them because they have matured to this advanced level.

3 – i.e. Those in governmental and legal authority

The important thing to also remember is that as the world appears to be getting darker, the reason is that it is the opposite reaction to what I am doing in my people. I am raising you up to be my glorious Bride, my holy warriors. You will display me to the world. It will be an exciting time for those who align with me and allow me to change them so that they can be the Shining Ones⁴.

There's a battle going on between the Kingdom of Heaven and the kingdom of the enemy. That should be in the forefront of your mind because what happens in the spirit realm impacts the natural realm. This is why I have admonished you for so long to align with us, because an army that doesn't follow the leading of the general who has 'the big picture' will end up being overtaken and scattered. My Son is the general who I have placed in charge of my heavenly army on Earth. Listen to him, follow him, and my plans will be achieved."

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
