

More on this Current Time in the Kingdom

(April 2020)

Following on from the prophetic insight I was given concerning the current season we are in,¹ a time when Forerunners are leading the vanguard for the restoration of all things, this is an update. More information is being received to cement this time in our understanding and to equip us with the knowledge we need to move forward without deviation. There will be glory rising alongside the rise of darkness, so we must focus on where we are going and make sure we are aligning with Heaven every step of the way. Read on!

KINGDOM NOTES

*“You have been given a prime opportunity to grow and mature in your personal relationship with Me. In the past many of you have tried to have that relationship through your pastor, priest, or preacher. Use this time to seek Me for yourself and grow into the glorious saint you were created to be”, says the Lord.*²

*“Do not despair for I am opening alternative doors for you to accomplish all that I have set you to be and to do. What you presumed your path to be has taken a turn that you could not have foreseen. But, I am still with you, says the Lord, and I will guide you so that you will not miss one step of My perfect will for you. Rest in that assurance.”*³

*“There has been a great divergence among Christians. Many of you began with great zeal, but in the progression of time you have only managed to maintain religious attitudes and have lost your first love. I am calling you back to a place of genuine desire to be one with Me, says the Lord. You must settle this issue in the depths of your soul and deliberately re-establish divine connection.”*⁴

*“One day at a time; one step at a time. Stay present with Me and maintain an eternal perspective. Every thought you think, every word you speak, everything you do either molds you into My image or moves you away from Me, says the Lord. Set yourself to be consciously aware of your spiritual condition at all times.”*⁵

*“This is a dynamic spiritual time. So, I say proceed with good expectations in these days regarding those things I will do on your behalf. The darkness of this world is invading your space and is coming to bear. But, you are children of the light. You are those I have chosen to spread the glory of My presence and power in these days. Know that I have chosen you for this special time, and I will empower you according to My word, and bless you according to My ways. Go forth in the power that I have provided.”*⁶

*“I am calling forth My **remnant**, those who will cooperate with My Spirit and with truth, those who will speak forth the words that I put in their mouth no matter who likes it and no matter who doesn't like it.*

For I have called you to gather together and to band together in small groups and even large groups. But unified groups are what I am after...

I am rising. I am rising. My Spirit is rising, and I am looking for the **remnant** to rise with Me...

I am calling you out of your caves and out of your closets. I'm calling some of you out of your churches. I'm calling some of you out of the business world and into [My service]. I am calling the **remnant**..."⁷

"Now is the time for a reckoning of souls and dividing of hearts...

Separation is occurring! Borders are being reset and boundaries are being reestablished under heaven's order. I am highlighting the boundary lines to distinguish between the pure and the profane, the holy and the unholy, the righteous and the wicked. No longer can the plumb line be altered or My standard of holiness be compromised. A bloodline is being drawn between those who live under the sins of the generations and those who are under the blood of the Lamb! Yes, the blood has been crying out upon the earth, and I am answering. There can no longer be any question, and the choice is being made clear.

The plague that besets you will yield a great harvest if you submit to My purposes through it. Do not seek to determine its root; simply know that I am able and My blood is its cure. Even that which is causing a separation in the natural, I am using for your good. That which has been hidden and camouflaged will be exposed; those who have been playing characters are being stripped of their costumes. Those who have served other gods will be laid bare and feel the weight of their choices. It is not My punishment that does this, but My mercy in hopes that they will yet see the folly of their ways.

I am not a God who delights in punishment or relishes in wrath. If only you knew the depth of My heart for My creation! No, it is My mercy that has held back the consequences of men's ways in hopes that they would awaken to their true state. And yet there are those who have not only have resisted My presence and purpose, but they are leading many down a path from which there is no return, and My heart can no longer bear it! ...

I do not delight in what must take place, for My love has always been strong enough, and I have longed for all to know it! Even in My wrath, it is My love that compels me to respond to injustice and wickedness, not My anger. You do not yet comprehend the sheer power that is within My heart or My passionate zeal for My own.

Do not delight in the destruction of the wicked. Even as your flesh may rejoice in vindication, embrace My heart that weeps concerning their eternal destination. Repent for the ways you have gloated or taken glee in the downfall of your enemies. If you only knew how many times your prayers have been answered in My interventions—and yet—they have not heeded Me! They will not listen, and it has pained My heart – and it should pain your heart as well! But their continued mutiny can no longer be tolerated, for the earth has been increasingly groaning under the weight of sin, and it has its limit...

Regardless of what is to come, know that My love is greater, My power is stronger and My determination more fierce than ever. Darkness has no power, for I move from within even the darkest of clouds. Know that all that must transpire will cause the world to see who I am, not that which they have made Me to be, but that which is of another realm and another Spirit.

*Know the force of My love and the cause of My passion."*⁸

spirit of religion”.

God is going to deal with the religious spirit in this new era in ways we have never seen. I still remember the day many years ago when the Lord whispered to me “A mighty move of My Spirit is coming and if you do not have eyes to see and ears to hear and live close to My heart you will be greatly offended by the move of My Spirit”...

*The WAY that the Lord is going to move is going to shake the religious mindsets and expose the spirit of religion in the Church in a way we have never seen. The Lord’s heart in shaking up His house in such intense ways in this **new era** is to bring forth His true ecclesia and to see His people walk in humility and purity before Him and carry His Spirit.*

There is going to be great demonstrations of offense in the way the Lord is going to move, where He will move, how He will move and those areas of offense will expose the religious spirit but He is about to deal with it and break it. The dealings of the Lord to bring down this religious spirit and expose it is going to be intense and there may be mess in the shaking but the Lord is going to bring forth healing to His bride, He is going to bring forth freedom in His Bride, He is going to bring total reformation to His Church...

*One of the ways God is going to deal with the spirit of religion is He is going to DISRUPT and INTERRUPT in this **new era** and He is going to move in such a powerful way, He is going to demonstrate that He is the God who cannot be controlled or contained.*

He is going to raise up the true ecclesia. He is going to raise up the Church in ways we have never seen. He is truly looking for those who truly love Him and follow Him. He is bringing His people into freedom. He is bringing His Church into freedom. Where the religious spirit has contained, suffocated and killed there is a dealing of the Lord upon that religious spirit.

*There is a great urgency of the hour as we move further into this **new era** that we embrace the move of God whatever it looks like, to live so close to His heart that we recognise Him and His move even if/when it looks different to what we expect and not be offended or kill a move of God because it doesn’t fit into our box.*

*There has been a civil war in the Church and it will flare up louder than ever as God deals with this spirit of religion in this **new era**, but know in the ‘noise’ when it happens, that there is a mass deliverance upon the Church and the sound of freedom will resound and as the shaking and deconstruction happens, as we transition into the new thing God is doing and going to do, the true ecclesia is going to arise in unity⁹ strength, humility, boldness and power.*

In the deep dealing of this religious spirit in the Church by the hand of God, the true Bride will arise in His love and power and shine in the earth like she has never shone before.”¹⁰

“In the next few years, you will likely see social media virtually remove all preaching. Not only that, but there will be a concerted effort to marginalize the church in ways you never imagined. Does that mean that Bible-based Christianity is over in America? Absolutely not! You watch: God will come out of nowhere to meet this threat.

A big difference you will see in the coming leaders is where they serve. A few of them will be in pulpits. More of them will be in politics, business, science, law, entertainment, music, or a thousand other fields of endeavor. They will not introduce subjects—they will introduce eras.

No one will be able to buy them off or get them to change the subject. They will operate on a disquieting plane of holiness and consecration. I believe A. W. Tozer was describing them when he said, “They serve God and mankind from motives too high to be understood by the rank and file of religious retainers who

today shuttle in and out of the sanctuary.”

Today they suffer. Their agony is what happens when worlds collide. They see their destiny. It's big and dangerous. A part of them glories in the potential to know God intimately and represent Him bravely. They see themselves rebuking kings, tyrants, and warmongers. They see themselves commanding the transfer of the wealth of the wicked into the control of the righteous.¹¹

God is warring to save America. You must find your assignment in that war. But how can we know our assignment?

The secret to finding your assignment is your heart. God speaks to the heart and then the heart must control the mind. Today, many spirit-filled believers are unwittingly involved in New Age practices. They relate to God as if He were some kind of 'force' rather than a Person.

They think that audacity and confidence will unlock gifts, authority, and direction. They speak of "activating gifts" as if there was a formula to supernatural manifestations. My friend, it comes through brokenness, not arrogance. The 'force' is a farce.

The gifts and anointing of the Holy Spirit always come through relationship. Sorry, but Christianity has always been, and always will be, family owned and operated. So then how can we know our assignment?

Your assignment in the Army of God is your individual expression and extension of Christ's destruction of the works of the devil. You are a destroyer of the works of the devil. God will give you a way to do it that is unique to you.

Until that gets through to you—until you admit and agree to those terms—God will remain silent about your assignment.

Because the situation today in America is an impossible one, only one kind of person will make a difference now. They must be armed with divine certainty. They must own an unshakable, bone-deep conviction that they have been chosen for this task.

Without this, we have zero hope of removing the bloody talons of Satan from the throat of our nation. Without it, we are doomed to another embarrassing misfire, pawned off as revival.

Next, you must face the fact that very few believers are supposed to be teachers, preachers, or pastors.¹² For too long, we have listened to the voice of God through a filter. In the past, whenever God has moved someone to serve Him, we have assumed it meant 'ministry.'

This assumption of ministry has sent many Christians to Bible College who didn't belong there. Worse yet, it has filled pulpits with people who should have never been ordained. This reminds me of why President Woodrow Wilson once said, "One of the proofs of the divinity of the Gospel is the preaching it has survived."

This filtered view of service is one big reason the church lost influence in our nation. God tried to send people into education, law, medicine, business, art, media, and yes, even politics – but instead, we herded them into "Christian service".

You see it in the Bible. You see it in the stories of heroes of faith throughout history who altered the course of their generation. At the dawn of their mission, God infused them with incontestable certainty.

This certainty plays a critical role in their survival. Think of it like the escape velocity of a rocket. Escape velocity is one of the biggest challenges of space travel. In order for a rocket to break free of the Earth's gravitational force it must reach a speed of seven miles per second. That's 25,000 miles per hour!

Evil convulses at the approach of a new vessel of God. Hell instantly puts chosen ones on a hit list. The child of God must be blasted by divine certainty into a trajectory that will escape the pull of devils, the seduction of fame, withering criticism, and the dark night of the soul that comes to all who are called of God.

11 – Isaiah 60:5

12 – See James 3:1

From his death bed, John Wesley wrote his last letter to William Wilberforce to encourage him as he fought in Parliament to abolish slavery in England. In this letter, Wesley confirms the urgency of divine certainty: “Unless God has raised you up for this very thing, you will be worn out by the opposition of men and devils. But if God be for you, who can be against you? Are all of them together stronger than God? O be not weary of well doing! Go on, in the name of God and in the power of his might...”

Understand this child of God! The same Spirit that is awakening a passion and direction in you is doing the same thing to millions more. Soon an army will emerge that will invade every area of our culture.

Today it is sporadic fire, here and there, but soon the prophetic core of God will obey and embrace their assignment. They will come together in a chorus of victory that will be unlike anything we have ever seen.”¹³

OPPOSITIONAL NOTES

CCOP

(prophetic download on 1-4-2020)

“My children, this is preparation time for what’s ahead of you. Don’t resist the fact that you have to stay at home and be isolated. Don’t resist the fact that you’re not in communication with your friends and your brothers and sisters in the Kingdom. Don’t be disappointed in the fact that you can’t see them face to face and converse and be encouraged. This will be the new normal in the future as I release my ‘Sentient’¹⁴ Ones”¹⁵, my special ones. The world will recoil from them – not the people, but the world system will recoil – and draw back in fear, which will turn into hate.

Like my people in communist countries, you will be hounded: you will be seen as subversives that must be eliminated. They¹⁶ will forbid you to meet, and you will have to survive (which you will do victoriously by the way), in isolation. You will have to learn to communicate over distance. Sure, there’s the internet and phones at the moment, but as technological surveillance burgeons in the Western nations, those facilities will eventually be cut off from you. You will only be able to meet in secret, in the forests, in people’s homes. Church buildings will be shut down. Large gatherings will be banned. Those who speak up will be tried in the courts and imprisoned. But don’t be afraid. This type of persecution is not the end of my work in Australia. Under persecution, my people focus on me, focus on their work for the Kingdom, and they thrive as their life is in me, because reality is in the spirit realm in the Kingdom. These are the essentials, nothing else, because your life in the natural flows out from your life in the Kingdom. That’s the way it’s supposed to be, and it will become your new lifestyle in the future.

These days are preparation, they are giving you a taste of what is to come. So I give you advice now: Prepare to live a life alone with me. If you can do that now, you will have no problem living the Kingdom life in a difficult world in the future. You will have to wean yourself off all those things that support you, all those Christian things, all those church things, all those religious things that are man-made, and find everything in me. Remember, when you were spiritually reborn, you came back to the place of purity in my sight, and in reality, where Adam was originally when I created him. This is your place of union with me, of being about my business, of having my favour and my blessing upon your life as you work in the world and the Kingdom of Heaven is expanded.

Don’t see your life in the natural. Don’t see the days of your life as being about the business that everybody else does. You are consecrated, set apart. You are not the same species, spiritually, to everyone else around you. Your spiritual DNA has changed. You are a different creature, and you have to adapt to that reality. So focus on what I’m telling you personally about living during this pandemic. Learn to draw close to me.

¹⁴ – Contrary to modern usage of this word to mean ‘a living thing that is able to sense, think and feel’ the word also means: ‘**Able to consciously perceive through the use of sense faculties**’. (en.wiktionary.org/wiki/sentient)

¹⁵ – The ‘Sentient Ones’ are those our King is raising up who are highly functional using their spiritual senses rather than their natural senses. These are those who will be able to display the glory of the King and of the Kingdom inside them because they have matured to this advanced level.

¹⁶ – i.e. Those in governmental and legal authority

Keep your ears, your spiritual ears, open at all times, listening, waiting for me to give you instructions. As you go about your life, allow your spirit to be attuned to the wisdom, knowledge and understanding that I will impart to you, to allow you to be successful and navigate through this time.

Australia will come out the other side of this pandemic, but life will not be the same. In the same way that life after the 9/11 incident with the Twin Towers in America has never been the same, so it will be now. And with each major incident in the world that affects the world globally (affects all nations), life will change. Get used to it and adapt. I will allow you to do that successfully if you listen to me and to me only. Listen to the prophetic messages I am releasing through my trusted ones. Allow yourself to be led by genuine apostolic leaders. Break ties with anything that I show you, and make me your focus, because my life is in your Internal Kingdom. That's where I reside through my Spirit. That's where you need to live from.

The important thing to also remember is that as the world appears to be getting darker, the reason is that it is the opposite reaction to what I am doing in my people. I am raising you up to be my glorious Bride, my holy warriors. You will display me to the world. It will be an exciting time for those who align with me and allow me to change them so that they can be the Shining Ones¹⁷.

*There's a battle going on between the Kingdom of Heaven and the kingdom of the enemy. That should be in the forefront of your mind because what happens in the spirit realm impacts the natural realm. This is why I have admonished you for so long to align with us, because an army that doesn't follow the leading of the general who has 'the big picture' will end up being overtaken and scattered. My Son is the general who I have placed in charge of my **heavenly army on Earth**. **Listen to him, follow him, and my plans will be achieved.**"*
