

As We Get More Isolated You'll Need to Hear for Yourself

What's happening in Australia now is preparation for the future,¹ for a darker future.² Under the protocols set in place during the 2020 coronavirus (COVID-19) pandemic, we've been put in lock-down, isolated in our homes, and prevented from connecting with others face-to-face. Our meetings have been cancelled due to the limit placed on the number who can gather together, outside of a family unit. It will, however, be worse than this in Australia's future if Father's children don't align with him and operate out of the mindset of being foremost about his business.

Knowing what the Left and the 'Elite' are doing here and in societies around the world, what if, in the not-to-distant future:

- We are forcibly isolated from each other
- We are restricted from accessing the internet
- They forcibly take away all our Bibles and refuse to allow us to download mobile phone apps such as Bible software
- We are persecuted

If/when such becomes the case:

- Your spiritual succour will need to be your intimate relationship with the Trinity.
- Your spiritual food will need to be what Holy Spirit gives you each day.
- Your spiritual life will need to be drawn from the Internal Kingdom that's inside you.
- Your life will have to revolve around the King and the Kingdom, just as it's meant to be

If you are unable to hear the King speaking to you, you will feel lost, alone and without direction. This should never be the case for spiritually connected people

It's imperative that you take a warning from the lock-down that we are coming out of and change your life. It can't be the same any more.

Your future depends on you being able to hear the Spirit for yourself, for all things you need to know. That's a normal skill of Kingdom sons.

We are being prepared. Listen and act. NOW.

Laurence
