

# Australia: Bored and Affronted

(Prophetic message recorded on the 25<sup>th</sup> May 2020)

**Question:** *Lord, many seem to be bored with the messages that you're giving us. They think you're harping on the same subject all the time. Others are affronted by some of the things you've said. What is it that you're wanting to say to your people in Australia?*

## Message

“My people, I can't let you continue down the path that you're going on at the moment. In my love for you, and my position as your Sovereign, I have to bring you into line. As a loving, strict parent continues to redirect their wayward children, I continue to show you the direction you're supposed to be going.

Australia is in your hands, and it's vital that you understand that I work through you. You were created to be in charge. My *ecclesia*, my band of people in any city, town or location, were designed to be my representatives and to monitor what went on, and, to bring about appropriate change in the spirit realm and in the natural realm. It's dereliction of duty not to do what I have created you for and brought you into my Kingdom for. You must understand that!

Australia, part of your problem is that you don't like being corrected and redirected and reprogrammed. You have a *c'est la vie* attitude. I see it as a lazy attitude. Sure, you want to move on, but you want to move on in your own way. That's because you live in a democracy, you don't know how to live in a Kingdom. The kingdom which you are in is defined as the King's Domain, and I am the King. Sure, it doesn't appear that I am the King as you look around the world, but the reason you see what you see is because you, as my servants, and as my authority on the planet, have not been doing your duty. You have been wayward in your thinking, by desiring what you want, and desiring what you think. This is an immature way of functioning as sons of the Most High God.

It's imperative that you understand your status in the spirit realm. And, don't forget that the spirit realm is the real, everlasting, continuing realm, not the natural realm in which you live as a human. If your focus is on the natural, you are focusing on what's temporary and will not last – it's here today and gone tomorrow. (I said this when I spoke to my disciples.) It's the spirit realm that you must focus on, that's where the battle takes place. That's where authority has its rightful use, and this is where, in Australia, I need you to 'step up to the plate', face what you have to face, and do your duty. I'm relying on you. I'm not going to interfere in a major way and usurp your position as planet managers and renege on the roles that I created you to function in. We're a team. I give the orders, the directives, and set the plans, and you are my workers who carry those out. That's the way a Kingdom works.

You already know that you are ambassadors for me because you've been taught that. However, you must know that an ambassador only represents the authority who placed them in that position. Whenever they are out in public, they have no thought of their own that they pass on to others. A properly-functioning ambassador does what their leader wants them to do, and says exactly what's on the mind of their leader, whatever type of leader it happens to be. I need you to speak for me, and by that, I mean you need to hear from me, each one of you, and speak what I give you to speak. Now, this is not a prophetic function. This is a normal function of a son. As you connect with me, spirit-to-spirit, you need to find out what I want you to do and what I want you to say, so you can operate in a way that properly represents me.

Don't neglect your duties. Don't neglect your responsibilities. The future of Australia is in your hands. Don't be shocked by what I have to say because I'm bringing to you through this avenue of message distribution, what I want you to know. There are many others, but this is a particular channel with important information that needs to get through to you. Listen, and if necessary, talk to me about what's written. Ask me, I will explain to you, I will confirm with you what it is that you need to be fully conversant with.

My love for you, Australia, my people in Australia, is strong. Don't think that I've deserted you. Don't think I am being harsh with you. I'm trying to guide you, direct you, change the way you think, because Australia's future depends on that. It depends on you aligning with me. There, I've said it again. You need to align with me, heart and mind and spirit. You must be about my business throughout your daily life.

I remind you that Australia has a wonderful future, but I also remind you that it's in your hands. Whatever you do collectively impacts Australia. This is why you need to align with the way I want you to operate, and align with the desire to fulfil the plans that I have for your nation. Don't look around in despair and blame the enemy or blame me. Look at yourself, each one of you.

Take heart. Times may be tough, but they will get tougher, so stick close to me, hang onto me. Develop your relationship with me so that we are living and working together in oneness. This is my wonderful desire for each of you: Oneness, loving oneness.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
