

Justice For All

(Prophetic message recorded on the 6th June 2020)

Prompt: *The TV has been showing rioters protesting over the death of a person by police and demanding justice for him. While thinking about their demand for justice this download was received.*

Message

“If you move down the path of social justice it will consume you. Your emotions will take over and run your life instead of your spirit. I am your justifier and I dispense justice. Leave it to me. Work the works that I did and leave the rest for me. You have no idea what justice is and you’ll only pollute it with your soul. LEAVE it to me. Deal with the concerns of others and seek me for their justification and justice. No one else can do it properly for them.

I justified King David with regard to King Saul and he became a great monarch. I can do the same for you and any other person, just leave justice to me. I have set up governments and given them the authority to dispense their form of justice. However, the best and long lasting justice is mine – even in the here-&-now. Remember that the next time your heart demands justice for any reason.

Seeking justice will rip you apart on the inside. It will eat you up and it will never be satisfied. Only I can dispense justice for you that will free you. Your heart will be turned away from me if you don't do it that way. I warn you.

Your society is being crippled by justice-seeking mobs. They will never be satisfied until they find justice for their life experiences in me.

I am rest. Seeking justice precludes the receipt of my rest and my peace. The enemy always accuses you before me, demanding justice. He sees his job to be Mr Justice himself. You can see now why seeking justice the earthly way aligns you with him and the way he does things. Leave it all to me as King. I know what's best for you, for others and for your nation. Align your heart and mind with me and let your spirit be in control of your whole being. That’s the safest way to live.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
