

# Be a Blessing

(Prophetic message recorded on the 17<sup>th</sup> July 2020)

**Background:** *This message is the 2<sup>nd</sup> sequel to 'Covenant not Contract'<sup>1</sup> but it stands alone.*

## Message #1

“I created you to be a blessing. This is my heart: I have a blessing heart. You, my people, are my representatives on planet Earth. In the outpost of Heaven where you live your lives, I created you for the purpose of overseeing the planet, but your oversight is to be one of blessing, not of pillaging and destroying. The enemy kills and steals and destroys and brings chaos. So mark my words, analyse your lives, and when you see anything that is destructive, anything that is pulling down rather than building up, anything that is chaotic, you are aligning with the Kingdom of Darkness, not my Kingdom.

You have the propensity to see evil as coming from the enemy, but you need a paradigm shift. You need to see anything that is not a blessing to others and to the planet as from your base nature or from the Kingdom of Darkness.

Now, I've given you the planet to oversee and to use the resources that's in it. I've given you plant and animal food to eat. These are all righteous. But much of humanity's use of the planet is unrighteous because it doesn't align with the way I like to see things done. You will notice I didn't say, “I want them done”. That's because I expect it of you. You are my representatives. I created you for the position of oversight, as planet managers, and I have placed in you the desire to work in alignment with us, hand-in-hand with us, to bless the planet, to bless all life, to be a blessing. But this is not happening. Human lives are spent on self-service. The majority of life is self-centred for them. This is an error.

My people, assess yourselves. My standard is this: “I bless you so you can be a blessing”<sup>2</sup>. Don't receive my blessings and hold them to yourself and refuse to bless others in every way possible. That's not the Kingdom way. In the Kingdom, you receive from the Kingdom, you use what the Kingdom provides, and you pass it on to all those in need. And, don't see ‘need’ as the needy, people who don't have enough money, don't have a job, or don't have a place to sleep. In the Kingdom, the ‘need’ is where anyone has a need or anything has a need, at any level. It is an error to only look at needy people as a description of need.

Every one of you has a love need. This is why you spread my love that I pour into you, to others. Most people are unable to draw love from me because they are not connected intimately with me, so I use you to pour my love into them. You're my love conduits. So as you struggle to be loving towards others and to do things in a loving way, why not start by consciously pouring your love into your family, your friends and to anyone you meet? Why not thank the cleaners out in the street for making the community tidy? You will bless them. Why not thank those who are coming out in this coronavirus lock-down to serve you? Just a quick “thanks” for putting their lives at risk for us, will bless them.

You were created to be a blessing, so don't be selfish and receive my blessings in your life and refuse to bless others. The blessings that you pass on are these: Everything that you have that you can give away freely. Did you know you can bless others with your time, with your energy, not just with your finances and resources? Why not spend more time with your children, with your grandchildren? Why not spend more time with your neighbours and finding out how you can support them? You see, the Body of Christ is supposed to be a living organism, not an organisation. My Kingdom spreads throughout the Earth when the organism touches others. It ‘infects’ them, so to speak, with the life of the Kingdom, which is the life of Heaven.

Seek me for this paradigm shift: You must learn to be a blessing because I bless you. This is my heart. This is love in action, and it will take a paradigm shift for you to move ‘holus bolus’ in that direction. It doesn't mean that you give up your life as it is now. Start focusing on being a blessing to others in many ways. Remember, that I told this to you now: You can be a blessing without being an overseas missionary. You can be a blessing without being a professional Christian. You can be a blessing without feeding the

poor and looking after the homeless. Being a blessing is a heart attitude, and it must be a distinctive characteristic of your life.

Use my wisdom as you bless. Don't bless for the sake of blessing. Remember, sons are led by the Spirit. My wisdom is required for the times when you bless and how you bless, but the why and the heart attitude is up to you.

I gave you some teaching about covenantal transactions.<sup>3</sup> The basis behind that is blessing.”

## **Message #2**

*(When the above message had been completely downloaded, there was a sense that it could be taken as an invitation to environmental activism. This apprehension was allayed when the following addendum was immediately received.)*

“Don't take this as an environmental message to stand against those who are misusing the resources of the planet. I have shown you that the resources of the planet are yours to use, to use wisely, to use so they are a blessing. You are sons of the Kingdom, so operate for me as a blessing from that perspective. No other perspective is righteous, because I don't sanction it.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
