

# The Basic Understanding of the Political Spirit

As we rely on the Trinity to train us in what we need to know, more information will be supplied to us. We just need to stay tuned in 24/7, with a waiting spirit and attitude, relying on them to pass on whatever we need to know.

We've been given a lot of insight into the religious spirit and the Jezebel spirit, but there's many more we need to know about so we can operate more accurately in the natural realm.

Here's some personal teaching Mike Parsons received from Father regarding the political spirit. Yes, everything in the natural realm has a spiritual entity behind it. We don't know this because we were never taught it. Here's the basics of what we need to know about the political spirit.

*“Son, the political spirit is like an octopus, with 8 tentacles that reach out from the centre to control. It uses people who are angry, disappointed, insecure, resentful, bitter, feel owed by injustice, who feel inadequate, to work through. The control tactics are nepotism, fear, favouritism, position, charisma, inducement, tribalism, and exclusion; which it uses through its central core to influence, manipulate, control or pressure people. It operates with the religious and Jezebel spirits to maintain control, and through fear and deception.*

*Tribal streams are the inevitable result of the political and religious spirit. Ensure you establish family through relationship, respect and honour to avoid tribalism.*

*Political, Religious and Jezebel spirits are a negative ‘bench of 3’<sup>1</sup>. Son, don't be intimidated by this ‘bench of 3’; but establish your life around the ‘bench of 3’ of rest which are love, joy and peace, and you will not be susceptible to fear or control.*

*Son, let love, joy and peace be the foundation of everything you do and all that is established and rest will become the true foundation of the whole blueprint.”<sup>2</sup>*

There's a lot of ‘food’ there to contemplate on. A lot we need to take in so we are not aligning with the political spirit. There's nepotism, fear, favouritism, position, charisma, inducement, tribalism, and exclusion. We need to monitor these in our own lives and ‘knock them on the head’ each time they appear.

**REMEMBER:** When we act in the way a demonic spirit causes people to act, we inadvertently open the door for that spirit to work in us. Ian Clayton uses the term ‘trading’<sup>3</sup> for this. This is why we need to mimic Holy Spirit so we have the door open to the right spirit to influence us. This is how we ‘trade’ the Kingdom way.

Laurence
