

Why We Need to Detach From the World System

WARNING!

The Vultures are circling.

Yes, vultures are circling Christians to make them resist the truth that's being released from the Throne in this new era of the Kingdom. It will become harder and harder now to get through to Christians with the messages of the Kingdom and sonship. We need to know this so we stop wasting our time trying to get all our Christian friends on the right track. Our focus needs to be on those who have left 'the church' and are drifting. These are those of the "wilderness church" who will be receptive, to some extent, when we speak of reality, rather than religion.

Do you remember Rick Joyner's experience in Heaven when he saw the military age of Christians? That was a vision of the church in the period of the Last Days.

Let me refresh your memory. Here's what Rick was shown about the bulk of the Christians at that time who were being attacked by demons in the form of vultures:

“Trailing behind these first divisions were a vast multitude of other Christians who were prisoners of this army. They were all wounded, and were guarded by little demons of Fear. There seemed to be more prisoners than there were demons in the army. Surprisingly, these prisoners still had their swords and shields, but they did not use them. It was shocking to see that so many could be kept captive by so few of these little demons of Fear. These could have easily been destroyed or driven off if the prisoners had just used their weapons.

*Above the prisoners the sky was black with vultures named Depression. These would land on the shoulders of a prisoner and **vomit** on him. The vomit was Condemnation. When the vomit hit a prisoner he would stand up and march a little straighter for a while, and then slump over, even weaker than before. Again, I wondered why the prisoners did not simply kill these vultures with their swords, which they could have easily done. Occasionally a weak prisoner would stumble and fall. As soon as he or she hit the ground, the other prisoners would begin stabbing them with their swords, scorning them as they did so. They would then call for the vultures to begin devouring the fallen one even before they were dead. As I watched, I realized that **these prisoners thought that the vomit of condemnation was truth from God**. Then I understood that **these prisoners actually thought they were marching in the army of God! This is why they did not kill the little demons of fear, or the vultures – they thought these were messengers from God!** The darkness from the cloud of vultures made it so hard for these prisoners to see that they naively accepted everything that happened to them as being from the Lord.”¹*

Here again the vultures attacked sons as they ascended the Mountain of God.

*“Some who had stayed on the lower levels began picking up the enemy arrows and shooting them back. This was a tragic mistake. The demons easily dodged the arrows and let them hit the Christians. When a Christian was hit by one of the arrows of Accusation or Slander, a demon of Bitterness or Rage would fly in and perch on that arrow. He would then begin to **urinate** and **defecate** his poison upon that Christian. When a Christian had two or three of these demons added to the Pride or Self righteousness he already had, he began to change into the contorted image of the demons themselves. We could see this happening from the higher levels, but those on the lower levels who were using the enemy's arrows could not see it. Half of us decided to keep climbing, while the other half descended back to the lower levels to explain to those still on them what was happening. Everyone was then warned to keep climbing and not stop, except for a few who stationed themselves on each level to keep*

the other soldiers moving higher.”²

This same image has been released again, recently, to alert us that it's actually happening.

“As the vision continued, I saw the vultures circling over the body of Christ, specifically targeting lukewarm, worldly and carnal Christians. They were searching for Christians who refused to repent of the things of this world, who were not fully surrendered to God and who were spiritually weak. The Lord made it clear that the agenda of Satan in this hour is to bring destruction to the body of Christ by attacking Christians who can't tear themselves away from the things of this world.

*In this vision, before the vultures swooped to attack, they **defecated** on their prey. This put their victims in a spiritual stupor, causing the lukewarm, worldly and carnal to think they were spiritually solid when they were not. **Their hearts became hardened to truth whenever spoken.** The final analysis of the spiritual stupor was that they became even more vulnerable to the enemy's attack, resulting in an already weakened spiritual state becoming weaker still.”³*

This message is also a warning to us that we can still be prevented from moving ahead in spiritual maturity if we refuse to work at being disconnected from the world system. Not the world, but the system. That includes our Australian culture, and not just the things we disagree with. While ever there's something in society we can't give up or won't give up, that will be the place the enemy will work to stymie your progress in maturing into the full capacity of your sonship.

We must work at removing ALL the hooks the world system has in us.⁴

We don't want to retrograde into the Last Days church rabble when we've made so much advancement in the things of the Kingdom of God on Earth, do we?.

By the way, these vultures are also 'dumping' on non-believers as well, causing them to think what they hear is the truth. Are you wondering why Black Lives Matter and Extinction Rebellion are so militantly mono-focussed? They've been fed lies by the vultures and they think it's the truth (reality). When their eyes are opened they will see that they have been deceived.⁵

The vultures are demon who spread lies that masquerade as truth, just as Paul warned Timothy.⁶ These same gargoyle-like demon-vultures were seen doing their best to create civil war in the US in a prophetic dream that Dana Coverstone had in 2020.⁷
