

Refresh and Enliven

Here we are again, my son, sharing time together. I enjoy this time with you - it is a refreshing time, don't you think?

My desire is to refresh and enliven you - activate you through my Spirit for the spiritual energy you'll need for the tasks ahead. Great tasks - magnificent if I do say so. These are my plans for you and they will succeed. Surrender to me and I will take you there - right to the very end where the glory will be 'extreme', to use your terms.

This glory you seek to exhibit is my glory and I don't give it to another unless they can cope with it and handle it. Learn to handle it (my glory). I will teach you how, but you must remain humble and give all the glory to me. That's when I'll raise you up and display my glory in and through you - in front of men of stature, of men great and small. My glory is essential for the work you are to do - it's not an option. You must display my glory to achieve the ends I have planned for you. Great plans and great glory.

Protect yourself from pride - at all levels - as the enemy knows the importance of this glory and will endeavour to shut you down so the glory flame is squashed to a flicker and then snuffed out. Keep your mind on things above - things of Heaven, of my Kingdom. Don't let your mind drift as the enemy uses that time to counteract what I'm doing.

Be firm in your commitment to me and my work. Be single-minded, as a double-minded person can't achieve my purposes.

Thoughts in both camps - both kingdoms (the kingdom of this world and my Kingdom) - are mutually exclusive. Thoughts of this world nullify Kingdom thoughts and work against them and my plans in your mind.

Stay focussed on me. Stay close to me. Hang on to me as the ride will be rough - even tumultuous. We will do this together - you and me, my son.

I love you and honour you. I respect your desire to be wholehearted and committed to my purposes. Let's bring this to completion.

Laurence
