The screenshot shows the website for the BASE Institute. At the top, there is a header image of a desert landscape with the BASE Institute logo in the center. The logo features a stylized sun with palm trees and the text 'BASE INSTITUTE' and 'PO Box 111 - Washington, DC 20712'. Below the header is a black navigation bar with white text: 'HOME', 'ABOUT US', 'INVESTIGATIONS', 'STORE', and 'SPECIALS', each followed by a downward arrow. The main content area is white and features the title 'MT. SINAI' in large, bold, black letters. Below the title is a section titled 'Disclaimer Statement' in a smaller font. The text of the disclaimer reads: 'The research and site survey being investigated by the BASE Institute has strong potential. Is it the Biblical Mt. Sinai? The BASE Institute does not make the claim that we have found Mount Sinai. We'll let you draw your own conclusions. In our opinion, it's a candidate. The research continues.'
