

Message to Australia

(Prophetic message recorded on the 20th September 2020)

Question: *Lord, what is your message to Australia today?*

Message

“This is a great day. I’ve said it before, and I continue to say it.

Your people are in fear. They’re in fear and trepidation of COVID-19, the pandemic, the lockdowns, the economic downturns, and the possibility of a recession. These are not things that my people should be concerning themselves with because they need to know that I am always in control. Their concerns should be their lives and their alignment with Heaven because what’s happening in Australia at the moment is a direct consequence of the spiritual alignment and the spiritual maturity of my people. The current situation is not due to a lack of prayer or intercession. It’s not from a lack of appropriate fasting.

I have made it pretty clear over the past 12 months or so that the times ahead would be dark and that Australia had to get ready for it. I also made it very clear to my people that they have to align their lives with Heaven. For those who don’t understand that, it means your attitudes, your desires, your heart and mind must align with ours. I use the term “Heaven” because Heaven follows our desires. Heaven is always interested in our plans. My people aren’t. They are concerned with their lives and the situation of their nation. This is ‘cock-eyed’. You have it back to front, you have it upside down. Your focus has to be on spiritual matters. To be precise, your focus has to be on the Kingdom, and the Kingdom is me, and, the outworking of my presence in your lives and in your nation through you.

The times ahead are bleak from a natural perspective, but my plans are always in the wind. I say “in the wind” because you don’t see them. You could hear from me if you ask me, and I will tell you what’s going on, but this is not a normal activity of my people. They rely on professionals to hear so they can go about their lives with impunity. In this new era of the Kingdom, that is not the way things are to be. The scenario has to be that everyone has to hear from me. Everyone has to be aligned with my heart and with my mind and with my plans. Every one of my people needs to be maturing as sons – that is, sons and daughters of the Kingdom. All of my people need to be on a process of maturity so that their sonship can manifest in the nation.

The Church Age has passed. We are in the Kingdom Age. To give a label to it that you will understand, in actual fact, we’re in the New Covenant Age since my time on Earth. This is the era of my Kingdom where things are rapidly moving. My people in Australia need to align with me so they can move with me. You know of the spiritual principle, that if you’re not with me, you’re against me. That means, if you don’t move with me, you will be actually resisting me and what I am trying to do.

So, my message again is clear. Hear clearly from me. Set your heart on oneness with me, which will take a process over time. And lastly, cease being fearful. Fear is a tool of the enemy. It has no place in the Kingdom. Peace and rest are hallmarks of my presence. However, as autonomous beings, you have to actually work on defeating fear, resisting it, so that my peace can manifest in your lives.

Continue to learn to trust me in a stronger way, and Australia will benefit from your growth and development because it will change the spiritual atmosphere, and you’ll see a marked difference over time.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
