

Expect to Receive Military Style Messages

(Prophetic message recorded on the 6th September 2020)

Question: *Lord, you released to us that we should expect forthright, strong messages from you from now on. What is it that you want us to know about that?*

Message

“Yes, it’s time to start marshalling my army and issuing commands. The time for dilly-dallying is passed. It is time to get serious. I’ve been speaking through my prophets, and through those with a prophetic unction, for decades and decades, encouraging my people to draw close to me, to trust me, to let them know that I love them, but all to seemingly no avail. I only have a small number who have steeled themselves, firmed up their commitment and said, “Yes, get me ready for the battles ahead”. And so, it is to these that I will be speaking in many of my messages, and these communiques will come across as commands from the Commander-in-Chief of the armies of Heaven. They will not be to make you feel ‘warm & fuzzy’. They will not be to encourage you with compassion. These will be war-time, frontline directives. They will be straight to the point, they will be firm, and, they are for your compliance.

I cannot move ahead with the small army that I have, and prepare them for the battles, unless they heed these strong commands that I will be giving. So change your mindset. Stop thinking biblically.¹ That time is passed. It is today, a new day. We are in the battle for the overthrow of the Kingdom of Darkness, leading up to The Restoration of All Things and the full expression of my Kingdom here on Earth, just like it is in Heaven.

I’ve told some of you that I am setting your foreheads like flint, hard as rock, to oppose those who oppose you, because this war that we are entering into, the one that is escalating beyond your imagination, will be against the Kingdom of Darkness, but it will also be the Kingdom of Darkness operating through people.

So, it’s time to think militarily. Time to think warfare scenarios.

Listen, don’t be put off by what I say. It’s all up to you to receive in the right heart attitude.”

¹ – The understanding that was deposited in my spirit as I spoke this sentence was that the messages will be military in style. Therefore, they will not fit in with the NT standard used for prophesy which is edification, exhortation and comfort. Instead, they will contain statements more in line with what was given to King David during battles. As an example, see 2 Samuel 5:23-25.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia. Since 2017 CCOP has been expanded to function as a network of prophetic voices.
